## IN MEMORIUM

### Paul Bradford Crosby 1956 - 2024

Paul loved being outdoors. After graduating college, Paul returned to the outdoor agricultural work he loved. He completed a master's degree in forestry from the University of New Hampshire, then worked in forestry for Rockingham and Coos Counties before starting "Forest Management Services", which he ran for 10-plus years. In 2001, Paul and his family moved to Stoddard, where he was the Forester/Manager at Andorra Forest, including the Pitcher Mountain blueberries, for 21 years.

Throughout his career, Paul was devoted to conservation practices, sustainable forestry, and ecological understanding. He was a member of the Society of American Foresters and the Society for the Protection of New Hampshire Forests, and served on the Cheshire County and Stoddard Conservation Commissions, Stoddard Planning Board and the Cooperative Extension Advisory Council.

Paul noticed the little things, particularly in the natural world, and enjoyed sharing with others about the woodlands and their inhabitants. He could often be found hiking the forests and mountains of New England or, on rare occasions, backpacking in the Rockies.

Paul's magnificent vegetable gardens were a source of nourishment for those he loved. Together, he and his wife Dorothy shared and bartered what they grew, offering the satisfaction and fruits of working the land to others. His love for sugaring and maple syrup led him to run a small sugarbush.

A music lover, Paul was an avid guitarist, playing often at the churches he served with wisdom and care. More recently, Paul sang bass with the a capella men's group Monadnock Blend and with the Keene Pops Choir. His love for music carried over to birdsong — he could identify many of New England's aviary residents by ear and loved to draw them to the attention of his companions. Paul's kind, loving, wise voice will be dearly missed.

### Patricia M. Weaver 1946 – 2024

Patricia worked for many years at JA Wrights in Keene, NH and Monadnock Hospital in Peterborough, NH. After she retired, she took a very active role with her grandchildren. Patricia loved to travel in the family camper across the country, with her sons and husband. Patricia was an avid supporter of the Stoddard Fire Department and the New Hampshire State Troopers.

### Maurice (Moe) Dwyer 1942 – 2024

Moe loved spending time at his summer home in Stoddard, New Hampshire since 1981, and made it his permanent residence in 2017. He was a well-known resident of the town, and an active member of the Stoddard Volunteer Fire Department for over 30 years. He spent many hours at the station, many of them working on the vehicles and equipment. It was his second family whom he loved and was proud to be part of.

### A LETTER FROM THE SELECTMEN

The board would first and foremost like to extend our deep gratitude to all the volunteers who stepped up to help during the storms in July. Individuals offered their homes, their equipment, their sweat and their time to get us through a tough couple of days. This is one of many things that make us proud to serve this community. Despite the financial impact of this storm, we have received some reimbursement from FEMA, but thanks to responsible fiscal management, this will not affect future property taxes.

Based on feedback after the storm, we have initiated a STODDARD ALERTS Mass Notification System. This will allow residents to register their phones, emails, landlines and other communication devices to receive information pertaining to emergencies and, if selected, cancellations and postponements. This system will ensure that information disseminated to the public is timely, accurate and consistent. Although Facebook is a useful tool, the town does not own the popular Stoddard Residents Page and information can, at times, be delayed or inaccurate. It is our hope that this new system will be a huge benefit and we encourage everyone to sign up. Please see the back of this report for more information on how to do that.

Other recommendations in this regard include the construction of shed that would support storage of emergency supplies, maintenance materials and other items

that support the health, welfare, safety and security of residents during an emergency. We also hope to expand on this concept by considering stockpiling resources needed for emergency road repairs. Understanding that natural disasters are not confined to our town, demand for resources can be challenging, and sometimes more expensive, when disaster strikes. Initiatives are underway to safeguard against shortages in resources and manpower during a crisis. We have also begun collecting data on local vendors, heavy

equipment operators and volunteers that would be willing to help during an emergency. If you have services or equipment you are willing to share, please email our Town Administrator for more information.

Other initiatives being recommended by the board include:

- An additional \$19,100 in the Solid Waste budget to fund the position of Attendant. The current attendant is an employee of Waste Management. By hiring our own personnel it is our hope that violations will decrease, thereby decreasing our overall disposal costs. We have also installed security cameras at the Transfer Station and are suggesting that fines for unauthorized use be approved at Town Meeting. We hope this will further deter illegal dumping and reduce costs considerably.
- Funding a stipend for a Road Agent. This position is currently filled, at no cost, by our acting Road Contractor. It is our intent that the Road Contractor concentrate primarily on getting work done, while engaging a dedicated individual to coordinate projects, elicit bids, prioritize work, spearhead long-term planning and respond to resident concerns. We foresee that this position will alleviate work from our contractor while providing an important contact point for resident concerns.
- A Warrant Article is recommended that funds the position of a Recreation Coordinator in response to public requests for more active recreational programs that serve every demographic in town. A survey revealed a strong desire for more structured recreational opportunities and this position will be responsible for developing programs and spaces that respond to community needs and desires.
- Some larger increases to our General Operating Budget this year include a new server at the Town Offices. This

initiative alone has increased our projected expenses by \$20,000. As our technology ages, we are required to maintain services and operations appropriate to our needs, making this upgrade unavoidable.

- An \$8,000 increase in this Budget is attributed to the purchase of a new Ballot Counting Machine, required by the State of NH. We are hoping for some reimbursement on this purchase. An additional election in this fiscal year also inflated our projected expenses.
- Other increases in our General Operating Budget include some salary increases appropriate to time served, inflation and performance. There are also increases to mileage reimbursement rates as dictated by inflating federal reimbursement rates appropriate to costs incurred.

Policing has been discussed ardently over the past ten months in an effort to administer the service our community desires. Residents have expressed their preferences regarding expense and coverage during multiple public meetings on this subject. This issue will be discussed further during Town Meeting, and this Board is eager to support the decision of our voters.

The Board would like to take this opportunity to thank David Vaillancourt for his long service as our Police Chief. We wish him the best in his retirement from police service, but are happy that he will continue to serve the town in his role as our primary Road Contractor. We also want to thank Margo Santoro for her service as our long serving Animal Control Officer, as well as her Deputy, David Santoro. We wish them well in their future endeavors.

We welcome a couple of new employees to our Town. Rachel Smith has accepted the position on Animal Control Officer and Aisha Kahn began serving as our Assessing Clerk at the start of the fiscal year. We would also like to welcome our new volunteers who have graciously agreed to serve on various boards and commissions. The work that takes place through these groups is a cornerstone of municipal operations. We appreciate and respect all of your contributions.

Mostly, this board would like to you thank all of you, our residents, full or part-time, for allowing us to serve you this past year. It is an honor to be elected as your representatives and we will continue to endeavor to serve the best interests of all our constituents.

Respectfully Submitted:

Christopher Madden    Bob Fee    Terri LaRoche

## A LETTER FROM THE TOWN ADMINISTRATOR

When I come to work each day I am greeted by employees that are happy to be here. When I leave each night, I am confident that we helped, guided, assisted, navigated, supported, facilitated, and/or sometimes befriended a person that walked in the door.

– Let’s be honest, we don’t accomplish ALL of those things in one day, but usually one or two. –

I would like to express my sincere appreciation to all the dedicated department heads, town staff, elected officials and numerous volunteers who serve on the many boards, commissions and committees for all of their hard work and commitment to make Stoddard a better community in which to live.

I would like to congratulate our long-serving Police Chief, David Vaillancourt, on a much deserved retirement with my deepest thanks for his years of service and dedication to Stoddard. I’d also like to thank our former Animal Control Officer, Margo Santoro and her Deputy David Santoro for their years of service and welcome Rachel Smith to our employ in that position. I’m sure you will join me in making her feel welcome.

I would like to thank all of our Town staff for the work they put toward keeping this town running. A lot of moving parts need to work in tandem in order to ensure successful operations of our municipality. I am privileged to work with this amazing team.

I hope that our residents find our office easy to navigate, feeling like they are heard and understood when they leave our offices.

Lastly, I would like to express my appreciation to the members of the Board of Selectmen for their continued support and clarity in defining the goals and policies for our town government.

Respectfully Submitted:  
Michelle L. Pong

## ANIMAL CONTROL OFFICER

With a lifelong passion for animals and a deep-rooted connection to my hometown of Stoddard, I am excited to bring my experience in animal care and to serve my community as the new Animal Control Officer in Stoddard.

Having grown up surrounded by a diverse array of animals, ranging from household pets to various livestock, I have developed a comprehensive understanding of their needs, behaviors, and welfare. This firsthand experience has equipped me with the skills necessary to handle all types of animals with care and compassion.

As the Animal Control Officer, I will be dedicated to ensuring the safety and well-being of both our residents and their animal companions. Whether responding to calls, conducting investigations, or providing education and outreach to the community, I am committed to upholding the highest standards of professionalism and service.

I look forward to the opportunity to serve our community and make a positive difference in the lives of both people and animals alike.

Rachel Smith

## FIRE DEPARTMENT

Hello!

Thanks again for another fantastic year of your support. The fire department runs for the 2023 calendar year as follows.

133 calls total:

- 21 Motor Vehicle
- 15 Fires/Unauthorized Burns/Smoke Investigations
- 58 EMS calls
- 12 Unintentional alarms/System Malfunctions
- 5 Trees and Wires Down
- 3 Lift Assists
- 11 Water/Weather Related calls
- 4 Mutual Aid Calls
- 4 Canceled Calls

As always, we are recruiting and welcome the many new members that have joined us in the past year. I am proud of the commitment that our current and future members make to the town daily.

We had several unique incidents this year that the fire department handled well. As its well-known small, rural towns struggle with maintaining a FD with adequate staffing and being able to respond as needed to calls. The Stoddard Fire and Rescue has come a long way in a few short years to meet those needs.

We have several members currently enrolled in Advanced EMT training as well as EMT basic schooling. Medical runs continue to be the largest portion of our call volume but we are here to serve you as an all hazards department. I would like to thank SWMA our dispatch center, Cheshire County EMS our ambulance service and our Mutual aid partners that assist us in times of need.

Remember to call 911 in any emergency and please have your house number clearly labeled. On to next year!

Respectfully submitted,

Trevor Anderson

SFR Chief of Department

## CONSERVATION COMMISSION

In April 2021, three adjacent lots totaling 40-acres of ecologically significant, undeveloped land with 4,000 feet of shoreline at the southern end of Highland Lake went on the market.

The Conservation Commission investigated what could be done to acquire, protect and manage this land for the benefit of the residents, JFES students, and camp owners on Highland Lake, and to preserve the land's outstanding wildlife habitat and other natural resource values.

In May, 2022, the Conservation Commission, with blessings from the BOS, obtained a signed Option Agreement (OA) from the landowner to purchase the property. It took 10 months of intense negotiations to obtain.

Key provisions of the OA included:

- A nonrefundable Option Fee of \$25,000, applicable to the purchase price, due at the execution of the OA;
- Raising or receiving commitments for 75% of the funds needed to purchase (and close) by December 1, 2022;
- With the successful completion of the two aforementioned requirements, the OA was extended to June 30, 2023; it

required a second nonrefundable \$25,000 payment, also applicable to the purchase price;

- The final deadline for compliance with the terms of the OA required that all funds required to purchase and close needed to be raised (or received commitments) on or before May 30, 2023!

As we entered the 2023 New Year, we had raised \$1,206,221 towards the fundraising goal of \$1.5 million (\$1.3 million purchase price; \$100,000 towards project costs; \$100,000 for a Stewardship Fund),

however, we still had a daunting \$200,000 amount to raise in 5 months. We were not sure where this would come from! The following are some extraordinary examples of how the fundraising goal was achieved:

Two grants from the Bailey Foundation in November, 2022 and January of 2023 were critical in attracting the interest of 3 other “Friends of the Little Big Forest” where an \$110,000 match was created. This match became the incentive for private donations that provided another \$110,000 over the next 5 months.

A front page article in the February 18-19th, 2023 weekend edition of the Keene Sentinel increased public awareness of this exciting project.

On a drizzly, cold day on April 30th, 2023, JFES 3rd grader Jaxon Leonard organized a LBF fundraiser at the fire station. After 2 hours of selling hot dogs and other raffle items, he presented con com chair Geoff Jones with a paper bag containing \$935 dollars!

This amount was matched by the \$110,000 matching grant the 4 Friends of the LBF created. That resulted in doubling Jaxon’s total to \$1,870.

A woman from Westmoreland, with friends in Stoddard, read the story about the LBF in the February Keene Sentinel that gathered her interest. When she saw an April FB post about Jaxon’s stellar effort, she knew she HAD to become involved. She sent a check for \$1,500 to the LBF fund, citing Jaxon and the JFES’s student’s inspiring efforts. Her donation was matched, increasing it to \$3,000. When combined with Jaxon’s fundraising effort, JFES students helped raise over \$5,000 (in 2022, 5th grader Mason Bodner raised \$395 from a JFES movie night and Olde Home days lemonade campaign).

As the May 30th, 2023 deadline loomed, the fundraising goal was \$92,000 short of the \$1.5 million dollar goal.

In early April, 2023, with the help from Lynnette Batt, a regional manager with the Trust for Public Lands, a capstone grant requesting \$92,000 from an anonymous foundation was submitted by the chair of the conservation commission (with fingers crossed).

As a safety net, Article 24 was placed on the town warrant for “the Town to raise and appropriate \$63,000 in support of the purchase of Lot 125-021 & 020 and Lot 121-001 totaling 40 acres more or less (the Little Big Forest). It passed unanimously at the May 16th, 2023 Annual Town Meeting, with the promise to pay back the town by years end. Fortunately this appropriation was never needed!

In the next day’s mail, the commission received a confirmation letter stating that the \$92,000 grant has been approved. The Philanthropic Advisor cited the James Faulkner Elementary School student’s enthusiasm and involvement in the fundraiser as one of the reasons for the grant.

From the official signing of the Option Agreement by the landowner Mr. Wilson, on May 9th, 2022 to the May 15th, 2023 confirmation letter from an Anonymous Foundation in Maine, in a mere 12+ months, the Stoddard conservation commission raised \$1,524,000 million dollars, meeting all of the “impossible” deadlines and successfully closing on July 7, 2023 with the assistance of Tina Foster and Maine Street Title Services, LLC of Peterborough, NH. Land trusts, well versed in this process, usually plan on 24 to 30+ months to raise and complete similar projects.

Funding came from the following:

USFS: In June, 2022, the Little Big Forest was awarded a \$600,000 from the USFS Community Forest Grant Program. The LBF was one of only 12 projects funded nationwide; of the 12 projects funded, it is one of only FIVE to receive the maximum amount of \$600K!!

N.H. Land and Community Heritage Investment Program (LCHIP): On November 16, 2022 the LCHIP Board of Directors unanimously awarded the Little Big Forest a \$400,000 grant from LCHIP. It was the largest grant awarded in the 2023 round. (At the Sept. 2023 field review by the LCIP site team, I was told if “they” awarded points for passion, they would triple our score.....they must have awarded those points)!

NH State Conservation Committee Conservation Moose Plate Grant Program: On November 21, 2022 the Little Big

Forest project was awarded the full SCC 2023 grant award of \$30,000!

**Local Groups:** The following local foundations and organizations contributed to the Little Big Forest:

- The Bailey Foundation (Three \$20K donations: 1st on Nov. 22, 2022; 2nd on Jan. 13, 2023; and the 3rd on December 2023): Another \$40,000 is pledged in 2-\$20,000 installments in 2024);
- The Putnam Foundation on Nov. 3, 2022: \$25,000;
- Ashuelot River Hydro pledge in Dec. 8th Pledge: \$20,000;
- The Fidelity Charitable Fund Jan. 17, 2023: (Ariel Phillips and Gwyndaf Jones): \$5,000;
- The Lesser Foundation Nov. 22, 2022: \$3,000;
- The Keene Lions Club Oct. 11, 2022: \$1,000;
- The Highland Lake Unified Association Oct. 7, 2022: \$1,000;
- The Stone Ford Society Feb. 6, 2023: \$1,000;
- Anonymous Foundation in Maine: May 15, 2023 the capstone grant of \$92,000!

This is a breakdown of where the money came from:

- ✓ \$213,000+ from 290+ private donations
- ✓ \$260,000+ from 8 local foundations
- ✓ \$1,030,000 from 3 public agencies
- ✓ \$21,000+ miscellaneous

Since the successful closing on July 7, 2023, a Stewardship Committee for the LBF has been established, consisting of 3 members from the conservation commission, 3 members from road associations that abut the LBF, a member from the Board of Selectmen, and a teacher from the James Faulkner Elementary School (JFES). The committee is chaired by Robert Winterbottom (an abutter to the LBF off of Walker Rd.). The Steering Committee meets the second Wednesday of each month. The public is welcomed to attend.

In the fall of 2023, the Steering Committee held 3 public listening sessions to solicit ideas for stewardship from the public; the JFES elementary school held a school-wide listening session to gain input from the 60+ students who will be an important stakeholder in the LBF. Ideas for stewardship will be integrated into a Community Management Plan that has been drafted and is being refined for submission to the USFS in January 2024, as part of the grant requirements.

At the December 13, 2023 Stewardship Committee meeting, JFES 5th grade

teacher Maggie Forrestall submitted five applications from JFES students who expressed interest in being the school representative to the LBF monthly stewardship meetings. The Stewardship Committee was so impressed, that they suggest the 5 students form a JFES LBF Stewardship Committee, as a way of taking full advantage of the student's interest and enthusiasm. The plan, as of this writing, is to form a student stewardship committee under the guidance of Ms. Forrestall. They will meet twice a month during lunch and talk about programs and resource needs they would like to see at the LBF. The students will decide who reports each month to the committee.

The Stewardship Committee and Conservation Commission are working on refining Goals of the LBF Ownership that includes the following:

- To protect the ecological integrity of the 40+ acre (unmanaged) forest and 4,000 feet of undeveloped shoreline;
- To allow natural disturbances (wind, hurricanes, ice storms, micro bursts) continue to be the dominating force that determines natural forest succession, not the hand of man;
- To seek protection of abutting lands to the north and east of the LBF in order to protect the ecological and recreational values of the LBF;
- To provide educational programming for school children and adults of the ecological importance of the LBF to the ecosystem of the lake, the upland forest, and adjacent conservation lands;

- To provide low-impact public access for various forms of recreational, educational, and scientific use where appropriate;

- To continue to inform Stoddard residents, town government officials, and the public at large, about the importance of a healthy, vibrant, and biologically diverse forest resource in the town and beyond.

June 5th, local artist Richard Whitney completed a landscape portrait of the LBF to be used to commemorate the effort to protect the LBF. Copies of prints and stationary can be ordered on the LBF website (see link below). All proceeds go to the LBF stewardship fund.

On June 7th, 2023, the nine members of the graduating JFES 5th grade class made history on their annual 2-day canoe trip on Highland Lake. They were the first JFES class to camp overnight at the LBF; the first of what we hope will be many. The trip was organized and led by Kroka Expeditions, from Marlow. Low impact camping techniques were used, in keeping with good stewardship practices.

A half-page article in the Keene Sentinel appeared in the June 8th, 2023 edition.

On August 19, 2023, a celebration of the town's ownership and fundraising effort was held at Lake Falls Lodge, hosted by Don and Joyce Healy. Close to 100 friends, town officials, and representatives from supporting agencies attended.

Two areas of encroachment were discovered during the boundary survey of 2022 that involved two abutting landowners. One encroachment was 0.15 acres; the other was 0.44 acres. Both were appraised separately from the conservation land, so it did not impede that transaction. Agreements were reached over the summer and fall of 2023 and payments for the land were made to the town. The Planning Board will hold (held) a hearing and approval at their January 2024 monthly meeting. The plan is to place the proceeds from the sale of the land involving the two

encroachments into the stewardship fund. This may require a vote at the 2024 Annual Town Meeting.

The conservation commission picked up two new members in 2023, welcome aboard Jaelynn Stetson and Aaron Bryer.

LBF Plans for 2024:

The Stewardship Committee and Conservation Commission have agreed to construct a 10+/- car parking lot off of the Shedd Hill access entrance, where a kiosk, porta potty, and connecting trail will be located. The schedule for construction is in the spring/early summer of 2024.

As we enter the 2024 year, the stewardship fund has a robust \$110,000 in the bank, with another \$40,000 scheduled to be received from the Bailey Foundation in two separate \$20K installments in January and December of 2024.

It is important to note that not one cent of taxpayer money was used in the protection of the Little Big Forest: a promise made and kept!

To keep the stewardship fund flush, fundraising efforts will be on-going. We encourage all friends of the LBF who are inspired by our work to continue to make donations to the stewardship fund as they are so inclined.

Lastly: we want to thank the BOS, the Davis Library, Stoddard Historical Society, the Highland Lake and Island Pond Associations for their early endorsements and the 290+ residents of Stoddard, both year-round and seasonal for their generosity in helping to protect the Little Big Forest.

Respectfully submitted,

Geoffrey Jones, chair

## PLANNING BOARD

The Planning Board is an elected board consisting of six Members and one Alternate; the Select Board designates one Select Board person as an ex-officio Member with power to vote. The responsibilities of the Planning Board are to prepare and administer land development regulations such as subdivision, lot line adjustments and site plan reviews. In 2023 we had one site plan review, one pre-application hearing, and an extensive review of a possible site plan compliance issue.

The Planning Board is also responsible for updating the Master Plan and this has been a main focus of the planning board. A town wide survey and public forum were conducted with, unfortunately, an extremely low response rate to the survey. We feel strongly that the vision for Stoddard is much larger than this board and needs community involvement and input from both seasonal and full-time residents. The Planning Board will conduct additional surveys focused on specific topics within the Master Plan during 2024 and work to receive stronger feedback from the residents. If you have any interest in assisting with the Master Plan efforts, please reach out to the Planning Board.

We would like to thank Chris Madden for his service as ex-officio member for many years and Vickie Williams for serving in two roles as both Chair and Planning Secretary. This year we have seen the Planning Board gain new members. Bob Maden was elected to a one-year term, Rex Rodanas was appointed to a one-year term and Terri LaRoche joined as the new ex-officio representative from the Select Board.

Respectfully submitted,

Bob Maden – Chair, Jason Kovarik – Vice Chair, Vickie Williams – Secretary/Member, Jason Russell – Member, Rex Rodanas – Member, Terri LaRoche – Selectmen Representative, Harry Power - Alternate

## RECREATION PROPOSAL

At last year's town meeting, attendees voted in favor of retaining funds of over \$11,000 for the purpose of recreation. Now it is time to decide what to do with those funds.

In 2023, Inga Dellea created a public survey gauging interest in a variety of possible recreational activities and resources. After compiling over 100 responses, she found that there was the most significant interest in establishing a public beach/shoreline and a dedicated sledding hill. There was also significant interest in:

1. Community nature and stewardship activities
2. Fitness Programs and activities and
3. Community recreational programs such as family game and movie nights and live music/entertainment
4. Establishing a summer camp for kids

These initiatives and programs will take time and experience to coordinate and communicate on an ongoing basis. Therefore, Town Meeting this year will include a proposal to create a town-funded position of "Recreation Coordinator".

This person would be responsible for creating, facilitating, and communicating recreational and social events and services via a website, email newsletter, social media, flyers, and/or banners on a regular basis. They will also be responsible for continued monitoring of public needs and desires in regards to recreational programing. This could include coordination with the Conservation Commission and other owners of local forests, this could involve applying for grants that enhance access to recreational opportunities, this could also involve working with the school to develop year round recreational opportunities that enhance students educational and social needs.

The coordinator position is likely to take on many forms and evolutions as the needs of the town become fully understood. The benefit of this position will making sure that there is a variety of activities here in Stoddard and that these activities, events, and services are known to the public.

More detailed results of the survey can be shared upon request. If you are interested in learning more about these possibilities or have any other questions, comments or concerns, please reach out to Inga Dellea at [idelleamessner@gmail.com](mailto:idelleamessner@gmail.com) or to Michelle Pong at [Townadministrator@stoddardnh.org](mailto:Townadministrator@stoddardnh.org). Please reach out, also, if you would be interested in joining a Town Recreation Board or Committee.

## ZBA

This report positions the role that the Stoddard Zoning Board of Adjustment (ZBA) provides for the taxpayers of the Town, and reports on the organization and activities of this Board for this past 2023 calendar year.

The Stoddard ZBA parallels the role of all NH municipal ZBAs – to act as a quasi-judicial body to balance the rights of the individual property owner with the interests of all the citizenry as embodied in the regulations of the Town Community Planning Ordinance (CPO). In short, the role of the ZBA is to interpret the CPO and apply its intentions while recognizing an individual's right of usage of his/ her unique property.

The ZBA is considered a “land use board” under State statutes. It derives its powers from those statutes, specifically RSA 674:33 and 674:33-a, which together provide that a town ZBA has the authority to hear and decide appeals of individual property owners to specific regulations in the CPO. These appeals fall into four separate and distinct categories: (1) Appeal from Administrative Decision; (2) Approval of Special Exception; (3) Grant of Variance; and (4) Grant of Equitable Waivers of Dimensional Requirement.

A brief description of each of these appeals is at the end of this report\*. Forms for each of these appeals for submittal to the Stoddard ZBA are available on the Town website: Boards and Committees>> Zoning Board of Adjustment >> Documents.

All meetings of the ZBA are public meetings. Unless specifically excluded by State Statute, all business of the ZBA is subject to open access via the State Right-to-Know-Law.. All appeals that are heard by the ZBA are publicly noticed in advance per State and Town protocols and include a public hearing seeking input from the applicant, abutters, and other interested parties.

Per State Statute, a ZBA is comprised of five full members, plus alternate members; the latter have the right to vote when sitting for member absences. At least three voting members (full members plus seated alternates) comprise a quorum to conduct the business of the ZBA. Importantly, a minimum of three members must concur for any appeal decision of the Board.

In Stoddard, ZBA members and alternates are appointed by the Selectmen. Currently the Stoddard ZBA has five full

members and two alternate members, listed below with their expiries:

- The full members are:
  - o Herb Healy, Chairperson (current term expires 2024);
  - o Franz Haase, Vice-Chairperson (2026);
  - o Jason Kovarik (2025);
  - o Doug Summerton (2026); and
  - o Bud Record (2025).
- The alternate members are:
  - o Milosh Bukovcan (2025).
  - o Loren Patten (2026)

Kathleen Ellis serves as the ZBA Secretary and is the “go-to” person for applicants leading up to the public hearing. All the members appreciate and thank her for her diligent and timely work.

The Stoddard ZBA schedules regular meetings on the 3rd Thursday of each month at 7:30 PM at the Town Hall. Special meetings may be called for site visits or continuances, or other pending business with time constraints. These are in-person meetings, but an applicant, abutter, and/ or other interested party can request on-line participation by prior arrangement with the Secretary.

The procedures by which the Stoddard ZBA conducts its business are formally documented in the ZBA Procedures which are posted on the Town website.

During calendar year 2023, the Board met each month and heard 16 appeals consisting of 6 for variance and 10 for special exception representing a 4-fold increase in appeals activity (the ZBA averaged 4 appeals per year over the previous 3 calendar years). Nine of the ten Special Exception appeals were to the Wetlands Ordinance (Article XII of the CPO), reflecting recent Town compliance oversight and enforcement proceedings of waterfront property projects. The ZBA expects the recent level of appeals is indicative of activity going forward.

The budget for the current FY ending June 30, 2024 was \$9775. The ZBA budget is largely driven by the number of appeals we review and decide, primarily the costs for payroll, advertising (public notifications), postage, and legal services. Based on the recent appeals level, the requested budget for FY ending Jun 30, 2025 is \$12,325.

A note regarding legal services: while they are not linearly driven by number of appeals, the higher the number of unique cases the greater the likelihood for need of legal

advice. The ZBA makes use of the New Hampshire Municipal Association Legal Services, comprised of attorneys that are experts in State Statutes and NH judicial case law. This service is free to Boards and Committees of local municipalities, and while they will not provide legal advice with respect to a specific appeal of a specific Town Ordinance, they provide valuable guidance on interpretation of State Statutes and decisions of the State Supreme Court. We utilize these free services to the extent possible, supplemented by advice from our Town Counsel re specific appeals.

It is important to understand that the budget increase is not a net cost increase to the Town. The ZBA does not operate as an independent business unit; its budget does not reflect the income from fees that the ZBA collects from appeals by property owners. These fees cover certain costs for review of appeals as mandated by State Statute. The fees go to the Town Treasurer, not to the ZBA, and this

income is not reflected in the ZBA budget. The increase in the ZBA budget reflecting the increased number of appeals will be largely if not entirely off-set by those fees.

During this past year, the ZBA reviewed and adjusted its fee schedule for appeals per those State Statutes; these fees are posted on the ZBA website as follows:

- Fee for processing an application (appeal) -- \$75
- Fee for public notice (Keene Sentinel) -- \$75
- Fee for notification letters -- \$8/ abutter, plus \$8 for applicant

The members of the ZBA appreciate and continue to utilize various training opportunities offered, especially the training provided by the NH Municipal Association. This training provides the members and alternates of the ZBA with valuable experience and expertise on a range of State Statutes and municipal case law from which we glean insight that is helpful to our roles and responsibilities.

Lastly, although we operate as an independent board we acknowledge and appreciate the role that the Conservation Commission serves for certain types of appeals, and the support of the Town Administrator, the Board of Selectmen, the Town Compliance Officer, and the Planning Board that together seek to execute the provisions of the CPO for the benefit and protection of the landowners and citizens of Stoddard.

Respectfully,

Herb Healy, Chairperson, Town of Stoddard Zoning Board of Adjustment

*\* The following is a brief description of the four types of appeals, excerpted and revised from previous Town of Stoddard Annual Reports. Thank you to those previous authors. (Note: These descriptions have been parsed from several sources and rephrased. THE ACTUAL TOWN CPO IS WHAT WILL BE USED IN ANY APPEAL.)*

**APPEAL FROM AN ADMINISTRATIVE DECISION-** If an applicant has been denied a building permit or is affected by some other decision regarding the administration of the CPO, and believes the decision was made in error under the provisions of the ordinance, the applicant may appeal the decision to the ZBA. The appeal will be granted if it is shown that the decision was made in error.

**SPECIAL EXCEPTION-** Certain sections of the CPO provide that a particular use of property in a particular zone will be permitted by special exception if specified conditions are met. The necessary conditions for each special exception are given in the ordinance. The appeal for a special exception will be granted if the applicant can show that the conditions stated in the ordinance are met.

**VARIANCES-** Under special circumstances, an applicant may apply to be granted relief from application of the strict terms of the Community Planning Ordinance (CPO). This may be a "use variance" which allows the applicant to establish a land use that is not permitted under the zoning ordinance, or an "area variance" which gives the applicant relief from a dimensional requirement for an otherwise permitted use. To grant this relief, it must be established that all five of the following conditions are met:

1. Granting the variance would not be contrary to the public interest;
2. The proposed use is not contrary to the spirit of the ordinance;
3. Granting the variance would do substantial justice;
4. The proposed use would not diminish surrounding property values; and 3. Denial of the variance would result in unnecessary hardship to the owner.

**EQUITABLE WAIVER OF DIMENSIONAL REQUIREMENTS-** If an applicant discovers an existing dimensional nonconformity after the structure was substantially completed or after a vacant lot in violation had been transferred to a bona fide purchaser AND the nonconformity was caused by a good faith error in measurement or calculation, the applicant may appeal to the ZBA. If it is determined the nonconformity does not constitute a public or private nuisance nor diminish the value or interfere with future uses of other property in the area AND the cost of correction would far outweigh any public benefit to be gained, the ZBA may grant the waiver.

## TRUSTEES OF THE TRUST FUNDS

### Members:

David Lesser, chairperson (cblesser@gmail.com)

Maureen Meyer (meyer03464@yahoo.com)

Dean Dorman (deanpdorman@gmail.com)

The purpose of this committee is to manage the trust funds allocated for investment and future use by Stoddard constituents including the town, school, road associations, and village districts. We meet as needed to disburse funds and monitor investments. For more detailed information regarding any of the 15 funds listed below, free to contact any of the members of the group. To mail us any requests or deposits please use PO Box 845, Stoddard, NH 03464. Our meetings are open to the public, and the meeting time, location and agenda is always posted ahead of time on the Stoddard town website.

We are most appreciative of Terri LaRoche during her tenure as a trustee. Once she was elected as a selectman Terri could no longer be a trustee, although she remains a great support to our group! And a welcome to Maureen Meyer as our newest trustee. Maureen comes with years of experience as an educator with much technology experience. And Dean Dorman continues to be an important member of our team of trustees.

All fifteen accounts are monitored regularly by the trustees. Thirteen of the accounts are invested in the New Hampshire Public Deposit Investment Pool (NHPDIP). The Ruth and Emerson McCourt Cemetery Fund is invested at LPL Financial, and we allowed to use only the interest to maintain headstones at the Mt. Stoddard Cemetery. The Little Big Forest account was at TD Bank. All transfers both into and out of NHPDIP are done through a checking account at TD Bank. All transfers in and out of the McCourt Fund and the Little Big Forest funds are done through a checking account at Savings Bank of Walpole.

We are pleased to play a part in the support of the Little Big Forest project! Aside from grant money, local donations and online donations through Zeffy were held by us for the property closing. We continue to keep the Zeffy account open so anyone who still wants to donate to the new steps of the LBF project are welcome to do so.

Trustees of the Trust Fund Balances as of December 31, 2023:

Little Big Forest:	\$4.87

## TOWN GARDENING REPORT

Volunteer gardeners were quietly at work this past spring/summer offering colorful arrangements for public enjoyment! I worked directly with the library staff to tend to the shrubs, beds and flower boxes at the library. The Shedd Hill boxes (see photo) and fire house pots were lovingly tended by the following town gardeners: Barbara Cleveland, David and Charlotte Lesser, Christine Haase, Amy Lavoie, Sherry and Milosh Bukovan, Vicki Hall, Sam DuBreuil and Rick Flanagan. and Sabine Duran.

We can use more volunteers to keep Stoddard looking its gardening best. In addition to helping with the above-mentioned flower locations, there are plants that always need tending at the Gould House, Town Hall, the gazebo area. Anyone interested in joining our team please feel free to contact me at cblesser@gmail.com or 603-209-9003.

**STODDARD HOME/GARDEN TOUR!** Mark July 13 (Old Home Days) from 12-4 PM for a tour of some homes and gardens in town. There is no admission price, but donations always welcome! Parking will be at the school, with shuttles running between spots to ease garden site parking issues. We will also need docents at touring sites, and some shuttle drivers. If you are willing to help, please contact me at the email or phone number listed in the previous paragraph. Help celebrate Stoddard 250!

In times of stress many of us look to nature for joy and relaxation. Even if you can't join us on any of the town gardening projects, enjoy the natural beauty that surrounds us in Stoddard. It makes a difference to life quality! Thanks.

David Lesser

**TOWN CLERK/TAX COLLECTOR REPORT**

This year has been a very busy one. In May of 2023, the town residents elected me, Karen Bell, as the Town Clerk/Tax Collector.

Stoddard has a great team of clerks! Deborah McGerty and Patricia Marotta continue to serve as assistant clerks. Notably, Deb's knowledge and expertise in tax collection have been especially helpful! Both Deb and Patty have multiple years of experience working in this office. This has made my transition back into my Town Clerk/Tax Collector role much smoother. I am very honored to work with such a competent, hard-working, and devoted team of clerks!

In March of 2023, Nancy McNeal was hired as an Assistant Town Clerk/Tax Collector. She exemplified the desire to serve our residents. Nancy came to us with a Bachelor's degree from the University of Hartford and decades of office management, customer service, and information technology experience. She also maintains a CPR/AED/First Aid certification. Upon my election to the Town Clerk/Tax Collector position in May 2023, Nancy was appointed as my Deputy. Nancy has taken training in Elections, Motor Vehicle Registration and Titles, Boat Registration, Vital Records, and Dog Licensing. She has earned a Joint Certification from the New Hampshire Town Clerk Association and the New Hampshire City and Town Clerk Association. Governor Chris Sununu appointed Nancy as a Notary Public in August 2023. In November 2023, she assumed website training to evolve our Town Clerk and Tax Collector pages on the Stoddard website and to post current news/events.

2024 is a busy Election year! The Presidential Primary was held on January 23rd and was a success. Next, we have our Annual Town Election on May 14th. The State Government Primary will be held on September 10th. Lastly, the Presidential Election will be held on November 5th. Election laws continue to change. Due to these changes, there are multiple trainings which all the clerks need to attend.

Like every year, there is continuous training and learning necessary to ensure we are up-to-date in our knowledge of amended State laws, regulations, and procedures regarding

Elections, Registrations (Motor Vehicle, Motorcycle, Boat, Trailer, Equipment), Vital Records (Birth, Marriage, Death, etc.), Licensing (Marriage, Dogs), Dock and Wetland Permits and property taxes. We assign Transfer Station Stickers and maintain a database. The Town Clerk/Tax Collector and Deputy Town Clerk/Tax Collector, and Deborah McGerty are notaries public. Our Tax Collector's office is busy with property tax billing, collection and necessary reporting.

Thank you for giving me the opportunity to continue to serve as your Town Clerk/Tax Collector!

Karen Bell

**STODDARD FOOD PANTRY**

A few years ago, a small group of residents came to the Selectmen with a humble request to start a local Food Pantry. They didn't know much about how to begin, but they struck out with a mission to fill a need in town. Today, the volunteers that run this endeavor are tireless and fearless, gathering food stuffs each week in order to feed up to 85 people a week.

In response to increased demand, the volunteers once again approached the Selectmen for help. They were looking for safe, clean and appropriate storage of food items, along with enough room to facilitate packing and delivering items to their clients.

Toward that end, the board approved spending on the Old Fire Station conference room. This included pouring a new floor, adding insulation and heat. This space will serve to add to the good works that volunteers are doing to help their fellow residents, as well as contribute to the value and maintenance of this underutilized structure.

The Selectmen wholeheartedly support the work of the dedicated individuals that are quick to act and follow through with real solutions for real problems.

## CEMETERY COMMISSION

The Town has six cemeteries (New and Old Dow Hill, Robb, Jefts, New Town, Stephens and Joslin) that are within the responsibilities of the Cemetery Commission. We make every effort to address issues and with the help of the Town residents can ensure that required maintenance (tree limbs, headstone repairs, etc.) is quickly identified. We encourage feedback from the town and please be sure to let us know if you notice any issue while visiting any of the Town's Cemeteries. An update for 2023 follows:

### Commission Members and Meetings

The Cemetery Commission members are the following:

Name	Term Expires
Barbara Ewels	2024
Carolyn Ewels	2025
Jim Anderson	2026

We meet regularly as a group and had our public meeting on 29 August 2023. In the interest of bringing in new ideas and energy, we will be looking for new commission members and volunteers in 2024. If you are interested, please let us know.

### Burials in 2023

We have had three burials in New Dow Hill this year: Lewis Clark, Michael Turner and Antonia Sullivan. We also had four burials in New Town Cemetery: Francis Reed DeLong, Albert DeLong, Peter Paronen, Raymond Reed—all urns placed in the Reed family-owned area.

### Plots Available

In the New Dow Hill cemetery, no plots were sold back to the town and 1 was purchased. At present there are a total of 27 plots available, compared to 28 plots available at the end of 2022.

### Grounds and Upkeep

The upkeep of the cemeteries has been performed in 2023 by Bob Curnutte and Michael Shawver. They have done an exceptional job in keeping the grounds looking great, even in the face of the July rain!

We would like to note that Bob Curnutte has decided that he will no longer work on the Cemetery grounds. We will miss Bob's dedication and the care he gave to the cemeteries over the years.

### Additional Activities

While our primary focus has been on assisting burials and up-keep, we have continued to maintain our digitized records of available deeds, plot ownership, and burials, primarily focused on the New Dow Hill cemetery. In addition, we have updated the maps of Veteran gravesites, and taken pictures of all the Veteran headstones, for flag placement on Memorial Day.

### Budget

Table below is a summary of the budget, to date per our accounting. In 2024 we are planning to apply some of the trust funds towards headstone cleaning and upkeep, as allowed by the trust funds.

Line Item	Current Year Budgeted	Current Year Expenditures
Balance Remaining (as of Dec 2023)		
Cemeteries – (Maintenance)		
MTCE Supplies	\$300	\$0
Plot Repurpose	\$0	\$0
Cemeteries – Eqp Rental / Use	\$600	\$90.00
Cemeteries – Gas	\$75	\$0.00
Cemeteries – Professional Services	\$7300	\$3150
Cemeteries – Payroll	\$3250	\$1166
Cemeteries – Professional Dues	\$70	\$0
Total	\$11,595	\$4406

Finally, we would like to extend our gratitude to the Faulkner School teachers and students that once again were responsible for placing flags at the gravesites of our veterans for Memorial Day. They completed the assignment with enthusiasm and great respect.

## CONTOOCCOOK & NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE (CNBRLAC)

The Contoocook & North Branch Rivers Local Advisory Committee, (CNBRLAC) completed a productive year in 2023 with a full slate of meetings and monitoring activities for the Contoocook and North Branch River communities. The Committee met in person monthly at the Monadnock Paper Mills in Bennington and shared our meetings via Zoom.

Established in 1988, the CNBRLAC represents the fourteen communities that the rivers run through; Antrim, Bennington, Boscawen, Concord, Deering, Greenfield, Hancock, Henniker, Hillsborough, Hopkinton, Jaffrey, Peterborough, Rindge, and Stoddard. The CNBRLAC performs statutory duties including permit review and management plan coordination. The CNBRLAC provides a voice for the Contoocook and North Branch River towns and cities through the river's designation in the New Hampshire Rivers Management and Protection Program. The CNBRLAC updates the Contoocook and North Branch Rivers Corridor Management Plan (CNBRCP) <https://www4.des.state.nh.us/blogs/rivers/wp-content/uploads/ctc-plan.pdf> and coordinates the activities in it. Work on an updated plan continued in 2023. The CNBRLAC website is [www.cnbrlac.org](http://www.cnbrlac.org). (As always, special thanks to river lover Luciano Lipari of Antrim for his volunteer creation and maintenance of our website).

This past year the CNBRLAC reviewed and commented on eighteen (18) proposed projects for Wetlands, Shorelands and Alteration of Terrain permit applications within the Contoocook and North Branch River's watersheds. There were a few major projects reviewed including a wetlands permit for the bridge proposed by NHDOT for the Jaffrey roundabout at Routes 124 and 202, work force housing projects in both Hillsborough and Peterborough and a mixed-use commercial project on Route 9 in Antrim. Smaller projects typically included improvements to homes/camps along several of the impounded lakes/ponds along the river. In general, CNBRLAC comments to NHDES included reducing or limiting additional impervious areas (pavement), encouraging natural existing shoreline vegetation as much as possible, enhancing shoreland areas with additional trees/plantings and encouraging low impact development (LID) infiltration techniques.

Representatives from the committee are regularly promoting the protection of the river and interests that the river supports. Several members are either current or past legislators who work within those roles to help the river and others are members of town boards such as Conservation Commissions.

The Volunteer River Assessment Program (VRAP) Monitoring Program marked its twenty-fifth year in 2023. It is meant to "promote awareness and education of maintaining water quality in New Hampshire's rivers and streams. VRAP coordinates a regular volunteer-driven water quality sampling program to assist NHDES in evaluating river water quality throughout the state." The VRAP Monitoring Program depends on the high-quality work of many of CNBRLAC's members and non-members each year who monitor river and stream health on the Contoocook and North Branch Rivers, and their tributaries at over ten sites between Rindge and Concord. During the summer, volunteers collect river water samples and record the results of in-field testing. The resulting data are used to evaluate the condition of the water quality of the rivers. The information is shared with NHDES, municipalities and their local officials, as well as to the State of New Hampshire and the US Congress. This data is available for viewing at [Publications | NH Department of Environmental Services \(acsitefactory.com\)](https://publications.nh.gov/department-of-environmental-services/acsitefactory.com).

CNBRLAC's elected officers which include Matt Lundsted, Chairman; John Haley, Treasurer and Marco Philippon, Secretary were re-elected for 2023. Regrettably long time member John Haley has given up his role as Treasurer for 2024 as well as membership and will be severely missed but will hopefully continue to send us wildlife pictures from his new home.

Among other "retirees" from the Committee over the year, founding member Rod Zwirner of Antrim "retired" after 35 years of service. We would like to thank him for all of his work over the years both as a member of the Antrim Conservation Commission and the LAC. If we had one, we would award him with the CNBRLAC Lifetime Achievement Award- the CNBRLACLAA!

Despite multiple retirements, the LAC also added four new members from four different member communities.

The CNBRLAC work would not be possible without the generosity of all fourteen of its municipal supporters. Their support assures that the program has the resources that it needs to continue. Special thanks goes to Monadnock Paper Mills (MPM) as they provide the committee with an in-person monthly meeting space which provides for a consistent venue with convenient accommodations.

The CNBLAC meets monthly on every third Monday at 7:00 PM. If you are interested in attending or participating, please see our website [www.cnbrlac.org](http://www.cnbrlac.org) for more detailed in-person meeting and Zoom meeting information. All are welcome to attend the meetings. For further information, please contact Matt Lundsted, Chairman via telephone at 603.424.8444 ext. 305, email at [mlundsted@ceiengineers.com](mailto:mlundsted@ceiengineers.com) or through your local representative, Ruth Ward.

## **LAKE HOST PROGRAM AT GRANITE LAKE**

The Granite Lake Association completed its 22nd year of participation in the Lake Host Program, coordinated by the New Hampshire Lakes Association (NHLakes). New Hampshire had the wettest summer on record across all of June, July and August which resulted in a decreased number of hours at the boat ramp. Despite far fewer boaters, we saw the statewide number of suspicious specimens caught and removed before infesting a lake increase from 6 to 9 over last year. This increase is concerning and proves the value of this program.

The Lake Host Program works hard to keep New Hampshire lakes free from invasive species of both plant and animal life. Weekday volunteers and paid weekend employees staff public boat ramps across the state and offer free inspections of watercraft, looking for plant and animal matter that might be hiding on a boat. These inspectors also educate and inform boaters about the “Clean, Drain and Dry” messaging which has now become state law in New Hampshire.

In 2023 the Granite Lake boat ramp was staffed by 4 paid lake hosts and 17 volunteers who are trained in how to inspect boats. Each volunteer donates two hours of time every week. Our paid lake hosts logged 273 hours and our volunteers 239 hours, inspecting 392 arriving and departing boats. These numbers are lower than last year due only to the record amount of rain during the summer of 2023.

Our ability to maintain this program on Granite Lake over the past 22 years has been made possible by continued monetary support from the towns of Nelson and Stoddard. As always, we give all of our hosts and these towns a big thank you for helping us protect our beautiful lake.

Sincerely,

Sharon O'Brien Iagulli and Jen Pepin, Co-coordinators  
Lake Host Program at Granite Lake

## **COMPLIANCE OFFICER**

This past year proved to be another busy year for Building Permits. There were 64 approved permits with a total declared assessed value of \$3,881,679 to be added to the tax base.

A breakdown of the 64 permits were 9 new homes, 11 garages, 8 home additions, one commercial and 10 sheds. The other 25 additional permits to make up the total were for Solar Panels, docks, patios, carports, etc.

At this writing we have 3 pending violations in the Shedd Hill area and 2 of the 3 are pending in Superior Court. The third property is to be restored to its original status per the NH Shoreland mandate. There is one Shoreland Violation on Island Pond which is before the state at this time and could possibly include Stoddard ZBA involvement.

There is also one property in the Granite Lake area that has been issued a Cease & Desist on a nonauthorized build. The issue will have to be resolved.

If your property is situated on the WATERFRONT, the NH Shoreland Act includes all land from the reference line (normal highwater mark) back 250 feet. Property within 50 ft of the wetlands, or 50 ft from the reference line would involve Stoddard Zoning Board of Adjustment overview.

If you are planning a project, whether it involves the Shoreland Act or not, before proceeding do not hesitate to call me for information or a site visit. No one likes to be told what they can or cannot do with their property, however every town has rules and regulations and the Town of Stoddard is expanding rapidly with building projects and there has to be some degree of order. We should all consider ourselves fortunate to live in this beautiful little hamlet called Stoddard and let's work together to keep it that way.

Respectfully Submitted by Harry Power

## FOREST FIRE WARDEN'S REPORT

Overall we had a very wet summer, so we were fortunate enough to not have many issues with brush fires. We did have an unusual brush fire on the island in the middle of Pioneer Lake that required several hours of mutual aid assistance from Nelson, Marlow, Gilsum, and Peterborough as well as a visit from Ranger Tyler Jefferson. This was due to the difficulty of accessing the island with the required equipment needed to put out the fire.

***It is very important to never leave fires unattended and to make sure they are completely out to prevent a rekindle.***

Last year we issued a total of 184 burn permits compared to the 207 we did the previous year.

Here are some friendly reminders:

- All types of open fires require a permit. Seasonal permits for Cat I & II fires require annual renewal each year.
- All new fire permit purchases require an inspection from the warden or one of the deputies. This includes all Category III permits that are required for burning brush. These are NOT available online, you must call to get one.
- All open fires must be always attended.
- Permits are not required in the winter if we have significant snow cover. Your burn area must be surrounded by 100 feet of snow.

We are here to educate the community so that we can enjoy the great outdoors so please don't hesitate to give us a call if you have any questions.

## **SOME FRIENDLY REMINDERS WHEN VISITING OUR TRANSFER STATION**

SMILE – new security cameras have been installed at the Station for your safety and for the protection of all users of the facility.

HAVE THE CORRECT STICKER – All Access stickers are BLUE and MUST be affixed to your vehicle. Attendants are instructed to refuse service to anyone presenting an All Access sticker that is not affixed. Limited Access stickers do not need to be affixed, and are meant for vacation renters. These will allow visitors to dispose of household waste and recyclables only.

ONE TRUCK OF CONSTRUCTION PER WEEK – only one pick-up truck of construction and demolish debris is allowed per week, per household. Larger disposal needs should be utilizing a private dumpsters.

RESIDENTIAL USE ONLY – businesses are not permitted to use the Transfer Station.

8 TIRES ARE ALLOWED PER YEAR – This is for car and light truck tires only. Please do not overflow the dumpster with items from other communities or businesses.

HOLIDAY CLOSINGS – if a holiday falls on the weekend and the facility is closed (such as Easter, Christmas, 4<sup>th</sup> of July) it will be open the following Monday.

BE KIND – our attendants will work hard to make sure everyone has a chance to dispose of their waste in a safe and friendly facility.

### **IF YOU SEE SOMETHING, SAY SOMETHING**

The Selectmen are dedicated to reducing the cost of Solid Waste disposal and have put rules in place to control expenses while keeping the facility free of charge and accessible to all authorized users. If you see violations, please contact the Town Administrator at 603-446-3326 x103. Photos of violators are appreciated as well, and can be emailed to

## DAVIS PUBLIC LIBRARY

### REVIEW AND UPCOMING HAPPENINGS

The Davis Library enjoyed a busy year in 2023, circulating 2317 items physically and 2211 electronically. It also hosted numerous monthly and weekly programs on a variety of topics and interests, from egg science and wild animals to fitness to pharmaceuticals! One exciting new resource that came to us in 2023 was Tumblebooks, an online literacy and learning platform full of animated picture books, ebooks, educational games and videos! It can be

Sign up for monthly updates and newsletters by calling or emailing, or register for the newsletter right on the website at [davispubliclibrary.org](http://davispubliclibrary.org).

Some major goals for 2024 are:

1. Strengthen the relationship with the James Faulkner Elementary School
  2. Develop and promote more resources and opportunities for early learning and homeschooling families.
    - a. Add more Learning kits (collections of books and props in a pack that you can check out. Bringing literacy to life!)
    - b. Promote digital resources like Tumblebooks
    - c. Add a children’s page to our website, [davispubliclibrary.org](http://davispubliclibrary.org).
    - d. Create homeschooling and parenting groups
    - e. Provide more Foreign Language and diversity-based resources and programs
  3. Add more digital titles that will be dedicated exclusively to our card holders
  4. Increase our ability to make home deliveries for people in need of them
- We look forward to another wonderful year serving Stoddard!

## Fund Balance Retention

<b>Enterprise Funds and Current Year Bonds</b>	<b>\$0</b>
<b>General Fund Operating Expenses</b>	<b>\$5,944,490</b>
<b>Final Overlay</b>	<b>\$37,096</b>

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." Police Department. Majority vote required. Recommend by Board of Selectmen.

**Article 7 Moved by David Vaillencourt. Seconded by Bob Fee.**

Article 7 discussion:

Doug Summerton – what was in the budget for \$70,000.00 dollars?

Dave Vaillencourt – looking for a replacement officer? If money is not in the budget, he cannot hire anyone.

Michelle Pong – 5000 for cruiser, misc – 3000, office data – 500, supplies – 500, postage – 110, payroll – 41,000 detail – 500. Dues – 200 and telephone – 3000. Animal Control expenses are also included in the Police Department budget. Terri LaRoche – Is there any way to bring down these figures.

**Article 7 Moved by David Vaillencourt. Seconded by Bob Fee. Article is Adopted as written.**

#### **Article 8: Davis Public Library**

To see if the town will vote to raise and appropriate the sum of \$48,913.00 for the operation of the Davis Public Library. [Per RSA 202-A:11, the funds raised and appropriated, other than payroll and utilities, shall be paid over to the Library Trustees pursuant to a payment schedule as agreed upon by the Library Trustees and the Selectmen.] Majority vote required. Recommended by the Board of Selectmen.

**Article 8 Moved by Kathy Ellis. Beatrice Record Seconded.**

Terri LaRoche – Worried about the low salaries of the librarian and assistants. Should increase by \$3,000 and amend the article. Giving \$1.00 to the librarian and \$2.00 to the clerks.

George Davenport – knows little about the Library but the people have not asked for a raise should stick to the original number. There are processes in place and time lines set.

Gerri Bailey – Chair of Library – no they did not ask for raises – data gathered town equals size they are being paid about the same.

Don Healy – The board of trustees set the budget. They did not check salaries one clerk is making 12.50 and another clerk 14.50.

Margo Santoro totally supports this amendment.

**Terri LaRoche moved to Amend Article 8 by \$3,000.00 to make the sum \$51,913.00. Jason Kovarik Seconded. Amendment passes.**

**Article 8 Moved by Kathy Ellis Moved as amended to \$51,913.00. Beatrice Record Seconded. Article is Adopted as Amended.**

#### **Article 9: Lake Host Program**

To see if the town will vote to raise and appropriate the sum of \$19,500.00 for the Lay Monitoring Lake Host Programs

and water testing. Majority vote required. Recommended by the Board of Selectmen.

**Article 9 Moved by Margo Santoro. Seconded by Bob Fee. Article is Adopted.**

#### **Article 10: Cemeteries**

To see if the town will vote to raise and appropriate the sum of \$11,595.00 for the operating budget of the cemeteries. Majority vote required. Recommended by the Board of Selectmen.

**Article 10 Moved by Harry Power. Doug Summerton Seconded.**

Terri LaRoche – With the McCourt line item being removed from the Cemetery is there enough money to cover expenses?

Jim Anderson – Trustee Cemetery Commission – We increased the budget from \$11,245.00 to \$11,595.00 which will be able to cover all expenses.

**Article 10 Moved by Harry Power. Seconded by Doug Summerton. Adopted as written.**

#### **Article 11: Ambulance**

To see if the town will vote to raise and appropriate the sum of \$13,000.00 for providing ambulance services and other related services. Majority vote required. Recommended by the Board of Selectmen.

**Article 11 Moved by Chris Madden. Bob Fee Seconded.**

Trevor Anderson – Fire Chief would like to Amend Article 11 to \$65,000.00. Diluzzio closed its business as of May 2, 2023. Will have free service through June 30, 2023 at midnight.

Bob Fee – informed on how it worked out, the extra money needs to be added to the budget.

Dan Eaton – opposes the amendment told last year it would not be around. Cheshire County set up an ambulance/ems services for Southwestern NH. Rescue Inc has 2 ambulances based in Keene. Rescue Inc told them during a meeting that it was just an experiment. Cheshire Hospital gave an exclusive contract to CMS. They will offer services for \$13,000.00 for one year.

Terri LaRoche – have not picked out a contract?

Bob Fee – Did not have time to look at the options. Bobs concern is to have an ambulance. Should check all our options on Ambulance Services and the money should be there so we can check those options out and have the money there to cover expenses.

**Trevor Anderson Moved that Article 11 be Amended to \$65,000.00. Jen Merrill Seconded. Amendment passes. Article 11 will be increased to \$65,000.00**

**Article 13 Moved by Bob Fee. Dan Eaton Seconded. Article is Adopted.**

**Article 14: Fire Department Vehicle Capital Reserve Fund**

To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to be added to the Fire/Rescue Vehicle Capital Reserve Fund previously established. Majority vote required. Recommended by the Board of Selectmen.

**Article 14 Moved by Trevor Anderson. Seconded by Steve Rockwell. Article is Adopted.**

**Article 15: Home Healthcare**

To see if the Town will vote to raise and appropriate the sum of \$800.00 to Home Healthcare, Hospice and Community Services to support the continuance of visiting nurse and home health services being provided to the residents of Stoddard. Majority vote required. Recommended by the Board of Selectmen.

**Moved by Pat Putnam. Seconded by Jean Slepian.**

Lisa Davenport – wants to know where the figures come from for these groups that ask for money?

Michelle Pong – These amounts are what was asked for by these particular groups.

**Article 15 Moved by Pat Putnam. Jean Slepian Seconded. Article is Adopted.**

**Article 16: Monadnock Family Services**

To see if the Town will vote to raise and appropriate the sum of \$1,717.00 for Monadnock Family Services, a non-profit agency which provides quality mental health services to residents of Stoddard, which is requesting said amount to help underwrite the cost of services provided to residents. To see if the town will vote to raise and appropriate the sum of \$10,000.00 to be placed in the Emergency Capital Reserve Fund, previously established, for the purpose of funding unexpected losses or repairs to town buildings or equipment that require immediate attention and cost over \$5,000.00. Majority vote required. Recommended by the Board of Selectmen.

**Article 23 Moved by Chris Madden. Joanne Vaillencourt Seconded. Article is Adopted.**

**Article 24: Con Com Land Purchase**

Shall the Town vote to raise and appropriate \$63,000.00 in support of the purchase of Lot 125-021 & 022 and 121-001 totaling approximately 40 acres, more or less, of land located on the shore of Highland Lake, referred to as the Little Big Forest, to be funded with \$63,000.00 from the unassigned fund balance. Majority vote required. Recommended by the Board of Selectmen.

NOTE: The town has applied for grants to support the purchase of the property.

**Moved by Geoff Jones. Seconded by Jason Kovarik.**

Geoff Jones – Recommends this article. It is to help pay for closing costs only. This money is to bridge the gap from closing to the execution of all grants. The money will be returned to the voters. An anonymous grant request could exceed the money needed to close.

**Article 24 Moved by Geoff Jones. Jason Kovarik Seconded. Article is Adopted.**

**Article 25: Community Volunteer Transportation**

To see if the town will vote to raise and appropriate the sum of \$500.00 for the purpose of funding the Community Volunteer Transportation Company. Majority vote required. Recommended by the Board of Selectmen.

**Article 25 Moved by Dick Fadden. Angel Nicoletti Seconded. Article is Adopted.**

**Article 26: 250<sup>th</sup> Celebration**

To see if the town will vote to raise and appropriate the sum of \$18,000.00 for the purpose of funding the town's 250<sup>th</sup> birthday celebration. This special article is a special warrant article per RSA 32:3, VI. These funds will remain non-lapsing until the start of fiscal year 2025. Majority vote required. Recommended by the Board of Selectmen.

**Article 26 Moved by Joyce Healy. Randy Emerson Seconded. Article is Adopted.**

**Article 27: Establish Recreation CRF**

To see if the town vote to establish a Parks and Recreation Capital Reserve Fund under the provisions of RSA 35:1 for maintenance of municipally owned parks and support of community-wide recreational and entertainment events, to raise and appropriate the sum of \$11,683.00 to be placed in this fund from the unassigned fund balance and furthermore to name the Selectmen as agents to expend from said fund. Majority vote required. Recommended by the Board of Selectmen.

**Article 27 Moved by Bob Fee. Chris Madden Seconded.**

Michelle Pong – a fund was set up in 1998 for 1999 for the ballfield. This was a non-lapsing fund. This should have gone back to the general fund. Legitimizing the fund and trying to establish this fund.

Terri LaRoche – the actual amount should be \$11,943.43 from her figures

**Terri LaRoche Moved to Amend the Amount to \$11,943.43. Chris Madden Seconded. Article 27 is Amended.**

**Article 27 Bob Fee Moved to Accept as Amended. Chris Madden Seconded. Article is Adopted as Amended.**

**Article 28: Readopt the Optional Veterans Tax Credit**

Shall the town readopt the OPTIONAL VETERANS TAX CREDIT in accordance with RSA 72:28, II, for an annual tax credit on residential property of \$500.00? Majority vote required. Recommended by the Board of Selectmen.

**Article 28 is Moved by George Davenport. Bob Fee Seconded. Article 28 is Adopted.**

**Article 29: Readopt all Veterans Tax Credit**

Shall the town readopt the ALL VETERANS TAX CREDIT in accordance with RSA 72:28-b, for an annual tax credit on residential property which shall be equal to the same amount as the standard or optional veterans tax credit voted by the town under RSA 72:28? Majority vote required. Recommended by the Board of Selectmen.

**Article 29 is Moved by George Davenport. Bob Fee Seconded. Article is Adopted.**

**Article 30: Transfer Station Fees**

To see if the town will institute a pay schedule at the Transfer Station for all "Construction and Demolition" materials, including but not limited to tires, appliances, furniture, mattresses, construction debris. Excluded from the pay schedule would be household waste and recyclable materials (e.g. paper, cardboard, plastic, metal and aluminum cans.) The fee schedule will be set by the Select Board and be commensurate with the fee schedule of surrounding towns. Submitted by Petition. Majority vote required. Recommended by the Board of Selectmen.

**Article 30 is Moved by Stephen McGerty. Bob Fee Seconded.**

Very debated discussion about the transfer Station –

- If they don't have money to pay will just dump all over town.
- Problem is at the dump with the person not doing his job.
- Need to police ourselves
- Paying for trash will not fix the problems
- Is this not in Article 5 already – fees for dump are a complete surprise
- The town of Stoddard is the 10<sup>th</sup> highest in the state for waste
- Can we hire someone to work at the dump checking loads and stickers
- Should have bids submitted for Transfer Station with competitors out there

Lively discussion, no real answers

**Article 30 is Moved by Stephen McGerty. Bob Fee Seconded. Article is Defeated. Not Adopted.**

**Article 31: Other**

To transact any other business that may legally come before this meeting.

Joyce Healy – 250<sup>th</sup> Anniversary website has been set up, there will be a link on the Stoddard Town website. You can pick up fliers and bumper stickers on sale.

Michelle Pong –

This annual report is dedicated to  
local volunteers who work tirelessly  
toward improving the world in which  
we live.

To all those who serve on Boards,  
Commissions, Committees, or  
otherwise give their time promoting  
the health, safety and welfare of  
others, we offer our Thanks and  
Gratitude.

# Stoddard Alerts

## **Sign up to receive emergency alerts that could directly impact you and your family**

The Town of Stoddard is able to send you emergency alerts via text message, email, pager, or voice mail (in extreme cases), based on your preferences. It is important that we collect this contact information to keep you informed with real-time emergency messaging.

The system is intended to be used for emergency alerts, as well as non-emergency incidents should you wish to opt into them. This system will not be used for routine information. In addition to receiving information on your wireless device, you may also receive notification on your land telephone line (if you have one) depending on the type of incident or event.

Please provide your address and preferred method(s) of contact. Adding your address will allow us to, if necessary, eliminate areas so you do not receive alerts that don't pertain to where you live.

These alerts are provided free of charge, however standard text messaging rates and other charges may apply. Contact information provided for this service will never be shared by the Town.

***If you wish to subscribe to SMS text messages only, text StoddardNH to 38276. There is also a mobile app available called "myAlerts, Konexus, Inc."***
