

Meeting of the Supervisors of the Checklist, Stoddard Town Office (Gould House)

Date and Time of Meeting:

Oct 6, 2023 7:00 pm

Present:

Kaitlyn Hayes, Chair, Joyce Healy, Supervisor

Purpose of this meeting:

- Required session prior to presidential primary filing period
- Register new voters and changes of party
- Enter into Election Net registration forms received by the Town Clerk

Actions Taken:

Based on the system notifications on ElectioNet, Supervisor Kaitlyn Hayes moved, Joyce Healy seconded, and a majority of the board voted to remove 2 voters who moved out of town, 2 voters who passed away, and 1 voter pending approval which was entered into ElectioNet as pending approval from an earlier date, as documented on the attached report.

Based on voter registration forms received by the town clerk's office, Supervisor Kaitlyn Hayes moved, Joyce Healy seconded, and a majority of the board voted to approve 8 new voter registrations and 8 party affiliation changes, as documented on the attached report.

- A majority vote was made by the board to not approve 2 of the voter registration form received from the town clerk's office as there was no documented proof of domicile or citizenship received by the clerk's office. The board agreed to send letters to the 2 residents informing them of which documents are needed to register to vote in NH and provide them with how to provide proof with either the town clerk's office or at our next scheduled meeting which is still TBD. The board also agreed to make copies of the voter registration form and mark up the forms to give back to the clerk's office with explanation as to why we were unable to accept these voter registrations as a means to prevent this from occurring in the future.

3 new residents to Stoddard appeared before the board to register to vote during this session. Based on voter registration forms received, Supervisor Kaitlyn Hayes moved, Joyce Healy seconded, and a majority of the board voted to approve 2 new voter registrations, as documented on the attached report.

- One new voter brought filled out forms for both himself and his wife, but did not have proper proof of domicile for his wife nor proof of citizenship for himself. We informed him of affidavits he can sign, but he elected to bring proof in the form of physical documents to either the town clerk's office or by mail to the supervisors at a later date. We also informed the new resident him and his wife can still register to vote on election day.

Based on the National Change of Address report, Supervisor Kaitlyn Hayes moved, Supervisor Joyce Healy seconded, and a majority of the board voted to approve a motion to remove the voters marked for removal and to correct addresses on voters who moved within the town/city. The board elected not to send 30-day letters to the voters, as documented on the attached report.

The board agreed that all voted upon data entry, approvals, changes, or removals of voter records will be done at a later date as the system was not working at the time of the session.

Meeting adjourned at 8:30 pm.
