OLD BUSINESS

1. Tree Removal Estimates-Discuss with Jim Coffey - David Vaillancourt pointed out the State will be posting Route 123 for the duration of mud season and there was some concern that the equipment needed for the tree removal job would not meet the weight limit. The board acknowledged that the project would have to be postponed until after the posting is lifted.

Steve McGerty suggested that the bids be rejected and ask for new bids including more local contractors. After discussion of the bids received, John Halter moved and Arnie Stymest seconded to go to re-bid with more local companies, hopefully, submitting bids, the board approved.

NEW BUSINESS

1. Budgets - various department budgets were reviewed and changes made as seemed necessary.

2. Selectmen's meeting postponed for March 11, 2013 - Harry Power moved and Arnie Stymest seconded to postpone March 11, 2013 meeting until March 18, 2013 due the Stoddard School District Meeting being held on March 11, 2103. John Halter moved and Harry Power seconded to defer all appointments with the Selectmen until after the budget is complete, except for emergencies, the board approved.
