

PMCSA 2010 RENEWAL MEMBERSHIP FORM

This year we are offering Garden Shares that are designed to feed two adults each week. If your family is larger, or you'd like to preserve some produce for the winter, please sign up for 2 shares.

Working shares are offered at a discounted rate for participation in scheduled workdays (including some on weekends) on the farm. Help is regularly needed on Monday and Thursday harvest mornings, and other times may be scheduled with Farmer Catherine. Please plan to work in several two to four hour shifts. Help is needed most in spring and early summer, but is also needed throughout the season.

We ask that you work half your hours by July 15th.

Name: _____ Phone: _____

Address: _____
