Reviewed a wetlands permit for Peters that was denied. The Planning Board only received a copy for review.

Old Business:

Master plan – The Transportation, Housing and Survey were discussed. Working on the final details of the survey so that we can send to the public to receive information before scheduling a public meeting. Will gather more information on the housing section to bring up to date with the figures from 2000 forward to the current year. Will look into electric car and stations information on transportation. Look into carpooling, even add a question to the survey for the public.

Will work on getting the survey to the public and working on the aspects of the Master Plan that are currently being researched.

Note:

Terri LaRoche will not be able to make the April meeting of the Planning Board

**Chris Motioned to Adjourn the Public Meeting @9:25 PM. Jason K. Seconded it. Motion Carried.**
