Budget – monthly budget for the period ending through May

Old Business:

Hayes Car & Truck – Mr. Hayes was in attendance and questioned why his shop was on the Agenda of the Planning Board. It was explained to Mr. Hayes that the Secretary was told to go through his file because of verbal complaint. The Secretary then went on to explain that there was certain information missing from his file such as a back up code report from the Fire Dept. for an addition of an existing building. It was also reported to Mr. Hayes that since then I have spoken with the Fire Chief Trevor Anderson and he has also since written a letter to the Planning Board saying that, Yes, your building had been brought up to code. This letter will be placed in your file. Also told Mr. Hayes that we did not have a completed, signed or recorded site plan review on the property. Mr. Hayes said that he had the signed copy, agreed to meet with the Secretary at the Gould House on the following Monday with the copy.

Master Plan – This is an ongoing project with the Planning Board. We will be working on this in the next couple of meetings and during the following months. We will be sending a questionnaire out either email, or letter or both. We will also try to schedule public meeting with the residents of Stoddard for any input they are willing to add, as the Master Plan is an overview of how Stoddard will be seen in the future and moving forward over time.
