Meeting with Geoff Jones, re: Little Big Forest

The discussion with the Planning Board was if he could do the Boundary Line Adjustments before the Town owned the land. The Boundary Line Adjustment is not a problem. The request for the Boundary Line Adjustment must come from the **owner of the land or his representative**. Geoff will talk with the owner to see if he can get the permission needed. If Geoff can get permission, the Planning Board is more than willing to move forward, we will even call a special meeting to get it done.
