

*ANNUAL REPORTS*  
*OF THE*  
**TOWN OFFICERS**

**TOWN OF STODDARD**

**NEW HAMPSHIRE**

**2016**

*Our cover photo was taken by Stoddard resident Lindsay Freese, in Stoddard. When asked about the bobcat photos, Mr. Freeze stated; "Yes, they were all taken in Stoddard, I have only seen a bobcat once, and these photos are all from that time. I used a 300 mm telephoto lens so it looks like I'm right on top of them, but I was really quite a distance away from him (her?)."*

*The use of the bobcat for this year's cover resulted from a decision by the State to allow fifty hunting or trapping permits on a lottery basis. This decision would have cost the taxpayers about \$15,000. It was not well received by hunters and non-hunters alike and has since been rescinded. With the plight of the bobcat brought to statewide attention, it raised our awareness to one of our most valuable assets, the open space and lakes and streams that surround us. By placing the bobcat on our cover we are celebrating that open space and wild land which provides habitat for many species, and for enjoyment of that space by all of us.*

*For Mr. Freese to have captured the images locally, and with one photo opportunity, is quite remarkable. Although Stoddard's ample conservation land (65% of total square miles) provides excellent habitat for these animals, they remain elusive and few people ever get to see one face to face. Catching one like this, with camera in hand, is phenomenal. We thank Mr. Freese for sharing his photos with us.*

## ANNUAL REPORT INDEX

**PUBLIC NOTICE TO STODDARD RESIDENTS AND PROPERTY OWNERS**

[RSA 674:39-aa.VI]

Pursuant to Chapter 206 (HB 316) of the 2011 Legislative session, and RSA 674:39-aa, notice is hereby given to all Stoddard residents and property owners that any involuntarily merged lots may be restored to premerger status upon the owner's request to the Board of Selectmen. This notice is posted at the Stoddard Town Offices and the Stoddard Town website, and shall remain posted through December 31, 2016. Notice shall also be published in the Town's Annual Reports through the 2015/16.

# *Town of Stoddard*

## *Boards & Departments*

## ***SELECTMEN'S ANNUAL REPORT***

The highlight of our fiscal year ending June 30, 2016 is the expansion of the Davis Library, creating new space and modern facilities for all to enjoy. This carefully planned addition gained the support of over two-thirds of our voters at our May 2015 Town Meeting, though it would have passed on a simple majority. This is true measure of the confidence that shared in this important project. In addition to the outward appearance, this facility is now energy efficient and enjoying record usage. Everyone that has contributed or supported the Davis Library is to be congratulated and sincerely thanked for their efforts.

The Town has many boards and whether elected or appointed, these individuals are truly volunteers. They spend many hours of their personal time both preparing and participating in various proceedings. These efforts are to be recognized and thanked as well. We understand that not everyone may agree with their decisions, but we must respect the time and dedication put forth to arrive at them. We would like to see more people willing to serve in these roles and they deserve the respect of everyone. Our Trustees of Trust Funds will have all new members this year and will be trained by the Charitable Trust Division of the Attorney General's Office. We wish to thank those stepping down for their hard work and years of service.

We have made significant improvements in our web site and offer much more online as a convenience. Our minutes are posted there well before the deadline, making that information more accessible than before.

Work on a new culvert on Granite Lake was completed this year, with the engineering services donated by the Granite Lake Association. This was a great savings to the town. Additional work is planned this year and has a special warrant article associated with it. This will assist the GLA in acquiring additional grants that ultimately benefit everyone.

Respectfully submitted,

John Halter, Chairman

## ***TOWN ADMINISTRATOR'S REPORT***

There are often times when the Town's administration wants to make things known to citizens while those same citizens look for greater transparency in their local government. This book is an attempt to not just provide a warrant and budget to bring to Town Meeting, but to also provide some information that might inform and be useful. Knowing what to include or exclude can sometimes be a bit of a guessing game. We include many pages of assessment totals at the back of the book but today we now have the property assessments on line, and they are updated at least quarterly. While it may work best to continue both for now, this could change in the future. Another example has been a request to publish all the salaries paid to town employees. This is readily available with a request at the Town Office but could be easily placed onto the web site for public access there.

Later this year our web site will have the assessing data and the tax map data merged so that a click on the map will reveal what is there. Searching a property will also place it on a map. We will also look to making better use of existing features such as the calendars and posting of minutes and agendas. The public today can subscribe to announcements that are placed on the web site which will allow for real time informing of events. We hope you will visit [www.stoddardnh.org](http://www.stoddardnh.org) and sign up.

Should anyone have a question regarding their tax assessment, veteran's tax credit, elderly exemption please contact us even if you are not sure that you qualify. There have been times that people who are having difficulty paying their taxes were eligible for some assistance. It is our goal that everyone be assessed fairly and bringing your questions and concerns to us helps us to accomplish that goal.

For the coming year we look toward a decrease in the amount to be raised by the Town in taxes of over \$200,000. This is due to the completion of the Davis Public Library and to the Stoddard Fire and Rescue not requiring a special article for protective gear. Our buildings will still require some minor repairs or improvements as we go forward but the need for major capital projects has been taken care of.

Please call, email or stop by with any questions you might have. We look forward to seeing you.

Respectfully submitted,

James Coffey

## ***2015 PLANNING BOARD REPORT***

This year the Planning Board was sad to retire our Secretary of 25 years – Pat Putnam. We thank her for her many years of service to this Town Board and for the expertise she shared with us.

We welcome into the position of Secretary Karen Bell. New to Stoddard, we look forward to helping Karen adjust to our rural community and her new position.

The Planning Board has continued to review the Master Plan. We have hired Southwest Regional Planning Commission to assist us and we are applying for an MTAG grant to pay for it. We are hoping to develop several ordinances to add to our Stoddard Community Planning Ordinance (CPO). The goal here is to update our regulations while protecting the rural character of our town. The grant will require several public hearings and we hope you'll join us to learn what we're doing. There are two positions open on the Master Plan Subcommittee. Town citizens are welcome to come work with us. We meet the second Tuesday of every month at the Gould House, 6 PM. Please call Chair, Dian Mathews, if you're interested (446-3797).

The Planning Board is also working to update the town's Capital Improvements Program (CIP). The Select Board is working with us and we hope to create a document that becomes viable in the town of Stoddard. The document consists of input from every department in the town – from the School Board to the Fire Department. Each entity writes a report detailing how they hope to go forward; their needs and wishes. When all the data has been submitted and prioritized the document shows us – the community – a picture of how our town can go forward and most importantly what any actions will cost. This committee would also welcome the input of community members. If you'd like to be on this committee, please call Ruth Ward (446-2311).

Each year a number of Planning Board members attend workshops and conferences offered by the NH Municipal Law Association or the Office of Energy & Planning. There are also monthly webinars offered by NHMLA on a variety of subjects relating to planning and state regulations. We try our best to stay abreast of the ever- changing planning environment.

The Stoddard Town Planning Board

Dian Mathews, Chair

Ruth Ward, Vice Chair

Dean Huber

Chris Madden

Alternates Harry Power and Jane McOsker

Ellen Mason

Dale Smith

Margo Santoro, Select Board Representative

## *TOWN CLERK'S REPORT 2015*

This summer saw the end of construction at the Town Hall. If you haven't been in stop by and see, it looks great. It has been another good year here in this office. We have settled in and we do enjoy the space that we have.

It would seem that the economy is improving; we have seen a significant increase in new titles and registrations this year. This means increased revenue for the town, always a good thing.

There is a new member to the team this year; Margo Santoro has joined our office as a new Assistant Town Clerk. For her it has been quite a time of training and learning for her. This means that we now have 3 qualified people in the office to help cover for vacations and elections and sick days. So you will see Ginny on Tuesdays and Margo on Thursdays as well as myself.

There were 3 elections in 2014, and for the first time in a long time we are holding elections back at the Town Hall. So please remember at Town Meeting time, the election will be held at the Town Hall, and the town meeting, for space reasons, will still be held at the Faulkner Elementary School.

As always, it is a pleasure and a privilege to serve the people of Stoddard in the capacity of town clerk. Thank you to everyone.

Respectfully submitted,

Linda Clark

Court Trials	6

*POLICE DEPARTMENT REPORT* continued

The number of accidents in Stoddard this year has surpassed from the previous years. Most of these accidents have occurred on Route 9. Some of these accidents have involved tractor trailers carrying hazardous materials. These occurrences have created and posed environmental concerns as well as power outages for many residents along the areas of Route 9. We would like to encourage motorists to proceed with caution and to remain safe while driving on the area of Route 9.

The year 2015, has brought an increase of patrol throughout the year and benefitted the safety of our citizens. This year we implemented a weekly motor vehicle patrol where we concentrated to curb speeding on Route 123. Our statistics for this year show 198 motor vehicle stops and 37 citations.

I would like to thank Officer Dominic Busto, as well as Animal Control Officer Margo Santaro, for their cooperation and dedication to the Stoddard Police Department. Their help has been appreciated in making our community safe. I would also like to express gratitude to all town employees for their commitment and hard work in making Stoddard a strong community.

The Stoddard Police Department would like to thank the citizens of Stoddard for their continuous support and assistance. In an emergency, please call 911. You can also contact dispatch directly by calling (603) 355-2000. For non-emergency issues, please call the Stoddard Police Department at (603) 446-3597.

Respectfully submitted,

David Vaillancourt, Constable/Police Chief

## ***STODDARD FIRE & RESCUE AND EMERGENCY MANAGEMENT REPORT***

The Stoddard Fire & Rescue department call volume for the period of January to December 2015 was: 50 fire/service calls, 52 medical, 11 motor vehicle accidents for a total of 113 calls. Included in this total were 6 mutual aid calls including one for Keene during a gas emergency.

This past year has been very challenging. Four members have resigned. We have a new Deputy Chief - Randy Weaver, Fire Lieutenant - Don Holland and Dan Eaton has taken the position of Emergency Management Director with George Preston as the Deputy Emergency Management Director.

It is with great pleasure that we welcome new and returning members to the Stoddard Fire and Rescue Department. Edmund Burke, Connor Bunker, Matt Cerbone, Eric Frazer, Megan Holland, Wayne Hall, Dean Huber, Stacey Merolla, Graydon Michaud, Jason Swift, Julie Thibodeau, Wally Weaver and Pastor Brian Ayres as our Department Chaplain. Matt Cerbone is a NH Certified Paramedic and we feel very fortunate to have him on our team.

There have been 19 training and drill sessions. Our staff of First Responders and EMT's have continued their medical education and training. Firefighters have continued their training alone and with the medical personnel. Our joint training has been attended by 90 percent of our membership.

New equipment has been purchased and we now have a 12" rescue saw that was generously donated by one of our residents. Equipment that was previously owned by our Department has been updated to better serve our community.

The members now have updated and NFPA approved gear - both firefighters and EMT's. New forestry gear was also purchased from this budget.

***FIRE, RESCUE AND EMERGENCY MANAGEMENT REPORT*** continued

Stoddard Fire and Rescue Department would like to sincerely thank the residents of Stoddard, the Mill Village Store and Monadnock Boat Store. All of you have been very generous with your support and assistance.

Respectfully submitted,

Chief Stephen J. McGerty

# REPORT OF FOREST FIRE WARDEN & STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The ability to obtain fire permits on line was initiated in 2015. Approximately 120 towns participated in the online system with over 4,000 permits issued. To obtain a permit on line visit [www.NHfirepermit.com](http://www.NHfirepermit.com). The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-3503 or [www.des.nh.gov](http://www.des.nh.gov) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdf.org](http://www.nhdf.org).

This past fire season burned **661 acres** which was the most recorded since 1989 when 629 acres burned. The fire season began in early April with the first reported fire occurring on April 8th. The largest fire was the 275 acre Bayle Mountain fire in Ossipee. This fire started on May 5<sup>th</sup> and burned for several days. The Bayle Mt. fire was also the largest individual fire in NH in over 25 years. There were also a number of other sizable fires in May which definitely kept NH's wildland firefighting resources stretched to the limit. These larger fires increased the average wildland fire size to 5.12 acres. As usual our higher fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2015 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

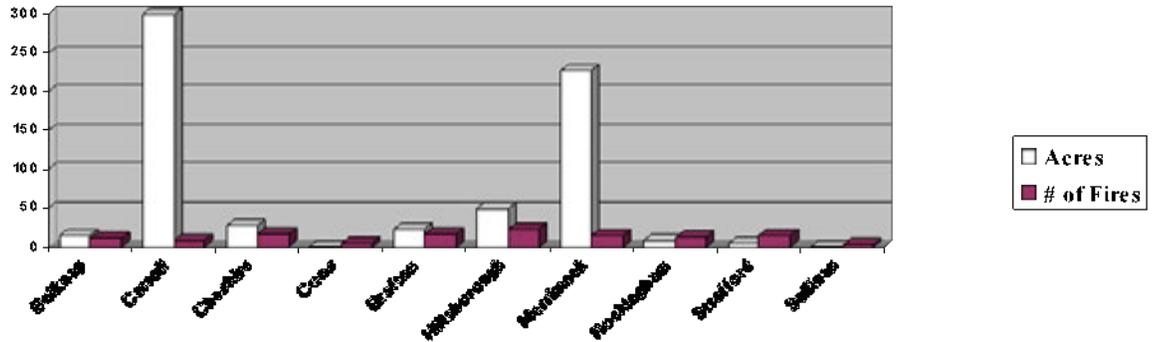

## 2015 FIRE STATISTICS

(All fires reported as of November 2015)

(figures do not include fires under the jurisdiction of the White Mountain National Forest)

COUNTY STATISTICS		
County	Acres	# of Fires
Belknap	15.3	11
Carroll	299.5	10
Cheshire	27.6	18
Coos	1.6	6
Grafton	22.6	17
Hillsborough	50.6	23

## ***STODDARD COMPLIANCE OFFICER REPORT 2015***

Stoddard is a large town in land mass abutting Antrim, Windsor, Washington, Marlow, Gilsum, Sullivan and Nelson. Stoddard has about seventeen miles of town maintained roads (Class V Highway); however, there are many more miles of Class VI town roads and private roads that have a good deal of development of homes and cottages.

There are many aspects to my job from approving or denying building Permits to responding to complaints, septic violations, building without a permit, junky yards/junkyards, and the list goes on. I receive anywhere from 7 to 10 calls a week from contractors or folks seeking information on their proposed projects. Just this week, I received 7 expired documents from the NH Department of Environmental systems, informing me that the approval for construction for a septic system (4 Year limit) has expired. So inspection will be needed to see if a septic system was installed without an Approval for Operation inspection. Conversion from seasonal to year round occupancy requires an Approval for Operation from the NH Department of Environmental Services. Also, any addition increasing the load on your present septic system required NH Department of Environmental Services approval.

Should you have any questions on the project you're planning, I welcome your call at 446-7778.

Harry R. Power  
Stoddard Compliance Officer

## ***TRUSTEE OF TRUST FUNDS REPORT***

The Report of the Trust Funds included in this Town Report itemizes the balances of each account in the custody of the Trustees for the Fiscal Year (July 1, 2014 – June 30, 2015). This report was submitted, as required by the State of New Hampshire, to the Attorney General and Secretary of State at that time.

The following is to give information about the activities that have occurred since the report was submitted.

The following accounts remain in a 5 Year Annuity @ a rate of 1.60% with Bankers Life and Casualty.

Town Cemetery Care – Town Buildings -Sweetwater Trust - Town Parks and Recreation - Granite Lake Dam Repair

On January 13, 2016, an additional \$5,000 was added to the second Annuity of the Granite Lake Dam Repair. This Annuity continues to earn 1.6% with Bankers Life and Casualty.

### Money Market Accounts:

Emerson and Ruth McCourt Cemetery Fund – Repair/Maintenance of Headstones in Mt. Stoddard Road Cemetery

A check in the amount of \$320.00 for this purpose was issue on September 17, 2015.

Stoddard Rocks Fund – Remains the same with no withdrawals or additions

Town Building and Renovation Fund – This fund has been set aside for major reconstruction and repair of municipal buildings. In addition to the monies received last year, an additional check for \$20,000 was received on March 2, 2016 and deposited into this account.

Bridges and Roadways – On March 2, 2016 a check for \$10,000 was received for this fund and a new Money Market account was established.

The General Cemetery Fund is used for the general maintenance of the town cemeteries remains in a NOW Checking Account. Each year the Town requests the amount needed for expenses incurred for this maintenance. On September 17, 2015, a check was issued for this purpose. Funds in the New Cemetery Plots account have been transferred to the General Cemetery Fund account.

The investment for the School – Extraordinary Tuition, remains in a regular CD. No funds have been withdrawn from this account. Two Capital Reserves School Accounts earmarked for Improvements remain in a Certificate of Deposit at a rate of .035%.

On 9/21/2015, an additional \$100,000.00 was deposited into the Money Market account established last year when the funds were removed from the 5 Year Annuity. This account receives a rate of .416%.

The State of NH requires the Trustee of Trust Funds to hold a public meeting once a year. The Trustees met on August 16, 2015 at the Town Hall. Members of the public are invited to attend. Notices of meetings and subsequent minutes are posted at the Town Hall, Post Office and Town Clerk's office.

*Virginia GrandPrè*, Trustee Chairman

*Kimberly Rumrill*, Trustee

*Ed Quinn*, Trustee

## **DAVIS PUBLIC LIBRARY REPORT**

As most of you know, the Stoddard taxpayers were very generous to our library, and passed the '2015 Library Addition' warrant. Our beautiful, quaint library, was given the chance for a 'face lift' and an addition with a restroom, and best of all, we came in under budget!

The new space offers a suitable environment for each age group to work, gather and access materials, leading to better opportunities to our ever growing number of patrons. The build started in July, and with a short closure in October, for our patron's safety, we were back in business before the holidays. We had a wonderfully successful 'Grand Opening' party in December that showcased the efforts made by all.

All that came about from the tireless work of many volunteers, the Addition Committee, the 'Friends', the 'Trustees', and all the great donations of labor, money, time, and input from our local townspeople, businesses, and grants. Also, the Capital Campaign was quite a success, with many volunteers reaching out to our residents, and making it all work out. Also, the library addition would not have been possible without the incredible support from our library volunteers. We cannot thank everyone enough for the time and effort that was expended towards the project. The support we received brought the library further than we'd ever imagined. These volunteer efforts will benefit the lives of many others for years to come. The 'Friends' of the Library work hard to provide opportunities and make it possible to offer our patrons a wide variety of up-to-date resources. Our e-Book and audio book lending service, NH Overdrive, is made available by the 'Friends' of the Davis Public Library and has circulated more this year than ever before. In 2015, the 'Friends' provided Ancestry Library Addition, a genealogy service, for patrons to trace their family roots. In addition to online resources, the 'Friends' provided funds for several new DVD titles, materials for library programs and children's summer reading prizes. They also added new and popular museum passes to our collection this year, including Montshire Science Museum, Currier Museum of Art and Magic Butterfly Wings Conservatory. These opportunities are made possible by 'Friends' of the Library memberships and donations as well as their successful summer book sale.

Our Library continues to bring to our community wonderful, thought provoking programs for Stoddard patrons, young, and 'not so young'.

### **Here are some of the programs presented in 2015:**

- Craft projects and a Saturday '**Tea Time**' were offered by the library in the winter months.
- **Margo Santoro** provided blood pressure screenings and offered natural remedies for **National Blood Pressure Month**.
- In recognition of **National Bike Month**, patrons built a bike rack for the library and affixed bike tools necessary for routine maintenance. Bike mechanic, **Wes Hamilton**, offered free bike check-ups to ensure a safe ride, plus at-home maintenance tips to keep in peak performance through the year.

## **DAVIS PUBLIC LIBRARY REPORT** continued

- **Adult Book Club run by Leigh Fosberry**, had a very active year and covered a variety of titles on a wide range of subjects.
- The summer reading program '**Construct your Future**' embraced the construction of the new library addition. It was our the most well attended summer reading yet! For the kick-off party, summer readers painted birdhouses (generously donated from the '**Friends**' of the Library). The birdhouses are now on the trees behind the children's room.
- Our summer readers enjoyed the entertaining storytelling of **Simon Brooks and Papa Joe at Abbie Park in Marlow**. For the program, we partnered up with the Marlow Town Library to receive a mini-grant of a storytelling event and book give-away from the Children's Literacy Foundation.
- The '**Friends**' of the Library hosted **Bear Man**, the library's best attended program to date! The town hall was packed with people to hear presenter **Ben Kilham** speak about raising black bear clubs in New Hampshire.
- Visiting Scientist, **Marjut Herzog Turner**, hosted an incredible '**Kid's STEEM Club Adventure Week**' creating cooperative learning through hands-on activities and experiments exploring science, technology, engineering, environment and math.
- To begin the school year, **Duncan McDougall of the Children's Literacy Foundation** met with the 'James Faulkner Elementary School' students to tell a story and present hundreds of new books awarded to the school and public library from their rural libraries grant (CLif grant).

### **Look for our upcoming programs in 2016**

Library Director, Lauren Rettig, and the Board of Library Trustees  
The Town of Stoddard, NH  
Davis Public Library

## *FRIENDS OF THE DAVIS PUBLIC LIBRARY*

The major effort of the Friends for 2014-15 was to promote the passage of the warrant to build an addition for the library, which included 2 rooms and plumbing for a toilet facility. Once the warrant was passed with close collaboration between the Friends, the Trustees and the Town, we set in motion the process for getting an addition built. Several local businesses, foundations and individuals donated labor, goods and money to get the process started. This has been a community effort in the best sense of the word community.

The Friends with the invaluable help of the Trustees and community volunteers developed a Capital Campaign to raise money for items, which we had removed from the warrant request. Some of these items are interior millwork (bookshelves, desks, work tables), audiovisual equipment, exterior landscaping, children's garden etc. The donated money was and is earmarked for items not covered by the warrant. We were overwhelmed by the generosity of community members and various foundations in response to our request.

Apart from the time and money invested in the addition, the Friends continued to provide other resources for the library with the financial support of members and the annual Book Sale. The collaboration with the James Faulkner Elementary School continued with the Book Pal Program. This past fiscal year there were 21 Book Pal pairs who read and communicated to each other about the Lois Lowry book "Number the Stars". The Friends donated museum passes, books, DVDs, audiobooks and supplies for the many wonderful activities that the Library Director offers and sponsored wonderful speakers for the community's enjoyment.

The report of 2015-16 will include more detail about the construction. However, please stop in to see and enjoy the library. It is a cozy and welcoming place.

## **2015-16 ANNUAL REPORT OF THE CONSERVATION COMMISSION**

### **James Faulkner Elementary School Outing:**

After a wonderful school outing to Stoddard Rocks, in June of 2014, with 60+ JFES students K-5, we had hoped to build on the experience in 2016. However, two conspiring factors prevented that from happening: 1) the departure of teacher Laura White, who was a sparkplug; and 2) an explosion in the number of students attending JFES, that required teachers and staff to devote all of their attention and resources to addressing that pressing need. We hope to resume outings, once this condition stabilizes.

### **Olde Home Days:**

The annual conservation forum continued this year with a presentation from state entomologist Piera Siegert, who gave a comprehensive overview of a number of damaging invasive insects that are affecting NH's forests, including the Emerald Ash Borer, Hemlock Woolly Algid, Asian Longhorned Beetle, Southern Pine Beetle, Hemlock Scale, and ticks.

The commission decided to terminate the annual cordwood raffle, as declining revenues did not justify the effort. The success of Annual Cordwood for Conservation Raffle is heavily dependent upon the success and vitality of the Olde Home Days event, which seems to be suffering from enthusiasm, interest, and the ever important participation of the community.

### **Stewardship Activities on the Town Forest:**

Don Healy graciously donated 1,000 reflective trail markers and signs for the Pioneer Lake/Stoddard Rocks town forest. Volunteer work crews will install them this hiking season, along with performing trail work and controlling vegetation on and around the earthen dam.

### **Intervenor for Proposed Wind Farm on Tuttle Hill, Antrim**

In 2013, the Stoddard Conservation Commission was granted intervenor status on a proposal to build ten 500-foot wind turbines on Tuttle Hill. The reason for the objection to the project was the fragmentation of a 12,900 acre forest block that the NH Fish & Game Dept. identified as having the highest ranking habitat values in the state and the fact that the project would overwhelm the landscape, posing a serious threat to aesthetic values that many seasonal and year round residents treasure.

What is an unfragmented forest and why is it important? An "unfragmented forest block" is an area of forest that is not broken up by roads, agriculture, utility corridors, subdivisions or other human development. Forest fragmentation usually begins incrementally, with cleared patches here and there ~ think of Swiss cheese ~ within in an otherwise unbroken expanse of tree cover.

Over time, as these non-forest patches multiply and expand, the forest block is reduced to scattered, disconnected islands. As the large forest blocks are fragmented, wildlife habitat (especially for large mammals that roam) is degraded, biodiversity is lost, the presence of invasive plants, pests, and pathogens increases AND water quality decreases.

## CONSERVATION COMMISSION REPORT continued

As forest patches become broken up and smaller in size, the movement of plants and animals is inhibited and it restricts breeding and gene flow, causing long-term population decline. As the forest's health and function erodes, so too does its resiliency and ability to adapt and respond to change, like global warming.

The edge effect that fragmentation creates, damages interior forests by drastically changing temperature, moisture, light, and wind, which impacts the survivability of trees, flowers, ferns, lichens and the animals that depend upon them, in particular certain species of salamanders, goshawks, bats, and flying squirrels. The negative impacts of each residential dwelling acre located within an unbroken forest radiates outward, affecting up to 30 additional acres with increased noise disturbance, predation, and competition from edge dwellers, like the cow bird.

Forest blocks that are 500-acres in size are large enough to provide wildlife habitat for a variety of birds and mammals, protect water quality, and remain economically viable for forest management activities. Forest blocks that are 5,000 acres and greater enhance the ecological and economic value of forests. Large blocks of this size occur primarily in the White Mountains and Coos County.

The larger unfragmented blocks are significant, because they provide important habitat and traveling corridors connecting woodlands with farmlands that are used by a wide variety of song birds and large and small mammals that require deep interior unbroken forest canopies.

In 2014, the N.H. Site Evaluation Committee (SEC), which oversees such projects, denied the application of Antrim Wind Energy LLC (AWE) to build the 10 turbine wind farm in the northwest part of town. The ruling was the first time the SEC completely denied a project. They cited negative impacts to the scenic beauty as the basis for the denial!

In January, 2016, AWE came back with an amended proposal, citing a more environmentally favorable project: 9 towers, instead of 10, with one tower being 450-ft tall, instead of 500-ft and more acres of land protected with conservation easements. The Stoddard Conservation Commission continues to object for the same reasons as before, and once again was granted Intervenor Status, when the SEC stated the following:

*"Stoddard Conservation Commission possesses knowledge about the conservation lands and environment surrounding the Site. Such knowledge may assist the Subcommittee with making its determination. Furthermore, as an abutter to the west and north of the Site, the Stoddard Conservation Commission has demonstrated a substantial interest in the proceedings. The Stoddard Conservation Commission is permitted to fully participate as an intervenor in this docket. Finally, due to the Commission's unique role in these proceedings, the Stoddard Conservation Commission's participation cannot be combined with other non-abutting property owners".*

The Stoddard CC opposition is not a condemnation or position statement on wind energy, but rather concern over the suitability of the location. High ranking wildlife habitat (confirmation of this from the UNH bobcat study, which shows gps collared bobcats are using the area), and close proximity to thousands of acres of conservation lands, of which aesthetics is an important attribute, are the basis for the Stoddard Conservation Commissions objections.

### **Proposed Bobcat Hunting Season**

In 1989, bobcat populations were so low in the state, that there was fear of extirpation. As a result, the NH Fish & Game Dept. terminated hunting all bobcats.

In the fall of 2015, the NH Fish & Game Commission decided to reopen a hunting season on bobcats in NH after a 25 year moratorium. The basis for the decision was rooted in a recent 4-year joint study by UNH and the F & G Dept., that showed modest gains in the population (from a low of under 200 animals statewide in the late 1980's to an estimated population of 1,400+/- today). None of the folks involved with the study were aware that the findings would be used in this manner.

While many believe that the bobcat population can withstand the loss of 50 animals to hunting, many folks (including several hunters) believe the issue is not "can" we but "should" we! The bobcat issue is not a hunting vs. anti-hunting issue.

Bobcats (and other predators) are an intelligent species that play an important role in maintaining ecological balance and they should be respected. They maintain their own populations, which are tied closely with food abundance/scarcity. This has been thoroughly studied with lynx and snowshoe hare population cycles. The notion of the need to hunt them in order to manage their populations is solely a hunter's myth!

Our understanding of the science of predators is changing, so too must society. When grey wolves were reintroduced to Yellowstone National Park, where they had been missing for decades, wildlife biologists and ecologists began to notice positive changes that have become known as "trophic cascades". It turns out that the presence of predators at the top of the food chain affect the prey they feed on and those that they don't feed on, at every trophic (feeding) level of an ecosystem. Animals that are preyed upon by others have an instilled fear of being eaten, that affects their behavior in not only what they eat, but where they eat, which in turn affects other animals at other trophic levels, hence the cascading impact.

Closer to home, in the state of NH, because predators have been missing from the forested landscape, at numbers that help balance the forested ecosystems, prey species that forage on tree sprouts and seeds and acorns, like deer, moose, turkey, squirrels, and smaller mammals and songbirds, have taken their toll on the species make up (composition) and quality (health, vigor, form) of trees that make up our future forests.

A lack of predators in the ecosystem have resulted in insect and disease problems, the likes of which we have yet to fully fathom. Ticks, invasive plants and insects are invading NH in unprecedented ways. The economic loss will be in the billions of dollars. Having healthy and diverse populations of natural predators on the NH landscape WILL help to control all of these negative impacts.....but we have to give them a chance. Resuming a hunting season on bobcats, whose populations are still in recovery, is both ignorant and arrogant.

*CONSERVATION COMMISSION REPORT* continued

Consequently, in November, 2015, the Stoddard Conservation Commission voted 5-0 to oppose the bobcat hunt and sent a letter to the F & G commission. We also successfully got 35 other Conservation Commissions to send in letters of opposition as well. We recently received a letter of support from the Stoddard Board of Selectmen.

At their February 17th, 2016 commission meeting, 5 NH fish and game commissioners voted in favor of the hunt, with 4 opposing. One commissioner who opposed the hunt, was also a legislator. He said that in the many years he has served he could not remember a single issue where so many people turned out and spoke passionately against a bill. Over 14,000 NH residents have signed a petition in opposition to the season. An independent public poll showed that 76% of voters are opposed to the trapping of bobcats and 69% opposed to baiting and hounding.

The fate of the bobcat is awaiting an April, 1, 2016 hearing by the Joint Legislative Committee on Administrative Rules, to see if the decision was contrary to public intent. Stay tuned by following the Stoddard Conservation Commission on Facebook.

Respectfully submitted,

Geoff Jones, chair

Scott Semmens, vice chair

Brenda Bryer, secretary

Helen Tam-Semmens, treasurer

Paul Crosby

## **ZONING BOARD REPORT 2014-2015**

The Zoning Board of Adjustment (ZBA) is charged with the responsibility of making decisions in the following 4 types of appeals:

**VARIANCES-** Under special circumstances, an applicant may apply to be granted relief from application of the strict terms of the Community Planning Ordinance (CPO). To grant this relief, it must be established that all five of the following conditions are met:

1. The proposed use would not diminish surrounding property values.
2. Granting the variance would not be contrary to the public interest.
3. Denial of the variance would result in unnecessary hardship to the owner. "Unnecessary Hardship" is defined in RSA 674:33, I as "owing to special conditions of the property that distinguish it from other properties in the area: (i) No fair and substantial relationship exists between the general public purposes of the ordinance provision and the specific application of that provision to the property: and (ii) The proposed use is a reasonable one. If this standard is not satisfied, Unnecessary hardship can also be deemed to exist if, and only if, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance and a variance is therefore necessary to enable a reasonable use of it.
4. Granting the variance would do substantial justice.
5. The proposed use is not contrary to the spirit of the ordinance.

**APPEAL FROM AN ADMINISTRATIVE DECISION-** If an applicant has been denied a building permit or is affected by some other decision regarding the administration of the CPO, and believes the decision was made in error under the provisions of the ordinance, the applicant may appeal the decision to the ZBA. The appeal will be granted if it is shown that the decision was indeed made in error.

**SPECIAL EXCEPTION-** Certain sections of the CPO provide that a particular use of property in a particular zone, will be permitted by special exception if specified conditions are met. The necessary conditions for each special exception are given in the ordinance. The appeal for a special exception will be granted if you can show that the conditions stated in the ordinance are met.

**EQUITABLE WAIVER OF DIMENSIONAL REQUIREMENTS-**If an applicant discovers an existing dimensional nonconformity after the structure was substantially completed or after a vacant lot in violation had been transferred to a bona fide purchaser AND the nonconformity was caused by a good faith error in measurement or calculation, the applicant may appeal to the ZBA. If it is determined the nonconformity does not constitute a public or private nuisance nor diminish the value or interfere with future uses of other property in the area AND the cost of correction would far outweigh any public benefit to be gained, the ZBA may grant the waiver.

\*Please note: Appeals information (above) was taken from several sources and rephrased for purposes of it fitting the purpose of inclusion in this annual report. For this reason, what is stated is not the actual or complete wording in any zoning ordinance-THE ACTUAL ZONING ORDINANCE IS WHAT WILL BE USED IN ANY APPEAL.

In the course of calendar year 2015, the ZBA conducted 10 meetings and 2 site visits. So far in 2016 (as of 2/18), the board has conducted 2 meetings and 1 site visit.

Three matters presented an outsize challenge to the ZBA in calendar year 2015:

1)Global Montello- The current owners of Mr. Mike's came to the board with a request for Special Exception so they could add a Dunkin Donuts drive through and make other expansive changes. Several hearing days, a well attended site visit, appeals and a request to deny an appeal took up a lot of the board's time. The ZBA approved the Special Exception with conditions. The Planning Board approved the Site Plan Review. A member of the public has recently filed an appeal with the Cheshire Superior Court.

2)Cell Tower- Industrial Tower and Wireless, LLC came to the board, representing the property owner with a request for Special Exception for a cell tower on Richer Road. A previous applicant had been granted a Special Exception some years ago, but had not acted upon the approval for a Special Exception. An introductory informal meeting, a site visit, a balloon test and 2 hearing days were held. A Special Exception with conditions was granted. There was little opposition from abutters or other interested parties. The process moved on to the Planning Board where the Site Plan Review was approved.

3)ZBA Staffing- Recruitment has been a chronic problem for the ZBA. One applicant for a Special Exception had to wait a month for a hearing because only 4 members could sit at the time. At the October 2015 meeting, only 2 members were able to make the meeting due to injuries, illness and other reasons. With a full contingent of regular members and several alternates, the ZBA would not have had to cancel that meeting. The board has posted openings at the Gould House, the Town Hall and on the Town website to no avail. **Message to the good citizenry of Stoddard: Please step forward to discuss your possible candidacy for a position and to learn more.**

**Zoning Board of Adjustment**

Paul Krampfert, Chair

Richard Scofield

Edmund Saleski, Alternate

Angel Nicoletti

Kathy Ellis, Secretary

## ***STODDARD CEMETERY COMMISSION ANNUAL REPORT***

The Stoddard Cemetery Commission is happy to report that we are 75% finished with removal and trimming tree work in the five (5) cemeteries. There is one large maple tree in Robb Cemetery which will require considerable pruning.

We continue to have our faithful maintenance men, Bob Curnutte and Roland Paight and we appreciate their hard work.

Vandals have struck again! One headstone in the New Town Cemetery was knocked down. The headstone is of Civil War Soldiers Conrad Webber, Sr., age 52, who died in a prison camp in Salisbury, North Carolina and his son Conrad Webber, Jr, age 18, who died 2 years after the war in Falmouth, Virginia. This was such a disgraceful act! Also, one headstone in the Old Dow Cemetery was knocked over. The headstone if of Ephraim Robinson, age 4 years, 8 months, died in 1818 and was the son of Rev. Isaac Robinson. This is a very old headstone – again a disgraceful act!

December, 2015 the enclosure was erected at the New Dow Cemetery. It is "U" shaped 4 ft. X 10 ft. and is located at the bottom of the hill on the lower exit road. The enclosure will hold loam for burials and planters, pots, etc. forgotten to be removed from grave sites.

Our May and June cemetery walk throughs will determine repairs, improvements and tree work necessary for the 2016/2017 fiscal year.

We wish to remind you that the cemeteries are closed for burials from November 15th through May 1st.

We hope you find our cemeteries well cared for and a dignified, respectful and peaceful final resting place for your loved ones.

The Stoddard Cemetery Commission would appreciate hearing any concerns that you may have with the cemeteries.

We take pride in all the cemeteries and hope you share our efforts.

Stoddard Cemetery Commission  
Mary Lou Stymest, Chairman  
Ed Saleski  
Amy Rokoszak

**CONTOOCCOOK AND NORTH BRANCH RIVERS  
LOCAL ADVISORY COMMITTEE  
(CNBRLAC)**

**FORWARD**

In 1988, the NH state legislature responded to the increasing and competing uses of our rivers by creating the NH Rivers Management and Protection Program (RMPP). The purpose of the program is to protect our state's significant river resources for the benefit of present and future generations through a unique combination of state and local resource management and protection.

A unique feature of the RMPP is the opportunity for cities and towns to participate, through local river management advisory committees, (LAC). An LAC is appointed for each designated river. Each LAC is comprised of representatives from each riverfront municipality and is responsible for developing a local river corridor management plan and reviewing and commenting on activities affecting the river that require state or federal permits.

Up to two representatives are permitted for each town. In Stoddard, Ruth Ward and Paul Krampfert are these representatives. The river system is the Contoocook and North Branch Rivers, hence the name of our non-profit group is the Contoocook and North Branch Rivers Local Advisory Committee (CNBRLAC).

We are involved in many additional tasks such as:

**EDUCATION AND PUBLICITY ABOUT THE RIVER**

**POSTING SIGNS ALONG THE RIVER**

**MONITORING AND CLEAN-UP ALONG THE RIVER**

***WORKING WITH THE WEED WATCHER PROGRAM***

**ADVISING TOWNS ON BUILDING IN THE RIVER CORRIDOR**

**TRAINING AND EDUCATING MEMBERS**

**RECRUITMENT OF NEW MEMBERS**

**PREPARING FORMAL ANNUAL REPORTS (BI-ANNUALLY)**

**NOTES:**

- a. **In a Stoddard Public Hearing on August 4, 2015, the two Stoddard CNBRLAC representatives presented the Contoocook and North Branch Corridor Management Plan to the Stoddard Planning Board. Ruth Ward and Paul Krampfert asked that the Stoddard Planning Board adopt this plan. The Stoddard Planning Board approved the**

**Contoocook and North Branch Corridor Management Plan as an addendum to the Master Plan.**

- b. In 2016, your Stoddard representatives are planning some specific activities outside the “usual”.**

**Ruth and Paul will attend the Annual Legislative Breakfast sponsored by the New Hampshire Water Pollution Control Association in conjunction with a wide ranging coalition of other local non-profit water organizations. The topic is “Water’s Worth It!”. Paul and Ruth will also continue to conduct water testing and analysis as part of the Voluntary Rivers Assessment Program (VRAP).**

**Ruth, a recent appointee to the Natural Resources Advisory Committee at Southwest Regional Planning Commission, is planning to attend the New Hampshire Water and Watershed Conference and the Saving Special Places.**

**Paul is planning to specialize in identifying and helping to eradicate invasive water plants. The CNBRLAC chair has challenged Paul and other members to such specialization. He has also committed to get on another town’s Conservation Commission agenda to solicit new members of CNBRLAC where none now exist.**

Paul Krampfert and Ruth Ward  
Stoddard Representatives.

CNBRLAC serves the towns of: Antrim, Bennington, Boscawen, Concord, Contoocook, Deering, Greenfield, Hancock, Henniker, Hillsborough, Hopkinton, Jaffrey, Penacook, Peterborough, Stoddard, and Rindge.

# HEALTHCARE, HOSPICE AND COMMUNITY SERVICES

Report to the Town of

**STODDARD**

2015/16

**Annual Report**

During the fiscal year 2015/16, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Stoddard. The following information represents activities in Stoddard during the past twelve months.

## Service Report

Services Offered	Services Provided
Nursing.....	497 Visits
Physical Therapy.....	172 Visits
Occupational Therapy.....	132 Visits
Medical Social Work.....	78 Visits
Home Health Aide.....	150 Visits
Chronic Care.....	1,029 Hours
Health Promotion Clinics .....	4 Clinics

Healthy Starts prenatal and well child care, hospice services and regularly scheduled “Nurse Is In” clinics, including foot care, are available to residents. Town funding partially supports these services.

HCS also offers the Age In Motion(AIM) program in Stoddard; AIM is an exercise program designed primarily for older adults. AIM promotes exercise for balance, flexibility, and to build strength, preventing falls and enhancing older residents’ ability to stay independent. .

## Financial Report

The actual cost of all services provided in your fiscal year 2015/2016 with all funding sources is \$246,475.00. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services not covered by other funding have been supported by the town’s appropriation.

For fiscal year 2016/17, we request an appropriation of \$800.00 to be available for home care services and \$1,200.00 for the Age In Motion program in Stoddard.

## ***HIGHLAND LAKE UNIFIED ASSOCIATION LAKE HOST PROGRAM***

The highly successful Lake Host Program, run by New Hampshire Lakes and administered by the Highland Lake Association, is now entering its 15th year. Since 2002 lake hosts have been examining boats and trailers for hitchhiking aquatic invasive species before they were able to infest another water body.

During the 2015 boating season, the lake hosts inspected over 2500 boats and trailers both entering and leaving the lake and prevented invasive plants from entering Highland Lake on two (2) separate occasions. By encouraging boaters to "clean, Drain and Dry" their boats, trailers and gear after boating and leaving their boats to dry for five (5) days before entering another water body, lake hosts have surely contributed to the prevention of many more aquatic invasive species from sneaking into New Hampshire water bodies.

Eradication of milfoil and other invasive species would be very expensive. Property values would be reduced considerably and there would be no swimming, boating or fishing. The first line of defense in protecting our lakes is the Lake Host Program.

During the 2015 season, with the help of the Towns of Stoddard and Washington, various road associations and the generosity of our members, we were able to fund the program for twelve weeks, which included ten fishing tournaments during the season. We wish to thank you all for your generosity. Also, thanks to Lake Hosts Jen, Nate, Neil, Brett and Mike.

It only takes one invasive plant fragment or a few larval cells of an invasive animal to cause a serious problem. Don't let another summer go by without Lake Host protection for Highland Lake.

## *THE LAKE HOST PROGRAM AT GRANITE LAKE*

The Lake Host Program was started in 2002 when New Hampshire Lakes Association received a two year grant from the National Oceanic and Atmospheric Administration. The grant supported a comprehensive aquatic invasive plant education and prevention program. This included the creation of educational training videos, development of plant identification cards, and the staffing of public motorized boat ramps with trained Lake Hosts. Today the program is funded through a combination of State, Foundation and Local funds.

The **goal** of the program is to prevent the introduction and spread of aquatic invasive species, both plants and animals, in New Hampshire's lakes and ponds. The **objective** of the program is to place trained Lake Hosts at boat launch sites in order to: educate visiting boaters about aquatic invasive species by distributing brochures answering questions, and completing boater surveys, conducting courtesy boat and trailer inspections of boats both entering and leaving public waters, and encourage boaters to conduct self-inspections according to "Clean, Drain & Dry" method. The Hosts also remove and properly dispose of all plant and animal materials and send samples of suspicious species to New Hampshire Department of Environmental Services for identification.

The **need/reason** for this program is to prevent the introduction and spread of aquatic invasive species as infestations make recreation in and on lakes, ponds and rivers dangerous and unpleasant. They disrupt the ecological balance of water bodies; reduce shoreline property values both aesthetic and recreational and are difficult and expensive to control once they infest a water body. The primary way that plant fragments or animal larvae are transported is on boats and trailers from infested water bodies to uninfested water bodies.

In 2015 the New Hampshire Lakes Association, Lake Host Program, was recognized nationally for its outstanding volunteer program. The program was awarded the Outstanding Invasive Species Volunteer Award, the awards ceremony was held in Washington DC.

Bob Englund & Zachary Farhm

Last season, state wide, New Hampshire Lake Hosts conducted 91,670 courtesy boat inspections resulting in 46 saves of aquatic invasive species. These were made by 786 Lake Hosts staffing 100 boat ramps state wide. Locally at the Granite Lake the boat ramp was manned 538 hours by paid Lake Hosts, which was matched by 540 volunteer hours. Together they conducted 848 courtesy boat inspections.

## **WATER SAMPLING ON HIGHLAND LAKE 2015**

Water testing is done three times during the summer for the Volunteer Lake Assessment Program (VLAP). The samples are taken at the main inlets, checking for clarity, pH, phosphorus, conductivity and chloride and at the deepest spots for chlorophyll-a, alkalinity and transparency. The Department of Environmental Services (DES), in Concord, checks the samples and compiles results comparing them with past data and how they compare to other ponds and lakes in New Hampshire. The sample crew also does a transparency check and sends it to Kent State in Ohio.

Ice out occurred on April 20th after a long, cold and snowy winter. The first sample round on June 28th was on a cool, windy and rainy day. Lake levels were high due to the rain and good flow in from the tributaries. One loon was observed in Pickerel Cove and the emerging weed growth in North and South shallow areas.

The second round was done on July 26th with notations of color in the sample from Dead Brook. Transparency was good even after increased boat traffic starting July 4th. Weed growth still not too bad, but we observed a lot of clumped up weeds again due to the board traffic.

The last round, done on August 30th, after a nice summer with many blue bird days. The lack of rain has helped the water transparency of over 4 meters at the north deep spot. The good clarity has a down side with increased weed growth in the shallow areas.

The sample results show pH a little low but it seems to be improving. The off color seen at Dead Brook was okay in the last round. Surface water temperature did not get much above 80F even on the few really hot days. Transparency is the best seen with readings of 4.13 without a view scope and 4.38 with a view scope. The final results and comparisons from the DES usually come in the spring and should be available at the annual meeting.

William Bearce, Chairman

Water Testing Committee and his crew:  
Jeff Berry & Debbie Krieder

# *Town of Stoddard*

## *2015 Town Meeting Minutes*

**TOWN OF STODDARD, NH**  
**TOWN MEETING**  
**MAY 12, 2015**

To the inhabitants of the Town of Stoddard in the County of Cheshire in the State of New Hampshire, qualified to vote in Town affairs: You are hereby notified to meet at the Stoddard Town Hall, 1450 Route 123 North in said Stoddard on Tuesday, the twelve (12th) day of May 2015, next at eleven of the clock in the forenoon (11:00AM) to act upon the following articles:  
**The Polls will be open from 11:00 AM to 7:00 PM.**

**Article 1:** To choose by ballot all necessary Town Officers for the ensuing year.  
**FURTHER;** you are hereby notified to meet at the James Faulkner Elementary School, Lucy B. Hill Community Room, in said Stoddard on Tuesday, the nineteen (19th) day of May 2015, next at seven of the clock in the evening (7:00 PM) to act upon Articles 2 through 30.  
Meeting to begin at 7:00 PM. Call to order by Moderator Daniel Eaton  
A request by petition has been made that Article 3 and Article 7 be voted by ballot.  
So accepted.  
Pledge lead by Dr Richard Whitney

**Article 2:** To see if the Town will vote to raise and appropriate the sum of \$365,717 for General Municipal Operations. This article does not include special or individual articles addressed.  
**Majority vote required. Recommended by the Board of Selectmen.**  
**Article 2** Motion made by Arnie Stymest, seconded by John Halter to accept as written.

Questions followed:  
George Davenport asked why the increase in the budget proposal for the buildings?  
He would like a total accounting of the amount spent on the Gould House renovations. Reply that the increases are in the expenses listed on page 71-72 of the budget proposal. After further discussion a vote was called.  
**Article 2 passed by unanimous vote.**

**Article 3:** To see if the Town will vote to raise and appropriate the sum of \$215,000 for the purpose of completing major additions and renovations to the Davis Public Library, including increased library space, new rest room facilities and other related improvements. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the renovations are completed or by September 30, 2017, whichever is sooner. **Majority vote required. Recommended by the Board of Selectmen.**  
**Article 3** Motion was made by Angela Nicoletti, seconded by Geri Bailey  
Discussion follows.

Angela spoke that the price of the well and the septic that have been put in already have been done at cost by Brad Bros. The patronage of the library has increased over 80% from last year's use. There are currently over 1000 library cards out for circulation.  
The costs of the renovation have been calculated with keeping the costs down to arrive at the figure of \$215,000. It does not include any landscaping or paving. The price of a new ceiling is not included as yet. There is a plan to use as much of the current shelves and interior as possible. They would like a new circulation desk and some additional shelves and storage. There is a grant that

has been applied for and granted that would be used as restricted funds for currently used items, this would include the ability to get a permanent wooden gazebo as a gathering place. Also a grant for \$2,500 for children's books. Also there are various other grants in the works including the Gates' grant for the best small library. There would then be funds that are not restricted.

Questions followed.

Sheila Healy what would happen to funds if the time lapsed. If the time goes beyond 6/30/2016?

The funds go back into the general funds.

Goeff Jones what are the costs of all of the library's wish list?

New desk - 36,000          Porch- 23,222

Shelves - 1,300          Heat pump (current cost) 17,625

Storage- 2,293          ceiling - \$4 / sq ft

Parking lot - \$85/ sq ft

The balance of the funds is planned to do as fund raisers not to come back to the tax payer.

Currently looking at heating options

Tom Davis asked if any private foundations been approached, for alternate funding?

Currently looking at the Putnam Fund and also other sources for private donations after the current meeting results are known.

Matt Cerbone asked why are the plans not being from the replacement of the entire building?

Brenda Bryer explained that the funding requirements for private vs public buildings are structured very differently.

Lindsey Freeze commented that as having worked at the Concord Vocational Tech the need for full support of education includes a library at full capacity and is dollars well spent on our children.

George Davenport would like the assurance of the Trustees and those on the committee to state that they would not be coming back to the taxpayers for additional funds for the building. The committee, all stand and guarantee that there will be no additional new needs that would be requested. Geri Bailey stated they realize this is a hard time to request more dollars than actually needed.

Vote called for by ballot

Results ballots cast = 136, 91 yes 45 no

**Article 3 Passes by majority vote**

**Article 4:** To see if the Town will vote to raise and appropriate the sum of \$4,690 for the operating budget of the Stoddard Planning Board. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 4** Motion made by Dian Matthews, seconded by Dean Huber to accept as written.

**Article 4 passed by unanimous vote.**

**Article 5:** To see if the Town will vote to raise and appropriate the sum of \$6,875 for the operating budget of the Stoddard Zoning Board of Adjustment. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 5** Motion made by Angela Nicolleti, seconded by Curtis Taylor to accept as written.

**Article 5 passed by unanimous vote.**

**Article 6:** To see if the Town will vote to raise and appropriate the sum of \$47,530 for the operating budget of the Stoddard Police Department. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 6** Motion made by David Vaillancourt , seconded by Joanne Vaillancourt to accept as written.

**Article 6 passed by unanimous vote.**

**Article 7:** To see if the Town will vote to authorize the Selectmen to enter into a municipal lease purchase agreement for the purchase of a new Fire Rescue Vehicle with a non-appropriation escape clause, for about \$197,600 and to raise and appropriate the sum of \$35,000 for the initial year's payment. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 7** Motion made by Margo Santoro, seconded by Steve McGerty to indefinitely postpone this article.

Brenda Bryer asked why need to do that at this point.

Margo Santo replied that there is not currently enough information available on the rescue vehicle.

Joe Sarcione asked why the people think this article would not pass?

Margo Santoro believed the need for other items for the department need be passed with more priority.

Steve McGerty replied that all the information was not available, all questions might not be able to be answered.

Jim Coffey replied that all the lease numbers about the lease purchase numbers are available.

Bob Fee asked to move the question.

Debbie Bowles asked, if the question is tabled for now when will it be brought back up.

Moderator replied that the question would be brought back next year if brought back.

Matt Cerbonne asked about last year's budget to own the pumper and rescue. If looking for medical only this would be bigger and newer only. What is the advantage?

Steve McGerty, replied that Engine 2 has rescue pieces a spreader and a cutter. That vehicle needs work, what savings would be if bought now or pro rate over time.

The new vehicle has a spreader, cutter and hydraulic jack. This would keep the engine as engine and rescue vehicles separate.

Brenda Bryer comments 36,000 times 6 payments would cost 210,000. The dedicated people need the resources for the rescues performed on Rte 9. She would rather see the other rescue vehicle done now than have it come out of capital resources.

Joe Sarcione as the Deputy Fire Chief responded that the new rescue would replace the old one. The old vehicle has service issues. It is overloaded, is a slow moving vehicle and getting more and more tired. Asked for quotes for repairs to keep what we have would be \$7,8000, without doing the striping and other finishing touches. If fixed, this would be a 2<sup>nd</sup> only piece of equipment in the eyes of NFPA. There is newer and better equipment on the proposed vehicle and they need a vehicle that can handle the needs. He met with the manufacturer of the equipment. The breakdown of the payments come from the bank per costs given.

Jim Coffey responded that the NFPA makes recommendations, no mandates or requirements are made, only the recommendations. The down payment of 35,000 would be repeated payments for years 2016- 2020

Steve McGerty request the removal of his second.

Margo Santoro withdraws her motion

Article 7 as original stands. Motion made by Brenda Bryer to move the article second by Joe Sarcione.

George Davenport responds the quotes for repair needing to be done should rely on a specialist, the quote done was by someone who doesn't do this type of work.

Curt Taylor asked if the new vehicle would fit into the firehouse?

Joe Sarcione replied that it will, the new vehicle is 1 ft shorter but the equipment it is outfitted with will make it work more efficiently. The old vehicle will go up for sale by bid and be sold with the approval of the town meeting.

Amy Rokoszak asked if ever consider buying a used vehicle, costing out something similar and was there a bid process done for the repairs.

Joe Sarcione, buying an old vehicle and refitting it would be buying someone else's headache in the department. It is all needed equipment for the responses and calls on Rte 9.

The purchasing of the vehicles as needed is as called for by the 25 year plan of the CIP. and keeping up with the plan is the most effective way method agreed upon. The truck pump pieces no longer able to be purchased would need to be a special manufactured piece.

Lorraine Joslyn asked if it went out for a used truck of similar use?

Steve Rockwell said the dept always goes out to bid for all equipment for both new and used.

Ginger Saleski asked if the calls were listed the general population as there is no real idea what is being done.

This is in the report page 14.

Matt Cerbonne: there is no debate on the need for another truck but as a professional using such a vehicle, there is a lot of redundancy and most of the equipment is coming off the engine for the same calls. As a medical request to be made a response could be made using a standard SUV that is outfitted at much less money.

Bob Fee says that as a tax payer this proposal seems to be coming to us very unprepared.

June Congdon said that many of the local requests are asked for down narrow dirt roads that the current vehicle can't get to already.

Margo Santoro replied that this has happened and been unable to access due to bad weather as well.

Amy Rokoszak asked if there is a written ballot, call to vote

8:30 begin ballot vote

Ballots cast 120 52 yes 68 no

**Article 7 failed to pass by majority vote.**

**Article 8:** To see if the Town will vote to raise and appropriate the sum of \$7,500 for the Antrim ambulance service, or other appropriate service. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 8** Motion made by Margo Santoro, seconded by Steve Rockwell to accept as written.

**Article 8 passed by unanimous vote.**

**Article 9:** To see if the Town will vote to raise and appropriate the sum of \$77,000 for the operating budget of the Stoddard Fire & Rescue Department. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 9** Motion made by Mark McKeen, seconded by Margo Santoro to accept as written.

Joe Sarcione moves to increase the amount required to \$84,102 to include the repairs to the rescue vehicle. The motion was seconded by Margo Santoro.

Bob Hardy requested a breakdown on the repairs  
Joe listed the items needing repair or replacement.  
Amy Rokoszak asked who was the bid from.  
Joe Sarcione replied that Tucker needed the \$7,107 requested  
Lorraine Joselyn asked why not more bids.

It is customary to get 1 estimate and then go out to bid.  
Gorden Jennison asked why Tucker and not a mechanic  
Joe Sarcione stated that Tucker does do this type of work  
Motion moved to amend the article to the amount of \$84,107 motion carries.

**Article 9 as amended passed by unanimous vote.**

**Article 10:** To see if the Town will vote to raise and appropriate the sum of \$41,000 for the purpose of purchasing personnel protective equipment for the Stoddard Fire and Rescue Department. Explanation: This provides for protective gear for fire fighters. Present protective gear is old and must be replaced to meet NFPA standards. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 10** Motion made by Mark McKeen, seconded by Joe Sarcione to accept as written.

Frankie Scofield asked if any grants were being applied for?

At this time very little is available to apply for.

Richard Betz asked, if this is the same request as asked for last year.

Yes it is the second of three requests being planned for to complete the equipment purchases.

Bob Hardy asked to have explained how the determination is made for the equipment to qualify. There is a rating for response equipment given by the district that is not just Stoddard but NH parts of VT and MA for state wide responders. We currently have 25 firefighters as well as medical responders.

Margo Santoro said that there are now 5 new members that need equipment.

Ricky Burno asked why there are 2 types of equipment.

One is for firefighters and other type is for medical responders.

**Article 10 passed by unanimous vote.**

**Article 11:** To see if the Town will vote to raise and appropriate the sum of \$4,050 for the operating budget of the Stoddard Fire Warden. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 11** Motion made by Joe Scarcione, seconded by Steve Rockwell to accept as written.

Fred Ward asked what the Fire Ward does?

Steve Rockwell explained the duties include issuing fire permits, responds to complaints, judge the risk of fire, and respond to brush and structure fires.

**Article 11 passed by unanimous**

**Article 12:** To see if the Town will vote to raise and appropriate the sum of \$1,500 for the operating budget of the Stoddard Emergency Management. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 12** Motion made by Steve McGerty, seconded by John Halter to accept as written.

**Article 12 passed by unanimous vote.**

**Article 13:** To see if the Town will vote to raise and appropriate the sum of \$14,750 for the Lay Monitoring, Lake Host Programs and water testing. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 13** Motion made by Angela Nicoletti, seconded by Goeff Jones to accept as written.  
**Article 13 passed by unanimous vote.**

**Article 14:** To see if the Town will vote to raise and appropriate the sum of \$2,400 for the operation of the Stoddard Conservation Commission. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 14** Motion made by Goeff Jones, seconded by Brenda Bryer to accept as written.  
**Article 14 passed by unanimous vote.**

**Article 15:** Shall we adopt the provisions of RSA 79-A:25-a to account for revenues up to \$10,000 in a fiscal year received from the land use change tax in a fund separate from the general fund? Any surplus remaining in the land use change tax fund shall not be part of the general fund until such time as the legislative body shall have had the opportunity at an annual meeting to vote to appropriate a specific amount from the land use change tax fund for any purpose not prohibited by the laws or by the constitution of this state. After an annual meeting any unappropriated balance of the land use change tax revenue received during the prior fiscal year shall be recognized as general fund revenue for the current fiscal year. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 15** Motion made by Arnie Stymest, seconded by Steve McGerty to accept as written. Goeff Jones explained that this would give the selectmen the approval to take money collected from the taxes paid in change of use taxes for land that comes out of current use status. Up to \$10,000 to be put into restricted funds for the conservation commission to be used for special projects such as trail signs. This is allowed by RSA 36 A :5 III.

Motion made by Brenda Bryer to indefinitely postpone this article. The wording of this article is not as was presented by the commission to the selectmen.

Seconded by Karl Parrot

Goeff Jones requested not to do this as the funds available this year are significant due to changes scheduled to already be made, therefore would be a loss of revenue which might not be available next year.

Harry Power said that the Conservation Commission has already approved this article as written. Brenda Bryer replied that there is an understanding of what the goal is, that if these funds were available there would not be a request made to the taxpayers for funds for these projects and might be a reduction in taxes to the residents.

George Davenport said that the article as written could changes of the legislation allow money to be spent any other way?

No

Curtis Taylor asked what would happen to the remainder of any additional fund?

The additional moneys would go to reduce taxes.

Motion to indefinitely postpone moved

Motion failed.

Nicholas Healy asked to clarify that the money would go to the conservation fund.

Paul Crosby stated that RSA 36 established that the money would go to the conservation commission if there is one and we had established the commission in years past.

Goeff Jones asked to include the original request of the warrant article, to see if the deposit of revenues collected pursuant to FSA 79-A be deposited in the conservation fund in accordance with FSA 36-A:5 III as authorized by RSA 79-A:25 II.

Dan Eaton replied that the wording could be included in the minutes but to change the wording of the article might create a conflict that the DRA might decline the warrant.

Jim Coffey said that all warrant articles go to their approval before being published for the meeting.

Further discussion ensued

Call to move the question and limit the debate by George Davenport, seconded by Curtis Taylor  
Motion carries

**Article 15 passed by unanimous vote.**

**Article 16:** To see if the Town will vote to raise and appropriate the sum of \$216,200 for Winter and Summer maintenance, emergencies and planned repair of Town roads and bridges.  
**Majority vote required. Recommended by the Board of Selectmen.**

**Article 16** Motion made by John Halter, seconded by Steve McGerty to accept as written.

**Article 16 passed by unanimous vote.**

**Article 17:** To see if the Town will vote to raise and appropriate the sum of \$188,423 for all Recycling, Solid Waste and related expenses for the ensuing year for the Stoddard Transfer Station, use of the Washington Transfer Station by certain residents and for hazardous waste disposal services provided by the City of Keene. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 17** Motion made by John Halter, seconded by Steve McGerty to accept as written.

**Article 17 passed by unanimous vote.**

**Article 18:** To see if the Town will vote to raise and appropriate the sum of \$28,902 for the operation of the Davis Public Library. [Per RSA 202-A:11, the funds raised and appropriated, other than payroll and utilities, shall be paid over to the Library Trustees pursuant to a payment schedule as agreed upon by the Library Trustees and the Selectmen.] **Majority vote required. Recommended by the Board of Selectmen.**

**Article 18** Motion made by Angela Nicoletti, seconded by Donna Hamilton to accept as written.

**Article 18 passed by unanimous vote.**

**Article 19:** "Shall the town accept the provisions of RSA 202-A:4-c providing that any town at an Annual Meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Public Library Trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?" **Majority vote required. Recommended by the Board of Selectmen.**

**Article 19** Motion made by Donna Hamilton, seconded by Angela Nicoletti to accept as written.

Fred Ward said this is the only department in town that operates this way.

Jim Coffey said the library can now accept grants but must go through the selectmen each time.

Fred Ward asked what would now change?

Geri Bailey said this would allow the library freedom to request and apply for any possible funding without first needing to go through the Selectmen.

**Article 19 passed by unanimous vote.**

**Article 20:** To see if the Town will vote to raise and appropriate the sum of \$9,375 for the operating budget of the cemeteries. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 20** Motion made by Mary Lou Stymest, seconded by Amy Rokoszak to accept as written.  
**Article 20 passed by unanimous vote.**

**Article 21:** To see if the Town will vote to raise and appropriate the sum of \$800 to Home Healthcare, Hospice and Community Services to support the continuance of visiting nurse and home health services being provided to the residents of Stoddard. **(By Petition) Majority vote required. Recommended by the Board of Selectmen.**

**Article 21** Motion made by Richard Nicoletti, seconded by Lindsey Freese to accept as written.  
**Article 21 passed by unanimous vote.**

**Article 22:** To see if the Town will vote to raise and appropriate the sum of \$1,200 to Home Healthcare, Hospice & Community Services to support continuance of the Age In Motion program provided to the residents of Stoddard. [Explanation: This program, for all area Seniors (60+), normally meets in the Town Hall on Tuesday and Thursday for a period of 20 weeks. The funds will cover the cost of a trained physical exercise leader and equipment. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 22** Motion made by Jean Kelly, seconded by Pat Putnam to accept as written.  
**Article 22 passed by unanimous vote.**

**Article 23:** To see if the Town will vote to raise and appropriate the sum of \$1,540 for Monadnock Family Services, a non-profit agency which provides quality mental health services to residents of Stoddard, which is requesting said amount to help underwrite the cost of services provided to residents. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 23** Motion made by Sandy Sherman, seconded by Stephen Raymond to accept as written.  
**Article 23 passed by unanimous vote.**

**Article 24:** To see if the Town will vote to raise and appropriate the sum of \$2,000 for support of The Community Kitchen, Inc., located in Keene, New Hampshire. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 24** Motion made by Penny Betz, seconded by Richard Whitney to accept as written.  
**Article 24 passed by unanimous vote.**

**Article 25:** To see if the Town will vote to raise and appropriate the sum of \$470 for support of the New Hampshire Region of the American Red Cross. **[Request is based on a \$0.45 per-capita rate and the 2009 Stoddard population of 1045.] Majority vote required. Recommended by the Board of Selectmen.**

**Article 25** Motion made by Jean Kelly, seconded by Stephen Raymond to accept as written.  
**Article 25 passed by majority vote.**

**Article 26:** To see if the Town will vote to raise and appropriate the sum of \$543 for Southwestern Community Services, a non-profit agency which provides fuel assistance, weatherization and other related services to residents of Stoddard, which is requesting said amount to help underwrite the cost of services provided to residents. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 26** Motion made by Brenda Bryer, seconded by June Congdon to accept as written.  
**Article 26 passed by unanimous vote.**

**Article 27:** To see if the Town will vote to raise and appropriate the sum of \$20,000 to be placed in the Building Capital Reserve Fund, established in 2013. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 27** Motion made by Steve McGerty, seconded by John Halter to accept as written.

Matt Cerbone asked how much was currently in the fund?  
Now currently \$20,000.

**Article 27 passed by unanimous vote.**

**Article 28:** To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of providing major reconstruction and repair of municipal bridges and roadways, and to raise and appropriate the sum of \$10,000 to be placed into this fund. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 28** Motion made by Arnie Stymest, seconded by John Halter to accept as written.

**Article 28 passed by unanimous vote.**

**Article 29:** To see if the Town will vote to abolish in accordance with RSA 669:17-b the following optional four elective offices: constable, auditor(2) and sexton. **Majority vote required. Recommended by the Board of Selectmen.**

**Article 29** Motion made by John Halter, seconded by Steve McGerty to accept as written.

Brenda Bryer this would mean that we don't look at our internal controls.

Jim Coffey said the professional audit report is available to be seen and they do look at all procedures and make recommendations, the company we use is Melanson.

Matt Cerbone asked how the constable does his job then.

The Constable position is elected but fulfilled by the police chief anyway who is appointed.

The sextant position has been an appointed position and would continue to be.

**Article 29 passed by unanimous vote.**

**Article 30:** To see if the Town will vote to change the terms for the Board of Fire Ward from one year to three years, staggered, as allowed by RSA 669:17, VIII.. [To become effective at the 2016 Annual Meeting.] **Majority vote required. Recommended by the Board of Selectmen.**

**Article 30** Motion made by Joe Sarcione, seconded by Steve McGerty to accept as written

Brenda Bryer asked what happens now?

The positions are elected yearly; this would stagger the terms of office.

**Article 30 passed by unanimous vote.**

John Halter now asked for the floor. He thanked Arnie Stymest for his years of service to the town. His term concludes at the end of the meeting. He has served the town for 2 terms of 6 years total. Arnie thanked everyone for their support and hopes in his service he has left the town better than when he first took office.

Dan Eaton wanted to update the town on work being done in the senate. The cap on the school funding has been removed - this bill has passed. This will benefit Stoddard.

Dan Eaton requested all elected officials from the May 12<sup>th</sup> election, remain to take the oath of office.

Claire Costin moved to adjourn the meeting, seconded by David Costin.  
Meeting ended at 9:30 PM.

Linda E. Clark/ Town Clerk  
A True Attested Copy.

# *Town of Stoddard*

## *Town Warrant & 2016 Town Budget*

**TOWN OF STODDARD, NH**  
**TOWN MEETING**  
**MAY 10, 2016**

To the inhabitants of the Town of Stoddard in the County of Cheshire in the State of New Hampshire, qualified to vote in Town affairs: You are hereby notified to meet at the Stoddard Town Hall, 1450 Route 123 North in said Stoddard on Tuesday, the tenth (10th) day of May 2016, next at eleven of the clock in the forenoon (11:00 AM) to act upon the following articles:

**The Polls will be open from 11:00 AM to 7:00 PM.**

**Article 1:** To choose by ballot all necessary Town Officers for the ensuing year.

**FURTHER;** you are hereby notified to meet at the James Faulkner Elementary School, Lucy B. Hill Community Room, in said Stoddard on Tuesday, the seventeen (17th) day of May 2016, next at seven of the clock in the evening (7:00 PM) to act upon articles 2 through 26.

**Article 2:** To see if the Town will vote to raise and appropriate the sum of \$372,833 for general municipal operations. This article does not include special or individual articles addressed. **Majority vote required. Recommended by the Board of Selectmen.**

FUNCTION	ACCOUNT	2015-2016	2016-2017
Executive	4130	\$97,023	\$99,799
Election, Reg. & Vital Statistics	4140	\$50,480	\$53,100

## INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen  
Town of Stoddard, New Hampshire

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Stoddard, New Hampshire, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the Table of Contents.

### **Management's Responsibility for the Financial Statements**

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and

fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our (1) adverse audit opinion on the governmental activities, and (2) unmodified audit opinions on the major fund and aggregate remaining fund information.

### **Basis for Adverse Opinion on Governmental Activities**

Management has not included any of the Town's capital assets acquired nor the accumulated depreciation and depreciation expense related to those assets in the governmental activities. Accounting principles generally accepted in the United States of America require that those capital assets be capitalized and depreciated, which would increase the assets, net position, and expenses of the governmental activities. The amount by which this departure would affect the assets, net position, and expenses of the governmental activities has not been determined.

### **Adverse Opinion on Governmental Activities**

In our opinion, because of the effects of the matter described in the Basis for Adverse Opinion paragraph on the governmental activities, the financial statements referred to above do not present fairly, in all material respects, the respective financial position of the governmental activities of the Town of Stoddard, New Hampshire, as of June 30, 2015, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Opinion on Major Fund and Aggregate Remaining Fund Information**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major fund and the aggregate remaining fund information of the Town of Stoddard, New Hampshire, as of June 30, 2015, and the respective changes in financial position where applicable and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

October 23, 2015

## GRANITE LAKE VILLAGE DISTRICT ANNUAL MEETING REPORT

Village District of Granite Lake Village

New Hampshire

Warrant and Budget

2016

To the inhabitants of Granite Lake Village in the County of Cheshire in the state of New Hampshire qualified to vote in village district affairs are hereby notified and warned of the Annual Meeting will be held as follows:

Date: Saturday, April 16<sup>th</sup>, 2016

Time: 9:00AM

Location: Chapel by the Lake, Munsonville, NH

Details: To vote on Articles 1-6, including election of officers

### Article 01: election of officers

To choose one commissioner for a term of three years, and to see who the inhabitants of the District will elect for the offices of auditor, treasurer, moderator, and clerk, each for a term of one year. Nomination for auditor, John Halter; treasurer, Barbara Ropiecki; clerk, Sally Ripley.

Yes       No

### Article 02: Capital Reserve Fund

To see if the Village District will vote to raise and appropriate the sum of \$5,000.00 to be added to the Dam Capital Reserve Fund for dam maintenance/repair/replacement previously established in December 2008. Commissioners Recommended. (Majority vote required.)

Yes       No

### Article 03: General operating expenses

To see if the village district will vote to raise and appropriate the sum of \$2,000 for village district expenses. This article does not include appropriations contained in special or individual articles addressed separately. (Majority vote required)

Yes       No

### Article 04: Insurance

To see if the village district will vote to raise and appropriate the sum of \$800 to pay for liability insurance for one year for the District.

Yes       No

### Article 05: Repair Fence

To see if the Village District will vote to appropriate \$1,000 to repair existing fence around dam with said funds to come from unassigned fund balance.

Yes       No

**Article 06: Next annual meeting date**

To see if the Village District will vote to hold its next annual meeting April 15, 2017 at 9:00 AM at the Chapel-by-the-Lake in Munsonville, NH

Yes       No

Given under our hands, March 30, 2016		
We certify and attest that on or before April 1 <sup>st</sup> , 2016, we posted a true and attested copy of the within Warrant at the place of meeting, and like copies at <del>Nelson Town Hall</del> <u>Chapel by the Lake</u> , and delivered the original to the Treasurer of the GLVD.

*This photograph was taken near Route 9 along the Stoddard – Antrim line in 2010. The cat had been tranquilized by N.H. Fish & Game and UNH so that it could be relocated away from construction activity near where it was living, on a hill across Route 9, from the stone arch bridge. It is quite large, 62 pounds, and appears to be well fed. The cat is being held by Ted Hutchinson at his home. Like many other seasonal residents, we believe the cat has become a full-time resident.*
