ANNUAL REPORTS OF THE TOWN OFFICERS

TOWN OF STODDARD

NEW HAMPSHIRE For the fiscal year ending June 30, 2015

Our cover picture is a painting by Stoddard resident Mr. Richard Whitney, and is titled "Pitcher Mountain Farm." Mr. Whitney is nationally recognized as one of America's best portrait and landscape artists. His work may be viewed at www.crescentpond.com. We thank Mr. Whitney for sharing this painting with us. is

PUBLIC NOTICE TO STODDARD RESIDENTS AND PROPERTY OWNERS

[RSA 674:39-aa.VI]

Pursuant to Chapter 206 (HB 316) of the 2011 Legislative session, and RSA 674:39-aa, notice is hereby given to all Stoddard residents and property owners that any involuntarily merged lots may be restored to premerger status upon the owner's request to the Board of Selectmen. This notice is posted at the Stoddard Town Offices and the Stoddard Town website, and shall remain posted through December 31, 2016. Notice shall also be published in the Town's Annual Reports through the 2015/16.

SELECTMEN'S ANNUAL REPORT

It has been an enlightenment and a challenge serving as your selectman for the past six years. Thank you for your support and suggestions. Together we have accomplished so much.

The selectmen's job is to serve the people, run professional meetings, spend the public's money prudently, listen to suggestions and reasonable requests and resolve complaints.

Many thanks to those who volunteer their time and efforts serving on the various Boards, Committees and Clubs. These are the people that work for free and are the unsung heroes of Stoddard.

We are so proud of our town offices, the refurbished Town Hall and the impending completion of the Davis Public Library addition. All of the buildings conveniently located near each other in the town center. Wouldn't it be convenient to have all the offices in the same building and be open five day a week?

Respectfully submitted,

Arnie Stymest, Chairman Board of Selectmen

TOWN ADMINISTRATOR'S REPORT

NEW STODDARD WEBSITE

This past February we transitioned to a new web site provider and support group. This was done in part due to our volunteer coordinator of many years, Dick Betz, retiring from that position and concerns about the business hosting the site for us in the long term. Our sincere thanks to Dick for all he did to build and maintain the previous site. Although the site has a different look and feel to the user most of the material brought into it was directly from the old site. The new format we are using is employed by many towns and school systems and is hosted by a company known as Virtual Town and Schools. We chose this company for their extensive experience with many New England towns our size, real phone support and easy to administer software.

As of my writing this we have begun to gain some proficiency in maintaining the site. This year we will make all the public versions of the property record cards available through the site. In the future we will have interactive tax maps that will help serve the public and reduce requests to the town office. It is within our grasp to accomplish this since the critical data files already are available and in use.

As part of the new web site we hope to make local government more transparent and to better get information to the all the residents, no matter where they be, especially during a cold Winter. The software we use allows you to sign up as subscriber to news and announcements as we post them. When I last checked we had only twelve subscriber's, including myself.

Please come visit the site and send us your suggestions for improving it. We will be adding items to it but a fresh look from the outside can provide a perspective that we cannot see. Finding one's own mistakes is often very difficult.

PLANNING BOARD REPORT

This year the Planning Board continued to with our sub-committee working on the Master Plan Update. We also added a new sub-committee to look at the Capital Improvement Plan. We have spent a lot of time becoming familiar with the documents. There are items in both documents which have been realized by the Town (the Town Clerk's Office in the Town Hall, for example) and there are items which are outdated (Communications, for one) and must be made current. We are in the process of preparing Addendums for each document. Hopefully this work will be ready for presentation and public input in the spring of 2016. A growing trend in our state is an Agricultural Commission. Marlow established one in 2008 and Nelson in 2011. In 2012 New Hampshire was #1 nationally of farms that sell directly to consumers. Given that all of us in Stoddard appreciate our rural heritage, we are looking into the establishment of an Agricultural Commission to promote agriculture interests in Stoddard.

Another concern we have been discussing is future development along Route 9. Our 11 mile section of that road can be dangerous and we need to be mindful that any development patterns are in the best interest of our town. We are using Terry McMahon's giant map of Stoddard to help us see where areas might exist that are suitable and preferable to the Town's future vision. We are creating a proactive tool for the Planning Board to use along with the Master Plan.

Respectfully,

Dian Matthews, Chairman Dale Smith, Vice Chairman Dean Huber Chris Madden Ellen Mason Ruth Ward Harry Power, Alternate Margo Santoro, Alternate Pat Putnam, Secretary

TOWN CLERK'S REPORT 2015

This summer saw the end of construction at the Town Hall. If you haven't been in stop by and see, it looks great. It has been another good year here in this office. We have settled in and we do enjoy the space that we have.

It would seem that the economy is improving; we have seen a significant increase in new titles and registrations this year. This means increased revenue for the town, always a good thing.

There is a new member to the team this year; Margo Santoro has joined our office as a new Assistant Town Clerk. For her it has been quite a time of training and learning for her. This means that we now have 3 qualified people in the office to help cover for vacations and elections and sick days. So you will see Ginny on Tuesdays and Margo on Thursdays as well as myself.

There were 3 elections in 2014, and for the first time in a long time we are holding elections back at the Town Hall. So please remember at Town Meeting time, the election will be held at the Town Hall, and the town meeting, for space reasons, will still be held at the Faulkner Elementary School.

As always, it is a pleasure and a privilege to serve the people of Stoddard in the capacity of town clerk. Thank you to everyone.

Respectfully submitted,

Linda Clark Stoddard Town Clerk

POLICE DEPARTMENT REPORT continued

The year 2013 has been another great though very busy year for the Stoddard Police Department. I would like to thank Officer Dominic Busto as well as animal control officer Margo Santoro for their cooperation and dedication to the Stoddard Police Department. Their help has been greatly appreciated in making our community safe.

Continued increase of patrol this year, has benefitted the safety of our citizens. Over 150 motor vehicle stops were made this year, the majority being on Route 123.

We would like to remind everyone to remain safe while travelling on our roads and to follow all speed limits; this will keep our community safe. With weather conditions changing and becoming warmer more bikers, motorcyclists, pedestrians and animals will be travelling our roads.

We would like to thank the citizens of Stoddard for their continued support and assistance. If there is ever an emergency, please call 911. You can also contact dispatch directly by calling (603) 355-2000. For any non-emergency issues, please call the Stoddard Police Department at (603 446-3597.

Respectfully submitted,

David Vaillancourt, Constable/Police Chief

MR. LEWIS CLARK

In recognition of 57 years service to the Stoddard Fire Department & Fire Warden

Lewis Clark was born in 1930 in the town of Henniker and moved to Hillsborough and then to Stoddard in 1942. He married his wife Jean Whitten Clark in February of 1951. He has a love of the woods and enjoys fishing, hunting and trapping. He started working at Andorra Forest in 1955 and eventually became the Andorra Forest Manager. He remained the manager till his retirement in 1996. He served the town as a firefighter and Forest Fire Warden for a number of year. HE still serves the community as a Deputy Warden issuing fire permits. He was recently awarded an award at the Stoddard Fire and Rescue Departments awards night for his 57 years of service to the Town of Stoddard.

He served in the Military for 50+ years and was deployed during the Korean War.

He has 4 children, 7 grandchildren and 10 great-grandchildren and he enjoys going to yard sales and camping in Maine.

STODDARD FIRE & RESCUE AND EMERGENCY MANAGEMENT REPORT

The Stoddard Fire & Rescue department call volume for the January to December 2014 time frame were: 49 fire/service calls, 58 medical, 20 motor vehicle accidents, 5 mutual aid calls, for a total of 117 calls for 2014.

The Shannon J. Sarcione Memorial Scholarship for 2014 was awarded to Emily Haley. The \$500.00 scholarship is awarded to a student who is a resident of Stoddard with financial need who displays academic excellence, commitment to serving others and who is active in their school and community. Candidates must also be planning to enroll in one of the following: a two or four year college, university, vocational or trade school.

Welcome new members Megan Holland and Katlyn Hayes.

Congratulation to David Plante for completing his Firefighter I certification course. The course entailed over 200 hundred hours of classroom and practical skills and two weekends at the New Hampshire Fire Academy in Concord.

A new dry hydrant was installed at Cold Spring in August. Thank you, Steve Rokes, for volunteering your time and equipment along with Joe Sarcione, Steve McGerty, and Brian Michaud. This was not an easy task to complete, as it took over 8 hours to install the dry hydrant. A dry hydrant is a water source used to draft water. We will be installing a dry hydrant at Island Pond in the near future. We are investigating installing a dry hydrant or hydrants in Hidden Lake.

Fisher Generator Service in Henniker, NH in February donated a 6.5 Watt portable Generac Generator with electric start to the fire department. The only stipulation was that the department does training on NFPA 37 and specifically for the fire department.

On November 27th the town experienced a significant snow storm and had two medical calls within minutes of each other. The residents driveways were not plowed which made it very difficult for the medical personnel to reach the patient and get the patient to the ambulance, but Thanks to John Lightbody who plowed their driveways and the members of the department that shoveled the resident's doorways; so we were able to get the patients to the ambulance.

The department is looking to replace its 1994 rescue vehicle, which is 21 years old. The rescue responds to 98% of the calls each year. About three years ago we had emergency repairs done on the frame and body of the vehicle due to rust on the frame and body. In 2014, we had issues with the rescue stalling when members were driving the vehicle when the engine was hot. The vehicle stalled one time on route 9 at 55 mph and when the rescue stalled there was no power to the steering wheel, which made it a very dangerous situation for the driver and other members in the vehicle. We added a fan in the engine compartment, but are not sure if the issue has been corrected since this was installed in September. When going up Shedd Hill the vehicle only goes approximately 5 mph, demonstrating that the engine is getting tired. The vehicle has several

FIRE, RESCUE AND EMERGENCY MANAGEMENT REPORT continued

hours of idle time. Then the next vehicle that will need to be replaced or refurbished will be the 1991 tanker, which will be over 30 years old.

The emergency management received two grants, which were 50/50 grants. One grant was for software for the laptop and one mobile radio to use in the Emergency Operating Center. The other grant was to update the town's Emergency Operating plan, which was completed in 2015. Thank you to Joe Sarcione, Brian Michaud, Kellie Holland, Randy Weaver, John Halter and Lisa Davenport for their time spend working on this project.

The department would like to thank the residents of the community, The Mill Village Store, and the Monadnock Boat Store for their continued support throughout the year.

Respectfully submitted,

Chief P.J. LaMothe

FOREST FIRE WARDENS REPORT

2014 was somewhat quiet with just a few small fires. We responded to a couple of non-extinguished campfires that were left in the woods one of which was in a rock cropping and was very difficult to extinguish. First remember no fires can be ignited unless you have a written permit and if you do not own the land were the fire is to be you must have written permission from the land owner prior to getting a permit. Permits are a privilege to have.

All our Forestry equipment is in great shape and ready for use thanks to the hard work of the Fire Department.

I have appointed two new Deputy Wardens and along with my other Deputies, I would like to introduce them to you. Writing permit are Lewis Clark, Patricia Lamothe, Jessie Pollock and Randy Weaver. Purchasing is Jennifer Merrill, and equipment responsibility Steven McGerty.

At this time it is my privilege to introduce to you a man who has been serving this community for 57 years starting as Warden and now serving as Deputy Warden. He has a great knowledge of the woods, trails, water sources and type of terrain. He attended Wardens training and was a member of the Forest Fire Wardens Association for a many of years.

STODDARD COMPLIANCE OFFICER REPORT 2014

Even with a less than robust economy, Stoddard continues to see growth at a faster pace than out surrounding sister towns. There was a recent article that Stoddard was one of the fastest growing towns in New Hampshire. The Stoddard school has seen a large increase in the numbers of children and this could be from rental properties that might not qualify for year round use. Stoddard zoning requires seasonal to year round use to have a septic system that has an **Approval for Operation** from the NHDES.

The two legal issues that have saddled the town regarding property violations should be resolved by early summer. I receive many calls from contractors and residents with questions regarding zoning which indicates to me most folks want to do what is right. A town's reputation and appearance is one of the primary factors making your property values worth more.

There were 26+ Building Permits, 4 were new homes, new additions, garages, sheds, etc. Building Permits are now required for a Septic System installation and a well installation.

As previously stated, property values have seen a reduction due to the economy, and without zoning and enforcement, they would erode further.

In conclusion, If you have questions about building or zoning issues, feel free to give me a call at 446-7778 and if I can't give you an immediate answer, I will obtain legal opinion from NH Municipal Association.

Thank you all for your cooperation.

Harry R. Power Stoddard Compliance Officer

TRUSTEE OF TRUST FUNDS REPORT

The Report of the Trust Funds included in this Town Report itemizes the current balance of each account in the custody of the Trustees from July 1, 2014 to March 31, 2015. At the end of this Fiscal Year (July 1, 2014 – June 30, 2015), this report will be updated and submitted, as required by the State of New Hampshire, to the Attorney General and Secretary of State.

The following is to give information in regard to the activities that have occurred in respect to these funds:

On December 1, 2013, the Town invested in a 5 Year Annuity @ a rate of 1.60% with Bankers Life and Casualty. As of this report, the next five are the funds that are still invested in that Annuity:

Town Cemetery - Care Sweetwater Trust Town Building and Renovation Fund Town Parks and Recreation Granite Lake Dam Repair

You will note that the Capital Reserves for the School are no longer listed in this Annuity. A letter was sent to the Trustees demanding that all funds earmarked for the SAU be withdrawn from the Annuity. They agreed in their letter dated 06/24/2014 that they would pay any penalty associated with this pre-maturity withdrawal upon the first year anniversary of the Annuity (December 1, 2014). The Report shows the result of this withdrawal. The net amount that was received has been deposited into the \$200,000.00 Money Market Account established by the 2014 School Meeting ("50% of any surplus – up to \$200,000 be invested in an expendable account.")

The following funds are deposited in Money Market Accounts:

Emerson and Ruth McCourt Cemetery Fund - Repair/Maintenance of Headstones in Mt. Stoddard Road Cemetery & Stoddard Rocks Fund

Town Building and Renovation Fund – CD – Since these funds were not received until late January there is no interest listed on this report. Interest will be reported at the end of the Fiscal Year.

The General Cemetery Fund is used for the general maintenance of the town cemeteries and remains in a NOW Checking Account. Each year the Town requests the amount needed for expenses incurred for this maintenance. Funds in the New Cemetery Plots account will be transferred to the General Cemetery Fund account as this has been a fairly inactive account.

The investment for the School – Extraordinary Tuition, remains in a regular CD. No funds have been withdrawn from this account. Two Capital Reserve – School Accounts earmarked for Improvements remain in a Certificate of Deposit at a rate of .035%.

Deposits into the Annuities for the Granite Lake Village Dam Repair continue to grow and will be used when the necessity arises.

The State of NH requires the Trustee of Trust Funds to hold a public meeting once a year. The Trustees met on August 2, 2014 at the Town Hall. Members of the public are invited to attend. Notices of meetings and subsequent minutes are posted at the Town Hall, Post Office and Town Clerk's office.

DAVIS PUBLIC LIBRARY REPORT

Thank you for your support in 2014! Our patronage has grown by 83% over the past year. When the library was built in 1949, it took on an important role as a community educational and cultural resource. Our use of space within the library and on the grounds and the types of goods and services offered has continually adapted to support this responsibility. It's quite amazing what has been done within the constraints of budget and space to make the Davis Public Library the special place that it is.

We have had many great programs in the past year with an increase of 92 more programs than the years before. The year's activities included seasonal crafts for children including lantern making, pumpkin painting and a holiday gift making workshop. Other activities included story time with Santa Claus, an Easter egg hunt, trick or treat, national game day celebration, a Willy Wonka birthday celebration, the building of our gnome garden and a weekly winter adult craft day.

The libraries monthly photo project had many participants. Patrons submitted photos pertaining to the monthly theme, it was a great way to learn about the people in our community and keep those away for the winter involved in the community.

Last June, James Faulkner Elementary students had a walk to the library with their teachers. After learning how to use the library, each student signed up for their own library card and checked out a book of their own! The students conducted book reviews, which were made available at the library to assist children in selecting new book titles. Following the school year the library held its annual summer reading program for children. The theme was 'Read to Grow', the library partnered with JFES to collaborate a Saturday summer story time followed by a family work time at the schools garden with Marilyn Chamberlain.

Over the summer Mary Ann Damato taught a wonderful month long art program: The Indigenous Arts of the Americas'. Children learned the art and culture of the different tribes throughout North and South America. The art projects took us on a travel across the Americas.

All of this would not be possible without the support of the Friends of the Library. The Friends have an active role in supporting and promoting the Davis Library. The group has supported several library events including an incredible hiking memoir presentation: *Buffalo and Tough Cookie*, trick or treat and an Easter egg hunt at the library, the annual summer reading program and the Book Pal program. Along with these programs, the Friends have provided generous donations to of books, DVDs, computer repair services, craft supplies, decorations, museum passes to Cheshire Children's Museum, Mariposa Cultural Museum, Strawberry Banke and The Fells Gardens. New editions to the libraries services have been provided by the Friends including Ancestry Library Edition, offering patrons access to genealogy research. For several year the Friends have maintained a membership to the NH Downloadable Book consortium (NHDLB), providing patrons access to digital books, audio books and now digital magazines from the convenience of their computer and personal electronic devices. Patronage use of NHDLB resource has had a 50% increase in the past year. The Friend of the Library 2014 book sale was the best yet, we thank you for your donations and look forward to seeing you all at the coming Olde Home Days.

DAVIS PUBLIC LIBRARY REPORT continued

Along with our support from the Friends of the Library we have had many wonderful volunteers to help at the library including Gae Borland, Frankie Scofield, Leigh Fosberry, Hannah Turcotte, Izzy Fontaine and Delorma Morton.

The monthly Book Club has been meeting at the Library for several years, run by our dedicated volunteer Leigh Fosberry. The book club selects their books through the NH Library system Reads-to-Go system, offering various titles of both fiction and non-fiction. The book club has had wonderful attendance. If you would like to join, please come by the library to learn more and pick up a copy of the current book!

This year we introduced snow shoes to our collection, thank you to the donation from The Scofield's they have been enjoyed by many Stoddard residents. We also received a generous donation, which we used to buy a new book shelf for the library. There is a new LEGO table and beautiful hand crafted wooden chairs in the children's room donated from the Stymest family. We have been continuing our Food for Fines program to support The Community Kitchen of Keene, NH. We are a no-fine library, we ask that our patrons donate to the local food pantry to support those in need. We are pleased to have had many donations, even when materials are returned on time!

At the Davis Public Library full-time and seasonal residents have a unique opportunity in Stoddard to mingle and use shared services. What holds us back from serving our community fully is inadequate space and facilities. Maker Spaces – a place where people can gather to create, invent, and learn – are cropping up in libraries all over. These spaces help promote the sharing of tools and ideas to facilitate group collaboration helping make our community stronger. Our lending of hard goods other than books and DVDs (such as fishing poles and snowshoes) is just beginning. The past winter has been one of the harshest on record. Imagine using a port-a-potty on those sub-zero days. It is time for an indoor bathroom! We have made good progress in the past year using funding from the 2014-2015 warrant for activities related to septic and well design and other pre-construction activities. We have been blessed this year with community benefactors providing generous donations of labor for both well drilling and septic installation and matching funds for a \$30,000 USDA Rural Development grant to support equipment modernization needs. Our Trustees, Friends of the Library, volunteer grant writer, committee members, volunteers and librarian cannot fix this space and facilities problem without your help. Won't you please vote yes on Article 3 at the Town Meeting for funds for the construction of an addition and a bathroom?

A YES vote is a vote for our community! Lauren Rettig, Library Director

FRIENDS OF THE DAVIS PUBLIC LIBRARY

Note for the Stoddard Annual Report 2015

The support of many "friends" of the Stoddard community has enabled The Friends of the Davis Public Library to continue adding to the Library's print and media collection and sponsor community programs. Examples of some of the programs are the Night Sky event at the JFES with Astronomer Bob Taylor of the Keene Astronomy Club, the Book Pal Program, and the Book Sale. The Friends have also supported the Library with a new computer, museum passes and subscriptions to programs such as the NH Downloadable Library system.

The Friends initiated Phase One of planning for the addition of a room and toilet facility in the Library by paying for an architect to develop a concept design. An addition committee consisting of representatives of the Friends, the Trustees, the Board of Selectmen and community people with business, engineering and construction expertise was formed and continues to bring the process forward. The \$30,000 warrant passed at Town Meeting last year has enabled us to obtain a septic system design and put in a well and some site work.

In an effort to try to reduce the cost to the Town of the construction of the addition and toilet facility, a Grants Committee applied for and has been awarded \$29000 by a USDA Rural Development grant for equipment to be used in the Library. If you have ever applied for a federal grant you know that this is a tedious and challenging process. A stipulation of that grant is a match of 25% which has been graciously pledged by an anonymous donor. Also a donor has offered to dig the test pit and another donor will put in the septic system at cost. The Addition Committee is committed to keeping this project as cost effective as possible.

The Friends continue to support the Library and help it to serve the Stoddard community.

Angel Nicoletti, Chair

2014-15 ANNUAL REPORT OF THE CONSERVATION COMMISSION

Year in Review:

We began the year with the addition of two new conservation commission members: Brenda Bryer, a long time resident and former member of the board of selectmen, who brings a valued perspective; and Merrilee Frable a Antioch Environmental Studies graduate student who has a lot of enthusiasm.

James Faulkner Elementary School Outing:

Last winter, the conservation commission reached out to the Faulkner Elementary School in an effort to actively engage the students with their new town forest: Stoddard Rocks~Pioneer Lake. We were enthusiastically greeted by Laura White and her fellow teachers Jacquelyn Cornwell and Tina Minard. As a result, we planned an all day outing for 60+/- students K-5, which was held on a very sunny day on June 16th. As a veteran of leading outings for over three decades, I must say that this was one of the most moving and profound experiences I have had. All of us became big fans of the Faulkner Elementary students and their incredible teachers. We should all have been so lucky to have teachers cut from their clothe. The following is a note from teacher Laura White:

Laura White Tue, Jun 24, 2014 at 11:00 AM To: Geoff Jones geoffreytjones@gmail.com

Thanks Geoff & Conservation Commission members.

We had a fabulous day! We really appreciate all the work you put into making this happen and look forward to partnering again! Great feedback from kids and parents.

Have a great summer & keep in touch! Laura

In preparation for the hike, conservation commission members Paul Crosby, Brenda Bryer, Geoff Jones and volunteers Ken Henninger, George Preston, Paul Krampfert, and Helen Tam-Semmens spent a couple of days conducting the annual mowing of the dam and we made a significant upgrade of 2 miles of trails from the dam to Stoddard Rocks.

Olde Home Days:

Once again, the conservation commission was fully involved in Olde Home Days activities. On Friday evening (July 11th), at Paul Crosby's invitation and introduction, Sara Lovitz, Coordinator of Monadnock Menus gave a presentation about "Buying Local Made Easy" and the role that Monadnock Menus plays in distributing locally produced food directly to regional schools, businesses, institutions & restaurants.

CONSERVATION COMMISSION REPORT continued

Merrilee Frable gave a wonderful slide presentation of the Faulkner Elementary School's maiden field day hike entitled "Stoddard Rocks & Beyond"

On Sunday, July 13th Geoff Jones led a hike to Stoddard Rocks/Pioneer Lake with 10 people and 4 dogs attending.

The Annual Cordwood for Conservation Raffle was held, raising a modest \$470 which was used to pay for educational materials for the JFES outing and for maintenance of the Pioneer Lake dam. Firewood was donated by Aaron Bryer. This year's winners: Joe and Bonita Sarcione. Paul Crosby, Brenda Bryer, Merrilee Frable, Harleigh Kidd and Geoff Jones and Mill Village Store helped to sell tickets.

Stewardship Activities on the Town Forest:

When maintenance upgrades were performed on the Pioneer Lake dam, prior to the town's ownership, the new "beaver proof" cone that caps the "Riser" (spillway) got seriously clogged up by the beavers, raising the level of the pond so that water was flowing over the relief spillway. Clearing the debris, proved to be a physical and logistical challenge!

Borrowing a boat from Ronnie Wallace, commission members Geoff Jones, Paul Crosby, Brenda Bryer, and volunteers Ken Henninger and George Preston spent several hours on multiple days, over a two month period, clearing debris in stages, from the spillway. The initial 3 efforts to clear the debris had to allow torrents of water to seek it's new level. Each returning effort required us to work from (the leaking) boat, and pull, by hand, sticks, mud, and other debris, down to the lip of the spillway.

Once the water levels had reached their stable and desired height, the greater challenge was to climb into the 4-ft diameter concrete riser and clear it from beaver debris that had been impacted tightly with tons of escaping water, from the 15-foot deep (dark and very "waterfall-esque" wet) pipe...ugh. Once the task was completed, a perimeter fence was installed around the riser, to prevent any debris from clogging up the cone or riser. As of the middle of January 2015......all seemed to be functioning OK!

In the fall, the commission worked on signage for the trail network on the town forest, and through the generosity of Don Healy. We hope to install them this spring.

More Land Protected:

An anonymous donor on Shedd Hill worked with the conservation commission and the Forest Society to successfully protect a 28 acre parcel of land on Shedd Hill that abuts the Charles Peirce Forest & Wildlife Reservation and has approximately 1,000 feet of frontage on Shedd Hill Rd. Stoddard now has (unofficially) 21,822 acres of protected land which represents 64% of the area in the town.

CONSERVATION COMMISSION REPORT continued

Commission Member Departures/Arrivals:

We end the year by saying goodbye to Merrilee Frable. While her time was short, she made an indelible contribution to the historic event last June, when the commission hosted a day long trip of 60+ students from the James Faulkner Elementary School, to the Pioneer Lake~Stoddard Rocks town forest. Her energy and enthusiasm for conservation will be missed......but it will serve her well with her new endeavors as the Land and Stewardship Program Associate at the Open Space Institute in the Hudson Valley of New York. We wish her luck.

We welcome Helen Tam-Semmens as our newest member. She will take on duties as the commissions treasurer. Welcome aboard Helen!

Please Note: The conservation commission meets on the 3rd Wednesday of each month (provided there is an agenda worthy of our time), 7:15 pm (after Yoga) at the town hall.

Respectfully submitted,

Geoff Jones, chair Scott Semmens, vice chair Brenda Bryer, secretary Helen Tam-Semmens, treasurer (new arrival) Paul Crosby Merrilee Frables (newly departed)

ZONING BOARD REPORT 2014-2015

The Zoning Board of Adjustment (ZBA) is charged with the responsibility of making decisions in the following 4 types of appeals:

VARIANCES- Under special circumstances, an applicant may apply to be granted relief from application of the strict terms of the Community Planning Ordinance (CPO). To grant this relief, it must be established that all five of the following conditions are met:

- 1. The proposed use would not diminish surrounding property values.
- 2. Granting the variance would be of benefit to the public interest.
- 3.Denial of the variance would result in unnecessary hardship to the owner. Hardship, as the term applies to zoning, results if a restriction, when applied to a particular property, becomes arbitrary, confiscatory or unduly oppressive because of conditions of the property that distinguish it from other properties under similar zoning restrictions. Hardship, under zoning law, has nothing to do with the physical or economic condition of the owner.
 - 4. Granting the variance would do substantial justice.
 - 5. The proposed use is not contrary to the spirit of the ordinance.

APPEAL FROM AN ADMINISTRATIVE DECISION- If an applicant has been denied a building permit or is affected by some other decision regarding the administration of the CPO, and believes the decision was made in error under the provisions of the ordinance, the applicant may appeal the decision to the ZBA. The appeal will be granted if it is shown that the decision was indeed made in error.

SPECIAL EXCEPTION- Certain sections of the CPO provide that a particular use of property in a particular zone, will be permitted by special exception if specified conditions are met. The necessary conditions for each special exception are given in the ordinance. The appeal for a special exception will be granted if you can show that the conditions stated in the ordinance are met.

EQUITABLE WAIVER OF DIMENSIONAL REQUIREMENTS-If an applicant discovers an existing dimensional nonconformity after the structure was substantially completed or after a vacant lot in violation had been transferred to a bona fide purchaser AND the nonconformity was caused by a good faith error in measurement or calculation, the applicant may appeal to the ZBA. If it is determined the nonconformity does not constitute a public or private nuisance nor diminish the value or interfere with future uses of other property in the area AND the cost of correction would far outweigh any public benefit to be gained, the ZBA may grant the waiver.

*Please note: Appeals information (above) was taken from several sources and rephrased for purposes of it fitting the purpose of inclusion in this annual report. For this reason, what is stated is not the actual or complete wording in any zoning ordinance-THE ACTUAL ZONING ORDINANCE IS WHAT WILL BE USED IN ANY APPEAL.

ZONING BOARD REPORT continued

In the course of calendar year 2014, the ZBA conducted 9 meetings and 3 site visits. We have reviewed our CHECKLIST FOR APPLICATION, our various worksheets, and the Secretary Job Description. We also looked at our procedures. In the process, we identified opportunities for change and are almost completed with the changes. As the new town website is tweaked, we plan to determine how to gain more utility from it. Initial discussions have included postings of additional material (ie posting for vacancies on the ZBA) and placing more of our documentation forms online so they can be easily downloaded.

REPORT OF THE STODDARD CEMETERY COMMISSION

The goal of the Stoddard Cemetery Commission is to provide a final resting place for our loved ones that is peaceful, dignified and respected by all.

The Cemetery Commission is responsible for the care and maintenance of five cemeteries in the Town of Stoddard. Care, is repair of stones damaged by wind and fallen trees and disruption caused by the forces of nature. Maintenance, includes the removal of trees, pruning of trees and replacement of memorial trees that have died.

We are grateful to Bob Curnette who maintains the Robb, Stevens, New Dow and New Town cemeteries to a high standard. Also kudos go out to Rollin Paight who does a wonderful job on Old Dow cemetery which is quite a task. We would also like to thank Donnall Healy for the new cemetery plaques, which state the rules and regulations for each cemetery. Our hard working commission member, Ed Saleski, mounted the plaques on posts for all to see.

Our tree work was performed by Frank Stuckey this year and included the removal of three large pines from the front gate area of New Town, aggressive tree trimming and lower branches being removed from several large maples. Our attention to the trees has resulted in less breakage of old stones and monuments. The Cemetery Commission is responsible for the repair and maintenance of all gravestones and we are supported in this effort by funds from the Emerson and Ruth McCourt trust funds. Repairs are made by the Peterborough Marble and Granite Company, which does an excellent job.

This year also saw the replacement of two Memorial trees for Louise Johnson and Bonnie Dahling. The new trees are Prairie Fire Crab apples, a beautiful sight in the spring. The Commission also asked David Valliancourt for help on the drainage issues at the entrance to New Dow cemetery. AS usual David was quick to help and diverted the water run off towards School Street. The Boulder headstone of Warren Tracy in New Dow was returned to an upright position and the broken headstone of Susan Duncan was reset after having resided behind bushes in Old Dow broken and leaning against a wall for perhaps 20 years or more.

Vandalism, tree roots, weather and tree damage are the worst enemies of all cemeteries and the Cemetery Commission is committed to annual attention of all these occurrences.

In July Amy Rokoszak replaced a member that had resigned and we welcomed her to the Cemetery Commission, resulting in a full commission dedicated to task. We all walk all cemeteries three times a year in an effort to determine any projects that need our attention.

In the coming year we hope to erect an L shaped enclosure for loam used for burials and that should eliminate an unsightly pile. After our inspection in May, all problems will be noted and repairs, tree work, etc. will be scheduled at that time. We would also like to remind all that Stoddard cemeteries are closed for burial from November 15 until May 1 and that all pots, dead flowers and holiday decorations should be removed no later than April 30.

CEMETERY COMMISSION REPORT continued

The Cemetery Commission would appreciate any concerns that you may have with the cemeteries. We take pride in all the cemeteries and hope that you share our efforts.

Thank you for your continued support.

Stoddard Cemetery Commission

CONTOOCOOK AND NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE (CNBRLAC)

FORWARD

In 1988, the NH state legislature responded to the increasing and competing uses of our rivers by creating the NH Rivers Management and Protection Program (RMPP). The purpose of the program is to protect our state's significant river resources for the benefit of present and future generations through a unique combination of state and local resource management and protection.

A unique feature of the RMPP is the opportunity for cities and towns to participate, through local river management advisory committees, (LAC). An LAC is appointed for each designated river. Each LAC is comprised of representatives from each riverfront municipality and is responsible for developing a local river corridor management plan and reviewing and commenting on activities affecting the river that require state or federal permits.

Up to two representatives are permitted for each town. In Stoddard, Ruth Ward and Paul Krampfert are these representatives. The river system is the Contoocook and North Branch Rivers, hence the name of our non-profit group is the Contoocook and North Branch Rivers Local Advisory Committee (CNBRLAC).

A brief summary of the accomplishments of the Contoocook and North Branch Rivers Local Advisory Committee (CNBRLAC) in 2014 follows:

EDUCATIONAL AND PUBLICITY ABOUT THE RIVER

CNBRLAC has a Powerpoint program on the history of the river, a large display board, a video of the river set to Vivaldi's Four Season music, a scrapbook of pictures and historical articles about the river and a brochure available for display at community functions. If you would like to use the display or have a program presented in your town or at a regional organization, contact our chair, Janet Renaud at jromane202@myfairpoint.net. We will continue to educate local municipalities and landowners on the importance of the management plan.

SIGNS ALONG THE RIVER

CNBRLAC has bought and posted NH Protected River signs in Bennington, Henniker, Greenfield, Peterborough, Hillsboro, Rindge and Contoocook. We have also purchased a set to re-post near the double stone arch bridge in Stoddard. These were removed by NH-DOT; CNBRLAC is attempting to retrieve them.

MONITORING AND CLEAN-UP ALONG THE RIVER

We continue to monitor various sites along the Contoocook for water quality/analysis and report the information back to NHDES as part of their Voluntary Rivers Assessment Program (VRAP). We measure such things as dissolved oxygen, turbidity, pH and water temperature. Several towns hosted cleanup days along the river and several of the LAC members participated in these various clean ups efforts. CNBRLAC had quite a bit of trouble with some of the monitoring equipment in 2014. We have requested financial assistance from towns to purchase newer equipment.

WEED WATCHER PROGRAM

In 2014, a representative from NHDES trained the committee members on how to identify various invasive species along the river corridor. The CNBRLAC was trained again by the RiverRunners on NHDES weed watcher program in June of 2014.

ADVISING TOWNS ON BUILDING IN THE RIVER CORRIDOR

We continue to advise towns concerning the Shoreland Protection Act, best management practices for the development of land along the river, and dredge and fill and AOT (alteration of terrain) permits. Colored corridor maps were provided for each town.

PERMITTING PROCESS

DES got a group together to address the issue of timing for comments on the permitting process. DES has improved it's notification methods and that is very helpful.

TRANING AND EDUCATION OF MEMBERS

In addition to VRAP training, members Janet Renaud and Ruth Ward attended a LAC workshop which helped clarify some of the details of complying with meeting requirements as well as the permitting process. Ruth also attended Saving Special Places, Drinking Watersource Protection Workshop and NH Water and Watershed Conference.

DEDICATION

CNBRLAC recognized former long term member Marian Baker for her many contributions in the early years of the LAC by installing a plaque at the entrance to the River Walk behind Grimes Field in Hillsborough in October 2014. Present to recognize Marian's achievements were Rep. Jon Manley (D-Bennington) and Marjorie Porter (D-Hillsborough), who presented Marian with a proclamation from the State, along with LAC members, local Con Com members and representatives from the Harris Center and the high school where Marian taught.

NEW MEMBERS

We have several new members on our committee this year but are looking for new representatives from Deering, Hancock, Boscawen and Hopkinton. Our monthly meetings are held the third Monday of each month, usually at 7:00 p.m. at Monadnock Paper Mill in Bennington, and are open to the public. For more information please contact Janet Renaud at jromane202@myfairpoint.net.

HEALTHCARE, HOSPICE AND COMMUNITY SERVICES

Report to the Town of

STODDARD

2014/15

Annual Report

During the fiscal year 2014/2015, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Stoddard. The following information represents activities in Stoddard during the past twelve months.

Service Report

Services Offered

Services Provided

| Nursing | 311 Visits |
|--------------------------|------------|
| Physical Therapy | |
| Occupational Therapy | |
| Medical Social Work | |
| Home Health Aide | 125 Visits |
| Chronic Care | 809 Hours |
| Health Promotion Clinics | 8 Clinics |

Prenatal and well child care, hospice services and regularly scheduled "Nurse Is In" clinics, including foot care, are available to residents. Town funding partially supports these services.

HCS also offers the Age In Motion(AIM) program in Stoddard; AIM is an exercise program designed primarily for older adults. AIM promotes exercise for balance, flexibility, and to build strength, preventing falls and enhancing older residents' ability to stay independent.

Financial Report

The actual cost of all services provided in your fiscal year 2014/2015 with all funding sources is \$150,967.00. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services not covered by other funding have been supported by the town's appropriation.

For fiscal year 2015/16, we request an appropriation of \$800.00 to be available for home care services and \$1,200.00 for the Age In Motion program in Stoddard.

For information about HCS services, residents may call (603) 352-2253 or visit www.HCSservices.org

HIGHLAND LAKE UNIFIED ASSOCIATION

The Highland Lake Unified Association is a non-profit organization dedicated to establishing an awareness, understanding and appreciation of Highland Lake and the responsibilities associated with preserving the environment of the lake.

The association is responsible for the volunteer water collection for testing by the state, the weed watch program and the highly successful Lake Host program which is entering its fourteenth year. The volunteer water collection and weed watch teams use their own boats, canoes and kayaks.

During the 2014 season the Lake Hosts examined over 2400 boats and trailers both entering and leaving the lake. Importance was given to the washing of boats and trailers ridding them of hitchhiking exotic plant and animal life. Asian clams and zebra mussels have been found in some New Hampshire waterways.

The Lake Host Program was a great success in 2014 and we are now preparing for 2015. Without this program the lake would be open to infestation by invasive plants and animal life making the lake inhabitable for fish and other plant life. With such an infestation there would be no boating, fishing or swimming. Property values would be reduced considerably. Eradication of milfoil and other exotic species would be extremely expensive. The Lake Host Program is the first line of defense in protecting Highland Lake.

During the 2014 season with the help of the town of Stoddard providing \$6,000.00 (six thousand), the town of Washington \$500.00 (five hundred), road associations, and the generosity of our members we were able to fund the program for the season. Thank you all for your generosity.

Last spring Fish and Game put seining nets into the lake, north of the marina, to make a survey of the fish and their spawning areas in Highland Lake. We have a good supply of fish to support the fishing tournaments.

The latest book by Alan Rumrill "Pond, Power and People. A History of Highland Lake" is available for sale by our association, the village store and the Marina.

Wishing everyone a good summer on Highland Lake. If anyone could volunteer a few hours please call Joe at 446-7010.

THE LAKE HOST PROGRAM AT GRANITE LAKE

The Lake Host Program at Granite Lake continues to thrive. Last year 20 volunteers logged 500 hours at the public ramp to educate boaters and perform courtesy boat inspections Monday through Friday from Memorial Day to Labor Day. The money the Lake Host Program receives from NHLakes and the Towns of Stoddard and Nelson provide the payroll for about 8 students to do the education and inspections Saturdays, Sundays and Holidays from 6am to 6pm. Students should be at least 17 years old but responsible 16 year olds may be considered.

Last year NHLakes was recognized with a national award for the efficiency and effectiveness of its Lake Host Program and the dedication of its volunteers.

The amount of money the program will receive from NHLakes this year is uncertain at this point. The awards are scheduled to be announced at the end of April. Whatever the award is, the program could not operate without the financial investment of the Towns of Stoddard and Nelson. Thus far, it has been effective in helping to preserve the pristine nature of Granite Lake.

The current Managing Point Person for the Granite Lake program is Anita Flanagan, a Munsonville resident. She can be contacted at 847-3082 or anita.harryflanagan@gmail.com.

WATER SAMPLING ON HIGHLAND LAKE 2014

The data summary from 2013 show that pH has dropped to below 6 in the north end and just above 6 in the south end. This is a trend that will have to be watched. The trend for conductivity and chlorophyll-a are improving and stable for transparency and phosphorus and conductivity at the selected inlets and at the north and south deep spots. Chlorophyll-A, acid neutralizing capacity and water clarity are also checked at the deep spots. The samples are taken 3 times a year and sent to environmental services in Concord for results that are compiled and published yearly.

Ice out occurred on April 20th after a long cold snowy winter. We scheduled a visit from the DES for late June. Hannah Johnson from the DES visited the on 6/26/2014 for the first sample round for 2014. The lake was unusually high with a lot of silt due to 6 inches of rain and high flow coming in from the tributaries. Surface temperature in the low seventies and a thermocline at the north deep around 14 feet.

The second sample round occurred on 8/3/2014 and a slight odor was noticed from the north deep spot 7 meter sample. During August the lake level rose 18 inches on August 14th due to heavy rain. One of the spill boards let go and the level dropped rapidly until the board was repaired. It took over a week to get the level back to normal due to lack of rain after repairs completed.

The third sample round done on September with flow into the lake very low due to lack of rain. Surface temp in the low seventies and lots of weeds observed. Again the 7 meter sample from the north deep spot had a slight odor.

Overall a good summer with cooler than normal temperatures and many sunny days. Weed growth heavy in the shallow areas and a lot of chopped up weeds due to boat traffic during July. Sample results from the first sample round done in 2014 show a low pH mostly due to the north inlets. Improvement was noted during the later results from round two and three. The compiled data for the year will be available for the next annual meeting.

Article 14: To see if the Town will vote to raise and appropriate the sum of \$20,000 for the purpose of purchasing personnel protective equipment for the Stoddard Fire and Rescue Department. Explanation: This provides for five complete sets of protective gear for fire fighters. Present protective gear is old and must be replaced to meet NFPA standards. **Majority vote required. Recommended by the Board of Selectmen.**

Motion was made by PJ Lamothe to accept the article, seconded by Joe Sarcione.

Motion was made by PJ Lamothe to increase the amount of the request to 41,000 in order to begin the 3 year plan to replace all equipment that will be outdated, according to NFPA the equipment is only serviceable for 10 years and most of our equipment will need to be replaced in the 3 year time table. She is requesting to increase in an incremental time frame in order not to impact the time in as small a way as possible. Lisa Davenport seconded the motion.

Questions, Jennifer Costa asked why that amount? PJ explained that the equipment needs to all be replaced by 2017, the 10 year mark. The SCB's will expire in 2015. Without certified equipment the NFPA will not allow training to continue until all materials are good, therefore safe in their standards. Jennifer then asked the numbers of volunteers. PJ replied, there are 19

Firefighters, 7 EMTs, all also have Forest fire protection. Jennifer then asked how many of those respond on a call. PJ replied 7 or more during the day, due to employment, 12 or more at night. Brenda Bryer asked to move the question. Pat Putnam seconded.

The Amended Article was then voted upon for the change in amount to \$41,000 and approved by a majority.

Article 14 is adopted as amended.

Article 21: To see if the Town will vote to raise and appropriate the sum of \$27,937 for the operation of the Davis Public Library. [Per RSA 202-A:11, the funds raised and appropriated, other than payroll and utilities, shall be paid over to the Library Trustees pursuant to a payment scheduled as agreed upon by the Library Trustees and the Selectmen.] **Majority vote required. Recommended by the Board of Selectmen.**

Motion was made by Angela Nicoletti to accept the article as written, seconded by Frances Schofield. No discussion.

Article 21 is adopted unanimously.

Article 22: Shall the Town vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) for the purpose of designing, permitting and installing a subsurface sewerage disposal system, construction of a well for obtaining potable water and to prepare plans and specifications for the necessary building additions to the Davis Public Library to be proposed at the 2015 Annual Town Meeting. **(By Petition) Majority vote required. Recommended by the Board of Selectmen, 2-1 vote.**

Motion was made by Angela Nicoletti to accept the article as written, seconded by Frances Schofield.

Discussion followed. Jennifer Costa commented that the library is a benefit to the town. Ken Holland asked if the proposed plan for the library is the drawing being shown and how that is being accomplished. Angela responded that the concept drawing and site plans are being funded to date by the friends of the library. Steve McGerty asked what was actually happening with the proposed funds. Angel replied that the money would provide for a well and septic to be installed but not connected to the building in this phase. Then the site plan would be able to be started. The entire building is being proposed to be kept to under \$200,000, while keeping the plan flexibile in the design phase. After further discussion, it was asked if the architect could speak to the plan as it stands to this point. Dan Eaton responded that it would be permissible if 100% of the voters agreed to allow. Permission was granted. Paul Hemmerick, the architect for the project to date then spoke. He determines that there will be enough room for a leech field and will also include a 75 ft radius around it according to the plan. There will be a 640 square ft expansion to the existing building. Further discussion happened.

Brenda Bryer made a motion to move the question, seconded by Brian Michaud. The motion was so moved.

Article 22 is adopted.

Article 23: To see if the Town will vote to raise and appropriate the sum of \$7,775 for the operating budget of the cemeteries. **Majority vote required. Recommended by the Board of Selectmen.**

[Request is based on a \$0.45 percapita rate and the 2009 Stoddard population of 1045.] **Majority vote required.** Recommended by the Board of Selectmen.

Motion was made by Glen Mason to accept the article as written, seconded by Leigh Fosberry. **Article 28 is adopted unanimously.**

Article 29: To see if the Town will vote to raise and appropriate the sum of \$350 for Southwestern Community Services, a non-profit agency which provides fuel assistance, weatherization and other related services to residents of Stoddard, and which is requesting said amount to help underwrite the cost of services provided to residents. **Majority vote required. Recommended by the Board of Selectmen.**

Motion was made by Steve McGerty to accept the article as written, seconded by John Halter. **Article 29 is adopted unanimously.**

Article 30: To see if the Town will vote to raise and appropriate the sum of twelve thousand dollars (\$12,000) to be placed in the Building Capital Reserve Fund, established in 2013, and to

appoint the selectmen as agents to expend from the fund. **Majority vote required.** Recommended by the Board of Selectmen.

Motion made by John Halter to accept the article as written, seconded by Arnie Stymest.

Discussion followed. David Lesser asked if some of these funds could be used toward the library project? John replied that a majority of selectmen would need to agree on any use of the Fund.

Virginia GrandPre' as Chairman of the Trust Funds, the first time moneys reserved for this fund was in the last budget year. Lisa Davenport asked if there would be any penalty to withdrawal of the funds. Ginny replied that the way the funds have been set up, there is the ability to withdraw up to 10% of the funds after December 1, 2014, as of December 2015 up to 20% could be withdrawn and would continue to increase by the same formula each year, with no penalty for those amounts. Some further discussion occurred.

Article 30 is adopted unanimously.

Article 31: "That the registered voters be given the opportunity to vote yes or no to the acquisition at the lowest reasonable cost of video recording equipment to be added to the current PA system for the audio and video recording of all town sponsored public meetings where minutes are kept for the dissemination to the registered voters of the Town of Stoddard. Recordings will be for dissemination only to registered voters of the Town of Stoddard for their use only and not for use on any public media platform for the privacy protection of all participants of said recorded meetings." (By Petition) Majority vote required.

Motion made by John (Randy) Clark to accept the article as written, seconded by Linda Clark.

Discussion followed. Lisa Davenport asked about how internet bullying could be prevented or how anyone could be limited on access to the minutes. RSA 91: A allows for the Right to Know for requestors. Other discussion about how Boards would be recording was asked.

John Halter responded that the raising and appropriating money to complete this task and the Right to Know issues would make this difficult to implement and with the DRA a possible "train wreck" to carry out.

John Halter moved to indefinitely postpone the article. Seconded by Brenda Bryer. **Article 31 is indefinitely postponed.**

Motion was made by Steve Rockwell and seconded by Brian Michaud to adjourn the meeting. The meeting was ended at

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Stoddard, New Hampshire

Additional Offices:

Nashua, NH Andover, MA Greenfield, MA Ellsworth, ME

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Stoddard, New Hampshire, as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies

used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our (1) qualified audit opinion on the governmental activities, and (2) unmodified audit opinions on the major fund and aggregate remaining fund information.

Basis for Qualified Opinion on Governmental Activities

Management has not included any of the Town's capital assets acquired nor the accumulated depreciation and depreciation expense related to those assets in the governmental activities. Accounting principles generally accepted in the United States of America require that those capital assets be capitalized and depreciated, which would increase the assets, net position, and expenses of the governmental activities. The amount by which this departure would affect the assets, net position, and expenses of the governmental activities has not been determined.

Qualified Opinion on Governmental Activities

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion in the Governmental Activities paragraph, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities of the Town of Stoddard, New Hampshire, as of June 30, 2014, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Opinion on Major Fund and Aggregate Remaining Fund Information

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major fund and the aggregate remaining fund information of the Town of Stoddard, New Hampshire, as of June 30, 2014, and the respective changes in financial position where applicable and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who

considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

GRANITE LAKE VILLAGE DISTRICT ANNUAL MEETING REPORT

The meeting was called to order at 9:03, Sat. April 18, 2015 by Sally Ripley, clerk; John Halter, Moderator, was absent.

Article 1. To choose one commissioner for a term of three years, and to see who the inhabitants of the District will elect for the offices of auditor, treasurer, moderator, and clerk, each for a term of one year. Nomination for commissioner, Philip Hamilton; auditor, John Halter; treasurer, Barbara Ropiecki; clerk, Sally Ripley.

Motion to approve was appropriately moved and seconded. Vote was affirmative.

Article 2. To see if the Village District will vote to raise and appropriate the sum of \$5,000. to be added to the *Capital Reserve Fund for dam maintenance/repair/ replacement previously established in December 2008*. Commissioners recommended. (majority required)

Discussion about how much refacing of the dam would cost. Bob Woods, commission chair, said we really don't have a good idea. Phil Hamilton will be calling Daniels Const. who last put in the new spillway and sides. Motion to approve was appropriately made and seconded. Vote was affirmative.

Article 3. To see if the Village District will raise and appropriate the sum of \$2,000. for Village District expenses. This article does not include appropriations contained in special or individual articles addressed separately. (majority vote required) Motion to approve was appropriately moved and seconded. Vote was affirmative.

Article 4. To see if the Village District will vote to raise and appropriate the sum of \$1,250. to pay for liability insurance for one year for the District. Barbara Ropiecki broke the bad news that she received a letter from Property Liability Trust (our insurer) that they would no longer be in business after June, 2016. We discussed who would be and how we can go about finding a carrier. Barbara will call NH Municipal Ass. to which we belong. They also provide legal advice for municipal price. Motion to approve was appropriately made and seconded. Vote was affirmative.

Article 5. To see if the Village District will vote to appropriately \$1,000. to repair existing fence around dam with said funds to come from unassigned fund balance. Barbara said this was on the warrant last year and passed; the work did not get done last year. Sally said that Phil Hamilton would like to send a letter to the Town of Nelson stating that any damage due to plowing would then be Nelson's responsibility. Plowing could be differently to prevent damage. Motion to approve was appropriately moved and seconded. Vote was affirmative.
