

ANNUAL REPORTS
OF THE
TOWN OFFICERS

TOWN OF STODDARD

NEW HAMPSHIRE

2017

2017 Annual Report Dedication

Joseph Van Schaick

Some of the greatest physical assets that the town of Stoddard possesses are the beautiful ponds, lakes and streams that are used by all our residents. There are only a handful of people that look beyond their own interest and toward a greater good for preserving these lakes for all of us. Joe Van Schaick was one of these people. He served many years as the President of the Unified Highland Lake Association with a real passion for preserving the quality of the lake. He would visit the Town Office several times a year to get mailing lists together to reach out to everyone with homes or cottages along Highland Lake. Joe, a resident of New York, devoted a lot of time and energy toward programs such as the Lake Host Program, boat ramp conditions, weed control and any other subjects that might adversely affect Highland Lake. Joe represented the best in community volunteer service. Much of this service he did when he was here "on vacation."

Joe's other world was New York City, where he served on the New York City Police Department for 41 years retiring in 2002 as a sergeant. He also was an active member of the New York National Guard, retiring as a Sergeant Major.

On November 20, 2016, Joseph Van Schaick passed away from pneumonia. He will be greatly missed but his spirit of serving others continues on, as will the lake protection programs he promoted.

A NOTE ABOUT THE COVER PHOTO

Doors often close to protect those behind them, but they also open to let in new ideas and welcome friends and strangers alike. Our cover picture depicts the front doorway of the oldest standing house in Stoddard, known as The Butterfield Place. It was through this doorway that the citizens of Stoddard came to attend Stoddard's first Town Meeting on December 1, 1774. Oliver Parker, who was the owner of the house, was appointed to call the meeting, where he was chosen as Moderator, Town Clerk and First Selectmen. The last meeting there was held there on April 16, 1776., after which Mr. Parker's situation declined. The 1974 History of Stoddard, New Hampshire has an excellent write up on page 235. We thank Lindsay Freese, artist, for his photograph and the Faulkner family for permission to use the photograph. (Lindsay Freese, artist www.lindsayfreese.com)

MUNICIPAL SERVICES DIRECTORY

TOWN CLERK: LINDA CLARK 446-2214
HOURS: Tuesday & Thursday 11:00AM to 6:00PM

TAX COLLECTOR: ELLEN MASON 446-3326
HOURS: Thursday 12:30PM to 2:30PM or by appointment

TOWN OFFICE: JAMES COFFEY – Town Administrator
PATRICIA PUTNAM – Administrative Assistant
446-3326 FAX: 446-7770
HOURS: Monday 1:00PM to 6:00PM, Wednesday & Friday 10:30AM to 4:00PM
HARRY POWER – Compliance Officer 446-7778

STODDARD BOARD OF SELECTMEN:

John D. Halter, Chairman Resigned April 11, 2017
Stephen McGerty 446-3848
Margo Santoro 446-2223

SELECTMEN'S MEETINGS: 2nd, 4th & 5th Mondays 7:00PM to close of business

STODDARD RECYCLING AND TRANSFER STATION:

HOURS: Saturday & Sunday 9:00AM to 4:00PM
June through the Wednesday after Columbus Day - Wednesday
Noon to 4:00PM 446-3583

POLICE: EMERGENCY 911
CHIEF: David Vaillancourt – Cheshire County Dispatch 355-2000
Non-emergency 446-3597

FIRE & RESCUE: EMERGENCY 911
CHIEF: Stephen McGerty 446-3848

FIRE WARDEN: BURNING PERMITS
Randy Weaver, Warden 446-0116
George Preston, Deputy Warden 446-4391

ANIMAL CONTROL: Call Cheshire County Dispatch 355-2000 or
Keene Mutual Aid Non-Emergency 352-1291

DAVIS PUBLIC LIBRARY: Lauren Rettig, Librarian
HOURS: Monday & Wednesday 3:00PM to 7:00PM (summer until 8:00PM),
Tuesday 10:00AM to 2:00PM & Saturday 10:00AM to 2:00PM
(summer Friday 3:00PM to 7:00PM Memorial Day thru Labor Day)

STODDARD CONSERVATION COMMISSION:

Geoffrey Jones, Chairman 446-3439
Meet 4th Wednesday each mo. 7:30PM at Town Hall, as needed. Call in advance for agenda.

STODDARD PLANNING BOARD:

Meet 1st Tuesday each mo. 7:00PM at Town Hall
Anyone wishing a hearing by the Planning Board should contact Chris Madden 446-7814

STODDARD ZONING BOARD OF ADJUSTMENT:

Meet 3rd Thursday each mo. 7:30PM at the Town Hall, as needed
Anyone wishing a hearing by the ZBA should contact Kathy Ellis 446-6273

JAMES FAULKNER ELEMENTRY SCHOOL: 446-3348

SELECTMEN'S & ADMINISTRATOR'S REPORT

During the past several years Stoddard has refurbished and improved most of it's facilities. Town Hall has been renovated and the new front stairway will no longer have bricks popping out. As the snow melts and the ground thaws we can finish the work with new railings. The Davis Public Library has been expanded and repaired with only some minor items remain to be completed. These projects have been done over several years and without the need to issue any bonds.

Other projects that we have will provide better access to information are already underway. The website will have an interactive map of the town that will show parcels, property assessment and other information such as flood map overlays. This is a small cost item that combines existing information into a more useful format. Looking toward the coming Fiscal Year we are requesting \$30,878 dollars more than the year we are now completing. Despite this increase, we expect the tax rate to remain nearly flat for the town.

Some of this increase is for office data and telecommunications improvements. These improvements will better direct incoming calls to the right person or function, and will reduce the number of need lines. It will combine Town Hall and the Gould House into one site. It will also provide for a single computer network to serve all functions with automated back-up. Using technology wisely we can continue well into the future without incurring significant increased labor costs. We are also moving to lower energy costs and will be replacing our old streetlights with led lighting, commensurate with existing lighting levels. Another improvement will be the addition of police patrol hours.

Another task that we need to expand is the cost of property assessing. We must reset all property values every five years by law. This needs to be completed for the final tax bill in 2019. We have budgeted \$15,000 for this work to begin. There are also some improvements planned for our roads. We hope you will support this budget, and please contact us with any questions you have.

The warrant contains two articles that do not have an appropriation, but affect taxpayers. Article 12, is an exemption from assessment for up to \$15,000 of valuation for a qualifying solar system. Article 25, is known as the All Veteran's Tax Credit and grants the existing Veterans Tax Credit to all veterans that served, without any criteria for having served during a specific period of time. This is in response to new enabling legislation passed in 2016.

Should anyone have a question about the various credits or exemptions affecting their property taxes please contact the Town Office. We will be happy furnish the information. We will also be adding to the website more details on exemptions and credits.

We want to recognize all those that contribute to our community, and this report is dedicated to Joe Van Schaick who was one of those volunteers who worked hard many years to protect Highland Lake. Many people contribute their time and skills to make Stoddard a better place to live. They are both seasonal and permanent residents who contribute their talents and time. For this we all are very grateful.

Respectfully submitted,

James Coffey, Town Administrator

2016 PLANNING BOARD REPORT

This past year the planning board was busy with updating the master plan to stay compliant with state law. One of the major changes is SB 146, which goes into effect June 1st 2017, this is the accessory dwelling unit law.

I would like to thank all the members of the master plan committee for all the hard work that has gone into this. I would also like to thank Lisa Murphy from Southwest Regional Planning Commission for her help in getting this huge undertaking off the ground. We also have a committee to work on the Capital Improvement Plan. At this point the CIP committee is in the fact gathering stage.

The board also made some changes in the fees for subdivision. I would like to thank the members of the Planning Board for their hard work this year.

Notes about 2016 SB146 – Accessory Dwelling Units

Last year the New Hampshire Senate passed a bill requiring towns to allow *one, attached ADU in all districts that allow single family homes*. The idea came from our state's need to provide more housing for aging citizens and young professionals we want to attract.

The Planning Board went to several workshops concerning the new bill and, with some assistance from Southwest Regional Planning Commission, we sat down to rework our existing ADU ordinance.

The Senate Bill contains “Obligations and Options Under SB146 that towns must adhere to. For example: *An accessory dwelling unit **MUST** be an independent living space and have adequate water supply and sewage disposal. A municipality **MAY** control for appearance and regulate the number of occupants, consistent with HUD standards.*

*A municipality **MUST NOT** require a familial relationship between occupants of the principal unit and an ADU or require an ADU to have only one bedroom.*

The members of the Planning Board set out to make the best ordinance for all of us in the Town of Stoddard while following the bill's obligations and options. We decided that we would allow a **detached ADU unit** because of the new and increased interest in “Granny Pods”. We increased the square footage limits in the bill because we are concerned about there being enough room for a person using a wheelchair. We included the number of persons per bedroom because those are the numbers in the HUD regulations. In order to ensure the best protection for all of us we will require first of all that a prospective builder of an ADU in Stoddard go before the ZBA for a special exception. A building permit will be required for an ADU. We have added allowable restrictions that must be met and proven to the ZBA.

The Senate Bill 146 was signed into law and will take effect June 1, 2017.

PLANNING BOARD REPORT continued

The attached document is to replace the current ADU ordinance in our Community Planning Ordinance.

Submitted for approval to the Town of Stoddard by the Planning Board March 2017

TOWN CLERK'S REPORT 2016

We now have new steps installed into the front entrance of the Town Hall. The new granite slabs are a nice addition to the look of the hall. Thanks to everyone for finding their way in through the back entrance during end of year construction. It has been a busy year for us here. There have been changes in the personnel in the office. After many good and faithful years serving as Assistant and then Deputy Town Clerk, Ginny GrandPre' has sold her home and moved to Florida for the warm. I wish to thank her for her years of service to me and the town's people. We wish her well. So now the new "Tuesday girl" is Karen Bell, she began in July and will be the new Deputy Town Clerk.

With four elections in 2016 we were kept very busy with absentee ballots and voter registrations all year. The new Accuvote Machine that has been purchased was used in the September Primary and the November Election. It made for the post election counting and reconciliations so much easier and quicker. I thank the town for allocating the purchase of the counting machine in this year's budget. Also for my reelection in 2016. All of the elections went smoothly and well and we now have a record amount of registered voters in the town. This is the first Presidential election held in the Town Hall in many years and there were concerns, so again I thank everyone for their diligent work and cooperation in making the smaller space accessible to meet the needs required. As always it is a pleasure and a privilege to serve the people of Stoddard as you clerk.

Respectfully submitted,

Linda Clark

POLICE DEPARTMENT REPORT

It was a busy year for the Stoddard Police Department. Accidents, including fatalities, domestic and juvenile issues continue to take up a large percentage of our time. Burglaries and domestics have also increased. The State Police have been very good about assisting with calls. In some cases, they are not in this area or are too far out to assist.

Spreading continues to be an issue in several parts of town. To combat this we have increased our budget in hopes to hire one or two part time officers in addition to answering calls for service. We will maintain a high patrol rate to "slow people down" to allow residents of Stoddard to walk safely on the side of roads.

This year we want to establish a Capital Reserve Fund to finance the replacement of the 2003 Ford Expedition. Although it does not have a great deal of mileage, approximately 70,000 miles, the maintenance expenses increased dramatically in 2016. The frame is very rusty and has been patched in three places.

It is with great pleasure that the Town of Stoddard has enlisted the services of David Santoro to assist with animal control. Davie's availability to assist Margo will truly be appreciated by the Police Department. Animal Control would like to express extreme gratitude to the good people of Stoddard for their unwavering support for spreading the word about missing animals. They often spend countless hours volunteering to search for wayward animals. We have had many missing dogs during this year. Please be reminded that all dogs must be registered every year and a current proof of rabies vaccine is required. We have a leash law in Stoddard and dogs running loose are a risk to people and themselves. Please have control of your dogs at all times to protect everyone.

For lost or found dogs, please always call the Cheshire County Dispatch at 355-2000 and they will dispatch an officer. If you find an injured cat, please also call and the cat will be picked up and cared for. We cannot license or search for missing cats, unfortunately. We have been known to rescue a cat out a tree, thanks to the Stoddard Fire Department.

I would like to thank the Town's people for their continued support and assistance over the past year. We wish to remind you that in case of an Emergency, call 911. If no Emergency is present, but you wish to speak to an officer, contact the Stoddard Police Department at 446-3597 or call our Dispatch Center at 355-2000

STODDARD FIRE & RESCUE AND EMERGENCY MANAGEMENT REPORT

The Stoddard Fire & Rescue department call volume for the period of January to December 2016 was: 75 fire/service calls, 74 medical/EMS calls (which included 20 motor vehicle accidents) for a total of 149 calls. The wild fires of last spring are included in the fire calls and we were very fortunate to have mutual aid from surrounding departments. Many thanks and appreciation to everyone's help and assistance during that time.

This past year we had the pleasure to add a new member, Allison Montieth to our team. Allison comes to us with her EMT and medical experience and we welcome her to our department.

As in past years, the Stoddard Fire and Rescue Department has continued our in house training and drills with great participation and success. The Department responded to several mutual aid calls during the height of wild fire season.

Our staff of First Responders and EMT's have continued their medical education and training. We now have on staff, one paramedic, four EMT's and one first responder. Firefighters have continued their training alone and with the medical personnel.

We were sorry to see four of our members leave the department, but wish them great success in their new residences, careers and endeavors.

The new Knox Box system has been a success and welcomed by our residents. Seven boxes have been installed at homes and there are already three boxes designated out of the 2017 budget. For those not familiar with the systems, this program, initiated by Chief Stephen J. McGerty is invaluable in protecting the people who need it most. Any resident worried that the Fire and Rescue Department might not have access to them in the case of an emergency can put their concerns at ease with these boxes. The Knox box is a small, strong box which attaches to the home and contains a key to the building. Only the Fire Department will be able to open the box and it will guarantee they will be able to enter the home when an emergency occurs and the resident is unable to open the door.

These boxes are extremely secure and are used by commercial establishments all around the state as well as private residences in other towns. A resident can request one and installation will be done by the Stoddard Fire and Rescue Department. The resident will only need to pay a one-time fee of \$100 towards the total cost of the box and installation with Stoddard paying the balance.

Out of our budget for purchases was a side by side ATV which we will be able to utilize for a number of situations. It will be able to reach people lost or hurt in areas where a regular vehicle cannot access as well as bringing people and equipment to locations closer to wild fires where a regular vehicle would pose a danger. We are truly appreciative to the residents of Stoddard for the opportunity to purchase this equipment.

Next fiscal year, the Stoddard Fire and Rescue Department will be looking into purchasing a new Rescue truck and make some much needed renovations to the Fire Station.

FIRE, RESCUE AND EMERGENCY MANAGEMENT REPORT continued

Stoddard Fire and Rescue Department would like to sincerely thank the residents of Stoddard, the Mill Village Store, Mike Hayes and the Monadnock Boat Store. All of you have been very generous with your support and assistance.

Lastly, we would like to remind all residents that in case of emergency, please dial 9-1-1 for the quickest response. While calling friends or relatives may be your first instinct, it delays getting you the help you might need. If you are unsure of whether your situation is an emergency, go ahead and call 9-1-1. The 9-1-1 call taker can determine if you need emergency assistance and can route the proper agency to your location. Please be sure that your house number is clearly visible from the street to avoid any delays. Posting your 9-1-1 address at the driveway entrance and on your home will alleviate any confusion as to whether emergency responders have the correct location. Try using something reflective or illuminated so that it can be seen in the evening as well as during the day.

Respectfully submitted,

Chief Stephen J. McGerty

REPORT OF FOREST FIRE WARDEN & STATE FOREST RANGER

Over the past two years, New Hampshire has experienced its busiest fire seasons since 1989. 1,090 acres burned during the 2016 season. The White Mountain National Forest experienced its largest fire since becoming a National Forest, burning 330 acres in the town of Albany in November. Fires falling under state jurisdiction burned 759 acres, with the largest fire of 199 acres occurring in Stoddard. The extremely dry summer led to a busy fall fire season with large fires occurring into mid-November. Drought conditions hampered fire suppression efforts and extended the time needed to extinguish fires. Your local fire departments and the Division of Forests & Lands worked tirelessly throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2016 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

As we prepare for the 2017 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

2016 WILDLAND FIRE STATISTICS

(All fires reported as of December 2016)

HISTORICAL DATA		
YEAR	NUMBER of FIRES	ACRES BURNED
2016	351	1090
2015	124	635
2014	112	72
2013	182	144
2012	318	206

CAUSES OF FIRES REPORTED								
(These numbers do not include the WMNF)								
Arson	Debris Burning	Campfire	Children	Smoking	Railroad	Equipment	Lightning	Misc.*
15	85	35	10	12	2	18	9	148

(*Misc.: power lines, fireworks, electric fences, etc.)

REMEMBER, ONLY YOU CAN PREVENT WILDFIRES!

STODDARD COMPLIANCE OFFICER REPORT 2016

Stoddard, in the recent past, had an explosion of new home permits from 2006 through 2010, there were 84 NEW HOME PERMITS. In the same years there were 333 permits in total. New homes, additions, garages, etc.

Understandable, with the above numbers the Stoddard School has seen a large increase in students, along with additional personnel.

When you have an increase in the number of Building Permits, along with new regulations from the State of New Hampshire's various agencies, the job of Compliance Officer requires much due diligence.

Regulations differ from town to town on issuance of a Building Permit. It is recommended you call the Compliance Officer so we can discuss what is needed for your Building Permit, to avoid delay on scheduling contractors, etc.

At the September 17, 2017 Selectmen's meeting, the board approved a change to make the daily fine equal to the state law of \$275 per day for building without a permit. Permits are required for any addition to your property including, but not limited to, swimming pools, solar panels, greenhouses, dormers, sheds, etc. Normal maintenance and repair does not require a permit.

No one wants to receive a letter from the Compliance Office, the Selectmen or Town Counsel for not obtaining a Building Permit.

In conclusion, even with the activity regarding the number of Building Permits, and each year that number is going far beyond what any of our sister towns have issued, Stoddard is still a wonderful, rural town blessed with a low tax rate. I have lived in Stoddard for 44 years and have seen many changes and a good deal of controversy during that time, but there is no other place I'd rather live.

I wish you all good health and happiness throughout the coming year.

Harry R. Power
Stoddard Compliance Officer

DAVIS PUBLIC LIBRARY REPORT

This has been an exciting year for the Library. 88 new patrons were added and operations have returned to normal following completion of the addition and several outdoor restoration projects. This would not have been possible without the amazing support of the Library Board, The Friends of the Library, the Library Director, our Select Board members, our JFES partners, and most importantly the community volunteers. All have played a major role in making this asset a gem in our community. Their advocacy continues to improve our outreach and service to the community.

After two terms, our Treasurer Donna Hamilton will be leaving the Board of Trustees. I'd like to thank Donna for her years of service to the Library and the sunshine that she brought with her. She will be missed.

This year we saw many projects that were in our Capital Improvement Plan last year get underway and completed. All of these projects were done without requesting additional taxpayer support. A combination of remaining construction warrant funding, grants, FOL donations, and Board and community member time and material donations made these projects possible.

A special thanks goes to our Director who has done an incredible job with the allocation of the USDA grant funds to acquire much needed items inside and outside the library. 10 new electronic devices, new software and color printer with spare cartridges, gazebo, security improvements, indoor and outdoor furniture, racks, cabinets and carts, bookshelf, music subscription and other items were purchased through this grant and are being enjoyed by our patrons.

New windows and shutters replaced the original windows in the main building. Rotted siding was removed and replaced to match the new addition. A safe and beautiful ramp was added to the entryway, and a walkway was constructed leading to our gorgeous new gazebo (complete with furniture) and our back door to meet Fire Marshall regulations. A wonderful bench donated by the Barrett family and friends as a memorial to John Barrett was inspirational in the design and construction of a meditation garden by a generous community member and her 'green thumb' team. The property has had its lawn restored (by vigilant volunteer watering), new shrubs planted, and a hosta border donated and created by volunteers that will make the outdoors a great place for new activities this summer. The paving of the parking lot, ADA signage and collaboration with the Fire Department to get reduced pricing for the job was an exciting endeavor. Hitching posts matching those of the Gould House were installed to help prevent accidental building damage and plantings added to maintain the character of this lovely building were donated. Safety fencing along the side of the property has been installed in order to allow us to make use of the lawn for outdoor children's activities and our WIFI access has been extended to the rear lawn. Our new shed provided by the FOL will allow us to store seasonal items as well as book donations freeing up library utility space inside. Security improvements for our building, staff and patron safety have also been made.

DAVIS PUBLIC LIBRARY REPORT continued

This year we have seen expansion of our programs and policies to include more adult and adult/child programming and approved use of the library for meeting space. 98 programs (up from 69 last year) were conducted. Several adult programs were added to our well established Book Club, coordinated by Leigh Fosberry, and Book Pal program, which connects our library and school and is coordinated by Angel Nicoletti -- Owls and Their Calls by the Vermont Institute of Natural Science, Coyote by Christine Schadler, Mushroom Identification Hike with Justin Gardner, Monday Movie Night (October-December), Russian Nesting Doll Painting (Family program), and a fabulous Acupuncture experience donated by Kate McCarthy. All contributed to the wonderful growth in patronage.

The community, through the Friends of The Library, has been very generous with programming and hard good donations as well as their time spent on making great things happen. Mooseman Photography Presentation by Rick Libbey and Bobcats and Beyond: Learning to live with wildlife by Geoff Jones were well attended activities. The Annual Library Book Sale was the best yet! Free Museum passes to Montshire Museum of Science, Magic Wings Butterfly Conservatory & Gardens, Currier Museum of Art, Southern Vermont Natural History Museum, and the Historical Society of Cheshire County were made available for community enjoyment. Also funded by the FOL was the Library Movie License which allows us to show movies for programming activities. DVD funding provided the library with over 40 new and interesting titles! Summer reading program prizes as well as candy, pumpkins for painting, and Halloween trick or treat were delightful gifts and much loved by the children.

The ratio of patrons to population is very impressive and the library is hoping to respond to the community's needs with additional open hours. We continue to see an increase in physical visits and collection circulation as well as large growth in electronic media circulation.

Some small to medium improvement projects await us in the next year. Additional millwork, shelving, landscaping of the Children's Garden, clapboard replacement/repair and painting of the last remaining side section of the old building await us. We are also anticipating making the library catalog available online to our patrons and improving our inventorying of materials.

We always appreciate offers of help and suggestions for programming from our community members and invite you to stop by to hear about what we're doing and to let us know what you need.

Submitted By:
Geri Bailey
Chair, DPL Board of Trustees

FRIENDS OF THE DAVIS PUBLIC LIBRARY

After a very busy time supporting the Trustees with the construction of the Library addition and the collection and distribution of capital campaign funds, the activity of the Friends is taking on a more 'normal' posture. The campaign augmented the warrant article supported by the community by soliciting from individuals and foundations to cover 'extra' expenses not covered by the town. Landscaping, supplemental construction items, bookcases and furniture, and technology upgrades were a few of the items covered. Still to be realized from the campaign will be the addition of a shed and the development of a children's garden. The generous gifts from the wider community are being used to benefit the Library and the community.

Since the reopening of the library in late 2015, the Friends have continued to augment the Library's offerings by providing DVD movies, a movie license allowing the showing of movies to the public, audio books, Museum passes, and supplies for programming. In addition, the Friends have continued to provide speakers, usually a couple times a year, for the enlightenment, education, and entertainment of the community. An ongoing highlight of the Friends activity with wide impact is the Book Pal program with the James Faulkner Elementary School. An expanding program which once involved only fifth graders, now includes third and fourth graders as well.

Looking ahead to the 2016 - 17 report next year, the Friends' activity will continue to offer the community these augmented activities and services not supported in the Library Trustee's warrant article and budget with the continuing generous support of those who volunteer their resources and, at times, their efforts by becoming Friends of the Davis Public Library. Their support and the proceeds from the yearly Book Sale during Stoddard Old Home Days allows us help provide a warm and encouraging facility and atmosphere for all who would be served by our wonderful community resource.

2016-17 ANNUAL REPORT OF THE CONSERVATION COMMISSION

Monthly Meeting Date Change: Please note that the conservation commission meets on the FOURTH Wednesday of the month, 7:30 pm at the town hall.

Community Outreach Programs:

JEFS: After a two year hiatus, plagued by schedule conflicts and mushrooming enrollment, the JFES and conservation commission are on schedule for a joint outing to Stoddard Rocks and Pioneer Lake, to take place on Tuesday, June 20th, 2017.

Olde Home Days: The annual conservation forum, held Thursday night, July 7th, continued this year with a presentation on "Understanding the mind and ecology of the Coyote" by wild canine biologist Chris Schadler, who has 30 years of wolf and coyote research, sheep farming, and teaching experience, to demonstrate that "knowledge is power" when it comes to living with coyotes. This fascinating discussion was attended by 50 folks.

Davis Library: At their annual August meeting, Geoff Jones gave a presentation entitled "Bobcats and Beyond" which was a follow-up to the controversial bobcat hunt proposal by the F & G, that was defeated due to public concerns. Fifty folks learned about the role of apex predators in maintaining a healthy forest ecosystem, essential to NH's forest products industry.

Intervenor for Proposed Wind Farm on Tuttle Hill, Antrim

The Stoddard conservation commission (SCC) was fully engaged in the Site Evaluation Committee (SEC) Hearings regarding the proposal to build a 9-tower industrial wind farm on Tuttle Hill located in the northwestern part of Antrim and clearly visible from several locations in Stoddard. The SCC was granted intervenor status last year.

On August 8, 2016 the SCC gave an overview presentation of the impacts this project would have on Stoddard, to the full board of selectmen. They voted 3-0 to support the SCC opposition (for the second time).

The basis for opposition to this "green energy project" is complicated, and is best summarized by comments made in its Final Brief:

1. Six conservation groups and two state agencies have engaged in a 40+ year effort to identify and protect over 40,000 acres of contiguously protected lands adjacent to and surrounding the proposed AWE wind farm. Preserving large, unfragmented forest blocks from further development is central to the mission of each group. The organizations involved include the following: Society for the Protection of NH Forests, NH Audubon, Harris Center, The Nature Conservancy, Trust for Public Lands, Sweet Water Trust, NH Fish & Game Dept., and the NH Division of Forest and Lands. Millions of dollars of private and public funds have been spent on this initiative. Allowing the AWE wind farm to be developed would undermine the conservation and aesthetic values of this effort. Furthermore, these lands lie in the heart of the Quabbin-to-Cardigan Initiative (Q2C), a two state effort to protect ecologically significant forests in central New England. Habitat conservation in this region is a high priority for both the Massachusetts and New Hampshire Wildlife

CONSERVATION COMMISSION REPORT continued

Action Plans, and the region's interconnected forests could also prove an important north-south corridor for wildlife adapting their ranges to a changing climate. Its managed timberlands are an important source of forest products and renewable energy, and are a highly-efficient carbon sink.

2. The NH Fish & Game's Wildlife Action Plan (WAP) is a public/private effort to identify critical habitat throughout the state that is necessary for not only species of concern, but for all wildlife, to thrive/survive in a state that continues to see 10 to 15,000 acres of forest and agricultural land lost to development each year. The WAP has ranked the AWE wind farm site as the highest ranking habitat (confirmed by field visits by the Stoddard con com AND from GPS collared bobcats in the UNH/F&G bobcat study). This cooperative effort between state agencies, conservation groups, and academia has cost over one million dollars in public and private funds. Its purpose is to guide land use decisions so that critical wildlife habitat is NOT developed. The SEC is a prime example of decision makers this plan was intended for; NH wildlife biologists say that this high ranking is grounds enough to deny the project;
3. Master plans are the icon of local control and citizen involvement! The Antrim master plan identified the northwest part of town as important open space and zoned it rural/conservation. The Antrim selectmen's action is contrary to and in violation of this important local planning initiative.
4. We all want to mitigate the insidious impacts of greenhouse gases and climate change. Forests play a key role in sequestering carbon and moderating temperatures. It is critical that large, unfragmented forest blocks remain free of incremental development in order to maintain their ecological integrity and economic and operational viability. Forest fragmentation (converting forests to non-forest use with roads, transmission lines, subdivisions, commercial/industrial development) degrades wildlife habitat, leads to loss of biodiversity, increases invasive plants, insects, and pathogens AND threatens the health, function, and value of the remaining forest! Forest health depends upon maintaining ecological health, of which apex predators are a critical part. The AWE wind farm is being proposed in habitat that the WAP has identified as being core habitat for apex predators (bobcats, bear, coyotes, fisher, etc.). The biggest threat to their habitat is fragmentation, which projects like the proposed AWE farm are a poster child of;
5. The Stoddard conservation commission (with over 100 years of applied, practical natural resource experience) and the selectmen stand unanimous and united in their opposition to the AWE wind farm, because of the threat to the conservation values of protected lands in Stoddard (65% of the town's area) and the surrounding towns;
6. Tuttle Hill is a marginal wind site at best; wind energy is a marginal energy source with 30% efficiency/reliability, at best! It requires a constant standby of conventional energy sources to compensate for wind lulls (coal, oil, and natural gas, hydro); it poses a tremendous challenge to those who manage the grid!

CONSERVATION COMMISSION REPORT continued

7. If we believe that wind farms should be a viable part of our renewable energy portfolio, then they should be **sited on ridges where they pose the least environmental threat, not the greatest.** Locating a wind farm on Tuttle Hill would pose a huge threat to the current and future conservation values and efforts in this area, for all of the aforementioned reasons.

The Stoddard conservation commission recognizes that we need to be eternally vigilant in protecting the conservation and aesthetic values of this region from ill-sited development projects, of which this is one. Mitigation is not an option in this case!

The Stoddard conservation commission respectfully requests that the AWE wind farm (Docket 2015-02) be denied for any one or all of the above reasons.

At its Dec.19, 2016 meeting, the SEC it ignored its 2012 ruling that denied the project and voted, 5-1, in favor. An appeal is being sought by several interveners.

SB 48: The Stoddard conservation commission was actively engaged in supporting legislation to establish a commission to study the efficiency and effectiveness of the fish and game department's operations, governance, and management structure that would ideally lead to broader financial support and representation for the New Hampshire Fish and Game Department.

Stewardship Activities on the Town Forest: Volunteers will be sought to help with trail maintenance this spring and summer. Work days will be advertised on the town website and at public places around town. If you are interested in being part of the trail crew, contact Geoffrey Jones at geoffreytjones@gmail.com

Respectfully submitted,

Geoff Jones, Chair
Scott Semmens, Vice Chair
Brenda Bryer, Secretary
Helen Tam-Semmens, Treasurer
Paul Crosby

ZONING BOARD REPORT 2016-2017

The Zoning Board of Adjustment (ZBA) is charged with the responsibility of making decisions in the following 4 types of appeals:

VARIANCES- Under special circumstances, an applicant may apply to be granted relief from application of the strict terms of the Community Planning Ordinance (CPO). To grant this relief, it must be established that all five of the following conditions are met:

1. The proposed use would not diminish surrounding property values.
2. Granting the variance would not be contrary to the public interest.
3. Denial of the variance would result in unnecessary hardship to the owner. "Unnecessary Hardship" is defined in RSA 674:33, I as "owing to special conditions of the property that distinguish it from other properties in the area: (i) No fair and substantial relationship exists between the general public purposes of the ordinance provision and the specific application of that provision to the property: and (ii) The proposed use is a reasonable one. If this standard is not satisfied, Unnecessary hardship can also be deemed to exist if, and only if, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance and a variance is therefore necessary to enable a reasonable use of it.
4. Granting the variance would do substantial justice.
5. The proposed use is not contrary to the spirit of the ordinance.

APPEAL FROM AN ADMINISTRATIVE DECISION- If an applicant has been denied a building permit or is affected by some other decision regarding the administration of the CPO, and believes the decision was made in error under the provisions of the ordinance, the applicant may appeal the decision to the ZBA. The appeal will be granted if it is shown that the decision was indeed made in error.

SPECIAL EXCEPTION- Certain sections of the CPO provide that a particular use of property in a particular zone, will be permitted by special exception if specified conditions are met. The necessary conditions for each special exception are given in the ordinance. The appeal for a special exception will be granted if you can show that the conditions stated in the ordinance are met.

EQUITABLE WAIVER OF DIMENSIONAL REQUIREMENTS- If an applicant discovers an existing dimensional nonconformity after the structure was substantially completed or after a vacant lot in violation had been transferred to a bona fide purchaser AND the nonconformity was caused by a good faith error in measurement or calculation, the applicant may appeal to the ZBA. If it is determined the nonconformity does not constitute a public or private nuisance nor diminish the value or interfere with future uses of other property in the area AND the cost of correction would far outweigh any public benefit to be gained, the ZBA may grant the waiver.

*Please note: Appeals information (above) was taken from several sources and rephrased for purposes of it fitting the purpose of inclusion in this annual report. For this reason, what is stated is not the actual or complete wording in any zoning ordinance-THE ACTUAL ZONING ORDINANCE IS WHAT WILL BE USED IN ANY APPEAL.

ZONING BOARD REPORT continued

In the course of calendar year 2016, the ZBA conducted 11 meetings and 4 site visits. So far in 2017 (as of 2/28), the board has conducted 1 meeting.

Three matters of particular interest are commented upon:

1)Action on the Global Montello case continues to be frozen by legal actions taken by a member of the public, who has made motions to appeal. The case is now before the state Supreme Court. We hope to have a resolution shortly.

2)ZBA Staffing- Recruitment continues to be a chronic problem for the ZBA. The board has posted openings at the Post Office, the Gould House, the Town Hall, the Davis Public Library and on the Town website, to no avail. Word of Mouth has yielded few interested applicants. We have less than the number of permitted Regular Members and we have less than the permitted number of Alternate Members. As the Chair will not be continuing on the board as of Town Meeting date, things will become even more serious. We do not, as yet, have any members willing to be elevated to the Chairmanship.

3)ZBA Meeting Change- As of January, 2017, meetings now are taking place every other month. They continue to be scheduled on the third Thursday (beginning in January) at 7:30 PM at the Town Hall.

This change has already resulted in reduced costs. For cause, unscheduled meetings may be planned and noticed as required.

STODDARD CEMETERY COMMISSION ANNUAL REPORT

The Stoddard Cemetery Commission take pride in all our cemeteries we continue with our tree removal program and general neat well cared for appearances of all (5) cemeteries.

Our cemeteries are well cared for by our caretakers: Bob Curnette who maintains New Dow, New Town, Robb and Stevens cemeteries. Our new caretaker is Scott Bryant who maintains Old Dow Cemetery. Caring for these (5) five cemeteries is an awesome task, but well done by Bob and Scott.

Work has been done in the following cemeteries: New Dow; has a new locked chain across the end of the exit road, made necessary to stop further illegal activities which were occurring there. Robb Cemetery: (12) twelve very tall Pine trees where canopied up (15) fifteen feet because there long-low drooping branches were interfering with the mowing and to provide better air circulation and sunshine to enter the cemetery grounds.

The Spring of 2017 a two-step Oak tree removal will start in the New Dow Cemetery. There are (14) fourteen Oak trees to be removed (7) seven trees will be removed in 2017 and (7) seven trees will be removed in 2018. Their leaves are messy and their acorns are troublesome under foot.

The Stoddard Cemetery Commission hope you find the care of these (5) five cemeteries satisfactory. Should you notice anything out of order or have any questions or suggestions, please speak with any members of the Stoddard Cemetery Commission.

Respectfully submitted,

MaryLou Stymest, Chairman
Edmund Saleski
Amy Rokoszak

Addendum:

The Elias Whitney family burial enclosure, built in 1862 of beautiful ornamental wrought iron, which is located in New Town Cemetery (old section) off Mt. Stoddard Rd. and access thru the 3rd white gate is in great need of repair and preservation. The Stoddard Cemetery Commission members will try to get a "Moose Grant" from the N.H. Division of Historic Resources, our chances are questionable. So if anyone is interested in helping us succeed in saving these unique historic structure, please call any member of the Stoddard Cemetery Commission- Thank you.

CONTOOCCOOK AND NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE (CNBRLAC)

FORWARD

In 1988, the NH state legislature responded to the increasing and competing uses of our rivers by creating the NH Rivers Management and Protection Program (RMPP). The purpose of the program is to protect our state's significant river resources for the benefit of present and future generations through a unique combination of state and local resource management and protection.

A unique feature of the RMPP is the opportunity for cities and towns to participate, through local river management advisory committees, (LAC). An LAC is appointed for each designated river. Each LAC is comprised of representatives from each riverfront municipality and is responsible for developing a local river corridor management plan and reviewing and commenting on activities affecting the river that require state or federal permits.

Ruth Ward and Paul Krampfert are your Stoddard representatives.

The river system is the Contoocook and North Branch Rivers, hence the name of our non-profit group is the Contoocook and North Branch Rivers Local Advisory Committee (CNBRLAC).

We are involved in many additional tasks such as:

EDUCATION AND PUBLICITY ABOUT THE RIVER

POSTING SIGNS ALONG THE RIVER

MONITORING AND CLEAN-UP ALONG THE RIVER

WORKING WITH THE WEED WATCHER PROGRAM

ADVISING TOWNS ON BUILDING IN THE RIVER CORRIDOR

TRAINING AND EDUCATING MEMBERS

RECRUITMENT OF NEW MEMBERS

PREPARING FORMAL ANNUAL REPORTS (BI-ANNUALLY)

WATER TESTING

ATTENDING EDUCATIONAL MEETINGS ON RIVER AND WATER SUBJECTS

Paul will not be extending his membership for another term, creating an opportunity for someone in Stoddard to replace him. Please contact Ruth Ward at 446-2311 for further information.

Paul Krampfert and Ruth Ward
Stoddard Representatives.

CNBRLAC serves the towns of: Antrim, Bennington, Boscawen, Concord, Contoocook, Deering, Greenfield, Hancock, Henniker, Hillsborough, Hopkinton, Jaffrey, Penacook, Peterborough, Stoddard, and Rindge.

HEALTHCARE, HOSPICE AND COMMUNITY SERVICES

Report to the Town of

STODDARD

2016/17

Annual Report

During the fiscal year 2016/17, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Stoddard. The following information represents activities in Stoddard during the past twelve months.

Service Report

Services Offered	Services Provided
Nursing.....	214 Visits
Physical Therapy	214 Visits
Occupational Therapy	92 Visits
Medical Social Work.....	25 Visits
Home Health Aide	146 Visits
Chronic Care	213 Hours
Health Promotion Clinic	1 Clinic

Healthy Starts prenatal and well child care, hospice services and regularly scheduled “Nurse Is In” clinics, including foot care, are available to residents. Town funding partially supports these services.

HCS also offers the Age In Motion (AIM) program in Stoddard; AIM is an exercise program designed primarily for older adults. AIM promotes exercise for balance, flexibility, and to build strength, preventing falls and enhancing older residents’ ability to stay independent.

Financial Report

The actual cost of all services provided in your fiscal year 2016/17 with all funding sources is \$121,121.00. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services not covered by other funding have been supported by the town’s appropriation.

For fiscal year 2017/18, we request an appropriation of \$800.00 to be available for home care services and \$1,200.00 for the Age In Motion program in Stoddard.

THE LAKE HOST PROGRAM AT GRANITE LAKE

The New Hampshire Lakes Association and the Lake Host Program are celebrating 15 years of working together to prevent the spread of aquatic invasive species in New Hampshire waters. From its inception, in 2002, this partnership focused on education and prevention programs and has inspired community collaboration on the individual, local, state and federal levels.

During its inaugural year, 38 local lake associations participated, 45 public motorized boat launch sites were staffed by 161 trained Lake Hosts, 15,878 boaters allowed their boats to be inspected and nine fragments of invasive milfoil were removed from boats either entering or leaving the lakes. During the summer of 2016-the 15th season of the program, a record breaking 809 Lake Hosts conducted a total of 89,367 boat inspections at 104 boat ramps representing 82 local lake associations.

During the 15 years of partnership with local communities the Lake Host Program has had 1,550 “saves” from 53 lakes. Helping save our lakes from the spread of invasive species in our states waterbodies one Lake Host at a time.

New Law Effective January 1, 2017

Under this new law, it is illegal to transport (on trailer, boat, or vehicle) or introduce any Aquatic invasive species in New Hampshire. When leaving State waters, a person shall drain their boat and other water related equipment that holds water, including live wells and bilges. Failure to meet these requirements will result in a fine of \$50.00 to \$250.00.

All boaters are urged to follow the simple practice of “Clean, Drain, and Dry!”

CLEAN off mud, plants, animals, and algae from boats, motors, trailers, vehicles, and equipment.

DRAIN your boat, live wells, ballast tanks, and equipment away from the waterbody.

Anita Flanagan Lake Host Point Person Granite Lake

ISLAND POND LAKE PROGRAM 2016

Under the auspices of the New Hampshire Lakes Association the three Stoddard lakes participate in the lake host program. The program is run by a combination of paid hosts and volunteers with the purpose of checking boats coming in and out of the lakes for invasive plants or animals. Boater awareness and education about the problem is also a goal of the program.

The 2016 Island Pond lake host program was managed by a partnership between Max Dorman and David Lesser. There is only one public access to our lake, the ramp/beach area on Route 123. Over the summer we covered weekends, holidays, and fishing derby days using a paid lake host or local volunteer. A total of 428 paid staff hours and 106 volunteer hours were recorded at Island Pond. A total of 572 boats were inspected. We remained invasive plant and animal free as of the end of the season.

Special thanks to our point people; Max Dorman and David Lesser, and to our three paid lake hosts; Max Dorman, Anna Hubbard, and Alan Carlyle. A big thanks also goes to the many local volunteers who assisted the program. We are also very appreciative of the financial support allotted to us by the Stoddard voters. Even though we are NH Lakes grant based, we do not get enough money this way to support the thorough monitoring of the ramp. So thanks Stoddard residents--Island Pond can remain a favorite boating and swimming spot for many in town because of your financial assistance.

Island Pond is also very fortunate to have an active weed watcher program. These participants, all volunteers, regularly inspect our lake for any signs of invasive plants or animals. The combination of a lake host and weed watching program has proven to be very effective, statewide, in keeping lakes free of invasive species. Thanks to all of these volunteers and their coordinator, Charlotte Lesser.

Respectfully submitted,

David Lesser

Town of Stoddard

2016 Town Meeting Minutes

TOWN OF STODDARD, NH
TOWN MEETING
MAY 10, 2016

To the inhabitants of the Town of Stoddard in the County of Cheshire in the State of New Hampshire, qualified to vote in Town affairs: You are hereby notified to meet at the Stoddard Town Hall, 1450 Route 123 North in said Stoddard on Tuesday, the tenth (10th) day of May 2016, next at eleven of the clock in the forenoon (11:00 AM) to act upon the following articles:

The Polls will be open from 11:00 AM to 7:00 PM.

Article 1: To choose by ballot all necessary Town Officers for the ensuing year.

FURTHER; you are hereby notified to meet at the James Faulkner Elementary School, Lucy B. Hill Community Room, in said Stoddard on Tuesday, the seventeen (17th) day of May 2016, next at seven of the clock in the evening (7:00 PM) to act upon articles 2 through 26.

Given under our hands and seal this 11th day of April in the year of our Lord, two thousand and sixteen.

The meeting began at 7:00 PM. Call to order by Moderator Daniel Eaton. He requested that all Veterans and First Responders to be recognized and thanked for their service. It was then requested that they would all lead in the Pledge.

Article 2: To see if the Town will vote to raise and appropriate the sum of \$372,833 for general municipal operations. This article does not include special or individual articles addressed. **Majority vote required. Recommended by the Board of Selectmen.**

Article 2 Motion made by John Halter, seconded by Margo Santoro to accept as written Question followed, George Davenport asked for an explanation of the legal expenses and where the funds came from. The \$67,435 spent was from the previous budget year. There was \$20,000, from the ZBA budget and also from the Planning Board budget spent in the current year's budget.

No further questions, a vote was called.

Article 2 passed by unanimous vote.

Article 3: To see if the Town will vote to raise and appropriate the sum of \$8,800 for the operating budget of the Stoddard Planning Board. **Majority vote required. Recommended by the Board of Selectmen.**

Article 3 Motion was made by Margo Santoro, seconded by John Halter to accept as written.

Article 3 passed by unanimous vote.

Article 4: To see if the Town will vote to raise and appropriate the sum of \$6,550 for the operating budget of the Stoddard Zoning Board of Adjustment. **Majority vote required. Recommended by the Board of Selectmen.**

Article 4 Motion was made by Angela Nicolleti, seconded by John Halter to accept as written.

Article 4 passed.

Article 5: To see if the Town will vote to raise and appropriate the sum of \$47,530 for the operating budget of the Stoddard Police Department. **Majority vote required. Recommended by the Board of Selectmen.**

Article 5 Motion was made by David Vaillancourt, seconded by Patricia Steeves to accept as written.

Article 5 passed unanimously.

Article 6: To see if the Town will vote to raise and appropriate the sum of \$6,945 for the Antrim ambulance service and other appropriate services. **Majority vote required. Recommended by the Board of Selectmen.**

Article 6 Motion was made by Steve Rockwell, seconded by Don Holland to accept as written.

Article 6 passed unanimously.

Article 7: To see if the Town will vote to raise and appropriate the sum of \$90,400 for the operating budget of the Stoddard Fire & Rescue Department. **Majority vote required. Recommended by the Board of Selectmen.**

Article 7 Motion was made by Don Holland, seconded by Steve Rockwell to accept as written. Steve McGerty moved to amend the article to increase the budget by \$10,000 to read \$100,400. The increase would provide \$8000 to purchase a Sidebyside ATV, to replace the one damaged in the fires, and to place an additional AED in the Hidden Lake Development. Rec Center. Seconded by Don Holland.

Questions followed: Joe Scarcione questioned the purchase of a different ATV as an expectation that funds will be coming from FEMA to repair the old one. Also the budget line item of article 9 in last years budget was for \$84,102 to include repair to the rescue were the repairs done and why is the budget so high?

Steve answered that the work needed to Engine 2 was done in house and refitting was done to so that it will be good for all rescue work. The ATV is so old many of the parts are no longer available for purchase and the money is not guaranteed by FEMA yet and this is the time to purchase at a good price the unit that will be a better vehicle, as it is a side by side. The moderator also stated that an approved budget that is not a line item budget, gives the department the ability to spend as needed and funds are not restricted. In this case the repairs are being done.

Amy Rokozak asked to recognize the first responders and was informed that would be better done at the end of the meeting. Joe asked for a further breakdown of the budget directed to the item listing on pg 75 in the book. Last year there was a separate article to fund equipment. This year 2-3 Class A uniforms will outfit included.

Joe concerned about the \$71,00 budget item to repair the truck not done and the truck is not being fixed. There are still waiting on some parts but the truck is working fine at this point. The rest of the budget items can be found on page 75 in this book.

Bob Fee motion to move, not yet accepted. Joe continued to ask about repairs.

The moderator also stated that an approved budget that is not a line item budget, gives the department the ability to spend as needed and funds are not restricted. In this case the repairs are being done.

No further questions, the moderator asked if ready for the question as amended.

Motion was approved to amend the article to read \$100,400.

The motion carried. Vote on the amended article.

Article 7 as amended was passed by majority vote.

Article 8: To see if the Town will vote to raise and appropriate the sum of \$3,000 for the operating budget of the Stoddard Emergency Management. **Majority vote required. Recommended by the Board of Selectmen.**

Article 8 Motion was made by Steve Rockwell, seconded by Dan Eaton to accept as written.

Article 8 passed by unanimous vote.

Article 9: To see if the Town will vote to raise and appropriate the sum of \$14,000 for the Lay Monitoring, Lake Host Programs and water testing. **Majority vote required. Recommended by the Board of Selectmen.**

Article 9 Motion made by Sally Ripley, seconded by Arnie Stymest to accept the article as written.

Article 9 passed by unanimous vote.

Article 10: To see if the Town will vote to raise and appropriate the sum of \$2,400 for the operation of the Stoddard Conservation Commission. **Majority vote required. Recommended by the Board of Selectmen.**

Article 10 Motion made by Geoff Jones, seconded by Helen Tam-Semens to accept article as written. Geoff wished to thank the Selectmen for the cover of the report supporting the bobcats and the wonderful letter written and submitted in support of against the bobcat hunting bill.

Article 10 passed by majority vote.

Article 11: To see if the Town will vote to raise and appropriate the sum of \$8,000 for the purpose of replacing culverts and correcting drainage deficiencies along North Shore Road and West Shore Road. **This is a special article as defined by RSA 32:7 V. Majority vote required. Recommended by the Board of Selectmen.**

Article 11 Motion made by Angela Nicoletti, seconded by Sally Ripley to accept as written.

Article 11 passed by majority vote.

Article 12: To see if the Town will vote to raise and appropriate the sum of \$216,200 for Winter and Summer maintenance, emergencies and planned repair of Town roads and bridges. **Majority vote required. Recommended by the Board of Selectmen.**

Article 12 Motion was made by David Vaillancourt, seconded by Joe Sarcione to accept article as written.

Article 12 passed.

Article 13: To see if the Town will vote to raise and appropriate the sum of \$192,994 for all Recycling, Solid Waste and related expenses for the ensuing year for the Stoddard Transfer Station, use of the Washington Transfer Station by certain residents and for hazardous waste disposal services provided by the City of Keene. **Majority vote required. Recommended by the Board of Selectmen.**

Article 13 Motion by Steve McGerty, seconded by Margo Santoro to accept the article as written. No dates have been set yet in Keene for Hazardous Waste days.

Article 13 passed by majority vote.

Article 14: To see if the Town will vote to raise and appropriate the sum of \$30,320 for the operation of the Davis Public Library. [Per RSA 202-A:11, the funds raised and appropriated, other than payroll and utilities, shall be paid over to the Library Trustees pursuant to a payment

schedule as agreed upon by the Library Trustees and the Selectmen.] **Majority vote required. Recommended by the Board of Selectmen.**

Article 14 Motion by Ed Saleski, seconded by Geri Bailey to accept the article as written.

Article 14 passed by unanimous vote.

Article 15: To see if the Town will vote to raise and appropriate the sum of \$9,375 for the operating budget of the cemeteries. **Majority vote required. Recommended by the Board of Selectmen.**

Article 15 Motion by Mary Lou Stymest, seconded by Ed Saleski to accept the article as written.

Article 15 passed.

Article 16: To see if the Town will vote to raise and appropriate the sum of \$800 to Home Healthcare, Hospice and Community Services to support the continuance of visiting nurse and home health services being provided to the residents of Stoddard. **(By Petition) Majority vote required. Recommended by the Board of Selectmen.**

Article 16 Motion by Sandy Sherman, seconded by Geoff Jones to accept the article as written.

Article 16 passed.

Article 17: To see if the Town will vote to raise and appropriate the sum of \$1,200 to Home Healthcare, Hospice & Community Services to support continuance of the Age In Motion program provided to the residents of Stoddard. **Majority vote required. Recommended by the Board of Selectmen. [Explanation: This program, for all area Seniors (60+), normally meets in the Town Hall on Tuesday and Thursday for a period of 20 weeks. The funds will cover the cost of a trained physical exercise leader and equipment.]**

Article 17 Motion by Jean Kelly, seconded by Mary Lou Stymest to accept the article as written.

Article 17 passed.

Article 18: To see if the Town will vote to raise and appropriate the sum of \$1,540 for Monadnock Family Services, a non-profit agency which provides quality mental health services to residents of Stoddard, which is requesting said amount to help underwrite the cost of services provided to residents. **Majority vote required. Recommended by the Board of Selectmen.**

Article 18 Motion by Richard Whitney, seconded by PJ Lamothe to accept the article as written.

Article 18 passed.

Article 19: To see if the Town will vote to raise and appropriate the sum of \$2,000 for support of The Community Kitchen, Inc., located in Keene, New Hampshire. **(By Petition) Majority vote required. Recommended by the Board of Selectmen.**

Article 19 Motion by Angela Nicoletti, seconded by Sally Ripley to accept the article as written.

Article 19 passed.

Article 20: To see if the Town will vote to raise and appropriate the sum of \$577 for support of the New Hampshire Region of the American Red Cross. **Majority vote required. Recommended by the Board of Selectmen.**

Article 20 Motion by Steve McGerty, seconded by Margo Santoro to accept the article as written. Steve spoke to the good job the Red Cross did during the recent forest fires. Bob Fee motioned that the article be amended to increase the amount to \$1000. Amended article seconded by Joe Sarcione.

Article 20 amended by unanimous vote to be increased to \$1000.

Article 20 passed as amended.

Article 21: To see if the Town will vote to raise and appropriate the sum of \$675 for Southwestern Community Services, a non-profit agency which provides fuel assistance, weatherization and other related services to residents of Stoddard, which is requesting said amount to help underwrite the cost of services provided to residents. **Majority vote required. Recommended by the Board of Selectmen.**

Article 21 Motion by Lindsay Freese, seconded by Steve Rockwell to accept the article as written.

Article 21 passed.

Article 22: To see if the Town will vote to raise and appropriate the sum of \$20,000 to be placed in the Building Capital Reserve Fund, established in 2013. **Majority vote required. Recommended by the Board of Selectmen**

Article 22 Motion by Margo Santoro, seconded by Steve McGerty to accept the article as written.

Article 22 passed.

Article 23: To see if the Town will vote to raise and appropriate the sum of \$10,000 to be placed into the Bridge and Roadway Capital Reserve Fund, previously established. **Majority vote required. Recommended by the Board of Selectmen.**

Article 23 Motion by Steve McGerty, seconded by John Halter to accept the article as written.

Article 23 passed by unanimous vote.

Article 24: To see if the Town will vote to abolish in accordance with RSA 669:17-b the following optional elective board: Board of Fire Ward **Majority vote required. Recommended by the Board of Selectmen.**

PJ Lamothe asked why eliminate and by whose request. Steve McGerty mentioned that the department has been filling the duties for a long while, it is very difficult to get people to run for the positions. Dan Eaton reminded the voters that it is another position now rather antiquated really no longer required as were positions eliminated last year. PJ asked know if the Fire Chief reports to the selectmen, and would request that the fire chief be required not to be a selectmen. The moderator replied that would be a warrant article for next years meeting but there are many towns that have the same persons in similar position and there is only 1 of a board member.

Article 24 passed.

Article 25: To see if the Town will vote to raise and appropriate the sum of \$8,500 for the purpose of purchasing a voting machine, and for training and set up of said voting machine. **This is a special article as defined by RSA 32:7 V. Majority vote required. Recommended by the Board of Selectmen.**

Article 25 Motion was made by Linda Clark, seconded by Dan Eaton that the article be accepted as written.

Robert Darcy asked what type of machine is being asked for. An optical scanner that would read the ballots and count. Question about the potential for error would be. It would not be a die bolt machine, it is not for voting only for counting the ballots. Any write in ballots would be set aside

by the machine to hand count. Dan Eaton said that it would be less valuable in the town elections where write in votes are more common but would be most valuable in state and national elections where write ins are less likely.

Sandy Sherman made a motion that the article be amended to read optical scanner ballot counting machine. Carl Parrot seconded change. Questions about accuracy and how those ballots that are kicked out would be handled. Bob Fee asked about how the machine gets calibrated and accuracy. Dan replied that Paul Toomey from the Secretary of States office recommends this machine as the most accurate and has a very accurate count when any recounts are required. More likely to have issues with the hand count tallies.

Motion was approved to amend the article to read, ballot counting optical scanner. The motion carried. Vote on the amended article.

Article 25 as amended was passed.

Article 26: To see if the Town will vote to raise and appropriate the sum of \$2,900 for the operating budget of the Stoddard Fire Warden. **Majority vote required. Recommended by the Board of Selectmen.**

Article 26 Motion by Joe Sarcione seconded by PJ Lamothe to accept the article as written. Joe Sarcione then moved to increase the budget amount to \$4050 seconded by Patricia Steeves. Steve McGerty asked Joe why, Mary Lou Stymest then asked the difference between the Fire Warden and Fire Ward. The explanation that the Fire Warden is responsible for coverage for forest fired, Fire Ward is a position to help oversee the Fire Dept and help in choosing the Fire Chief and is really now only a nominal position. Asked about Fire Warden having a budget and was informed that may be the only department in the state to have a separate budget for the Fire Warden. Asked what the increase was for, Joe is asking for additional leaf blowers, which were very valuable during the brush fires and other equipment, additional training for the members. The state will reimburse up to 50%. Dustin Bergeson asked if this budget is to be in addition to the current fire department budget, and it was confirmed. The motion carried. Vote on the amended article.

Article 25 as amended was passed by majority vote.

Article 27: To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of paving the Stoddard Fire Station truck ramp, and making any necessary drainage improvements. **This is a special article as defined by RSA 32:7 V. Majority vote required. Recommended by the Board of Selectmen.**

Article 27 Motion made by Don Holland, seconded by Steve Rockwell to accept the article as written. Joe Sarcione stated that in the budget meeting in April, it was discussed that someone should video and check the status of the culvert before any paving is done. David Vaillancourt was called on to say that it has already been inspected and is fine. Years ago a section had separated but now it is fine. Mary Lou Stymest asked about repair to the hole by the telephone pole. It would be necessary to work with the state for that repair as it is a state road. PJ Lamothe asked if there should be an engineering study done. Moderator said would need a separate article to have that done and might be useful to do in the future.

Article 27 passed.

Angel Nicoletti was then recognized to present a special honor.

To Honor a celebrated artist who lives and paints in our town, a Proclamation from the Governor's Office in Commendation to Richard Whitney. (a copy of the proclamation may be viewed at the Selectmen's Office).

The Moderator then asked to Recognize and thank all the EMTs and First Responders.

Gail Saleski then asked to recognize and thank the Library Trustees for the great effort to raise and complete the work on the Library.

Steve Rockwell announced the Old Home Days Events are scheduled on July 8,9, and 10th.

Geoff Jones announced new reflective signage is up on the trail and parking area for Stoddard Rocks area.

Dan Eaton requested all elected officials from the May 10th election, remain to take the oath of office.

Mary Lou Stymest moved to adjourn the meeting, seconded by Margo Santoro

Meeting adjourned 8:10 pm.

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Stoddard, New Hampshire

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Stoddard, New Hampshire, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and

fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our (1) adverse audit opinion on the governmental activities, and (2) unmodified audit opinions on the major fund and aggregate remaining fund information.

Basis for Adverse Opinion on Governmental Activities

Management has not included any of the Town's capital assets acquired, nor the accumulated depreciation and depreciation expense related to those assets in the governmental activities. Accounting principles generally accepted in the United States of America require that those capital assets be capitalized and depreciated, which would increase the assets, net position, and expenses of the governmental activities. The amount by which this departure would affect the assets, net position, and expenses of the governmental activities has not been determined.

Adverse Opinion on Governmental Activities

In our opinion, because of the effects of the matter described in the Basis for Adverse Opinion paragraph on the governmental activities, the financial statements referred to above do not present fairly, in all material respects, the respective financial position of the governmental activities of the Town of Stoddard, New Hampshire, as of June 30, 2016, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Opinion on Major Fund and Aggregate Remaining Fund Information

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major fund and the aggregate remaining fund information of the Town of Stoddard, New Hampshire, as of June 30, 2016, and the respective changes in financial position where applicable and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

Granite Lake Village District

2017 GRANITE LAKE VILLAGE DISTRICT REPORT

In as much as our annual meeting comes too late for the budget to be set by the voters. I have included the budget warrant items. Generally these are approved without contest. Nothing new and exciting is happening with the dam. We continue to add to our capital reserve fund in anticipation of needing to replace the facing underwater in the mill pond. Phil Hamilton also would like to research a better system of installing and replacing the boards with no plan to spend the money this year.

Article 1. Bob Woods has been chosen to run for Commissioner again

Article 2. Add \$5,00.00 to the capital reserve fund

Article 3. raise \$2,000.00 for general expenses (various dues, notices, money for church for meetings, etc.)

Article 4. raise \$830.00 for liability insurance for the dam in case of some failure

Article 5. use \$1,000.00 of its own money raised last year to repair the chain link fence around the dam - did not get done in time before winter last year

Article 6. vote to have next year's annual meeting April 14 th. 2018 at 9 a.m. at the Chapel-by-the-Lake

Respectfully submitted,

Sally Ripley, clerk
