# ANNUAL REPORTS OF THE TOWN OFFICERS 

## TOWN OF STODDARD

## NEW HAMPSHIRE

## 2018

# 2018 Annual Report Dedication 

Mary Lou Stymest

The flower beds and other plantings were all done by Mary Lou, usually with no outside help, excepting the movement of a boulder or two by a backhoe. Not only did she help put in many plantings, but she is here often to maintain them. Mary Lou's efforts toward improving the Town Hall setting make a great improvement to the visual effect of the facility. She has just asked for permission to plant a small tree and a bush beside a rear corner of the Town Hall, along with a granite bench in a area that is presently drab and difficult to mow.

We offer our sincere appreciation for all your contributions and thank everyone that makes a positive effort to better Stoddard.

Mary Lou Stymest has spent many years serving Stoddard as a member of the Supervisors of the Check List and a Cemetery Trustee. During her tenure on both Boards she has worked tirelessly to improve both. The cemetery improvements are more readily visible and owe much to her efforts promoting them. Her efforts toward helping her community do not just include these elected positions but go far beyond them.

Much of Mary Lou's contributions go unnoticed because she wants it that way. She has provided very meaningful support for the Davis Public Library Summer Reading Program, Historical Society and countless other town activities. But there is a very special activity that cannot be hidden from view, her countless hours beautifying the Town Hall and Gould House.

## Town of Stoddard

# Boards $\mathcal{E}$ <br> Departments 

## SELECTMEN'S \& ADMINISTRATOR'S REPORT

Annual reports for Stoddard are often a bit tricky to understand because of our July 1, to June 30, fiscal year. The State required financial reporting requires the last completed year to be matched to the proposed, future, fiscal year. This leave the current 2017-2018, year in limbo. Please keep this in mind as you look at the budget form section in this report. To help you make a better year to year comparison we have a "Budget Comparison" that will show the proposed budget, by individual account, with both prior years.

During the current budget cycle, we have improved our local area data network by connecting the Town Hall and the Gould House as one location. This has resulted in the elimination of one data (DSL) line and its monthly expense. At the same time, we also set up a small business phone system for the two buildings eliminating a two telephone lines. We hope with the voicemail capabilities of the new system we can better respond to citizen requests. We plan on reviewing how we are using the new system, and what we can do to make it more efficient in the coming months. When calling the Town Offices, please use 446-3326, after which you can enter an extension or a single digit number for the desired function.

Looking toward the future, and the proposed budget, we are preparing to reassess all property values for the final tax billing in December 2019. This has increased our assessing budget needs due to the need to contract with an assessing company to perform this work. Based on current statistics, our median assessment ratio for 2017, is $91.8 \%$ which reflects a major increase from 2016 which was $102.9 \%$.

The proposed 2018-2019 budget reflects some requests for capital expenditures. The Police Department is looking to replace it's 2003 Ford Expedition with a 2018, Ford Police Utility Cruiser. With serious frame and other issues, the 2003 cruiser has reached the end of its useful life. The Fire Department has also proposed a new Fire/Rescue boat along with a mechanical CPR device. The Highway Department again has budgeted $\$ 70,000$ for town road improvements which will be aided by an additional $\$ 30,910$, from an unanticipated State grant that has been received but not yet expended.

We thank everyone that has contributed to our community, with a special thanks this year to Mary Lou Stymest who has taken on many different tasks, with a special recognition of her hard work to beautify the Town Hall \& Gould House with gardens, shrub and tree plantings. Mary Lou has also been a champion for improving our cemeteries along many other causes. She has worked tirelessly to make Stoddard a better place.

Respectfully submitted,
James Coffey, Town Administrator

## PLANNING BOARD REPORT

Last year at this time we were working on the update for our Master Plan.
Sections completed are: Land Use, Economic Development, and Transportation, for which Southwest Regional Planning Commission provided vital assistance. Sections on Housing, Utilities \& Public Service and Community Facilities were completed by committee members Chris Madden, Jane McOsker and Harry Power. This coming year we will endeavor to add to the section on Conservation and Preservation by adding to and updating the Natural Resources of Stoddard.

At the request of the Select Board, the Planning Board undertook the feasibility of creating a town ordinance for the use of fireworks. In the past two summers there have been numerous complaints about the noise from fireworks and the debris left behind. After many meetings with the Fire Department and the town's Fire Wardens and a Public Hearing, it was determined that such an ordinance would be logistically unenforceable. Complaints can be made to the NH State Police. The state noise limit time is 11 PM.

The Planning Board is presenting for a vote this year an ordinance to replace the Accessory Dwelling Unit Ordinance. Last year the state of New Hampshire asked all towns in the state to update their town ordinance according to the new state guidelines. The state Senate Bill 146 went into effect June 1, 2017. Following state guidelines we have written a new ordinance which allows "detached" structures because of the increased interest in "granny pods". The ordinance requires a building permit and a special exception by the ZBA. The Fire Department weighed in on access and parking provisions in this ordinance.

The Planning Board is also presenting for a vote a Home Business Ordinance again at the behest of the Select Board. In doing the research, writing this bill and holding Public Hearings, we were surprised to discover that the Town of Stoddard has many home businesses in operation. This ordinance is an effort to protect the town and all its citizens, while allowing its citizens to prosper.

We would like to thank the ZBA and our many citizens who came to hearings and voiced their opinions, fears and wishes and our Fire Department which played an active role in creating the finished products.

Planning Board members:
Dian Mathews, Chair
Jane McOsker, Vice Chair
Alice Hutchinson
Chris Madden
Ruth Ward
Ben Wilder
Harry Power, Alternate
Vickie Williams, Secretary

## TOWN CLERK'S REPORT

There have been some changes in our office again in 2017. As of July, Margo has left us and we thank her for her years of service here and wish her success in the future. We welcome Jen Wells as a new member of our staff to work the Thursday hours. We are pleased to have her, and Jen is making the transition very well.

We purchased a new program this past year for doing the vehicle registrations and other work in the office and are busy getting that up and running properly. Thanks to the budget allocation voted in for us at last year's Town Meeting. The plan for this year is to implement the portion of the program called E-Reg. This will allow our citizens the opportunity to register vehicles and renew dog licenses online from their computers at home or any available internet site (work or library etc.). This process will require virtual checks and would be treated as a mail request. This is a very exciting opportunity that I hope will be of assistance to our townspeople. Thank you again for the opportunity to serve you another year.

## Sincerely,

## Linda Clark

## POLICE DEPARTMENT REPORT

During the past year the Police Department has been quite busy. Accidents including fatalities, domestic and juvenile issues continue to take up a large percentage of our time. Burglaries have taken a sharp increase. We need your help by calling in suspicious activities, or suspicious vehicles. This Department received many complaints/calls regarding events that people either observed or heard, but did not report until a later date. It is important that if an issue needs to be related to this Department, it should be reported ASAP. There isn't a great deal that can be done if the call is not received by us until two or three days later. Also, if possible, make notes regarding vehicle descriptions and plate numbers.

Speeding in several areas of the town is still the number one complaint in the past year we recorded 190 motor vehicle stops with numerous warning and summonses issued. With the increase in volume of traffic we need to increase our speed enforcement.

We are very fortunate this year to have acquired the services of Lieutenant Cameron Prior. Cameron brings with him full time certification, experience in a sense of commitment and impartiality. Cameron also brings the Stoddard Police Department greater accessibility as he lives locally. Welcome aboard Cam!

This year we are looking to lease purchase a new Police Cruiser. Unfortunately, rust has taken its toll on our 15 year old Police Cruiser. The maintenance has become unrealistic due to a rusty frame, motor, electrical issues and many other safety concerns.

It is requested that homeowners identify their property with a visible number. Having a house identified is very important in providing quick response to an issue. If you have not yet identified your property with numbers that are at least three inches high in a clear available location please do so in order to locate you if an emergency rises.

I would like to thank the Towns people for their continued support and assistance during the past year. I would also like to thank animal control officers Margo \& David Santoro for their dedication and commitment to the community. They have reunited many missing dogs to the rightful owners throughout the year. Please be reminded that all dogs must be registered every year. Stoddard has a leash law and dogs running loose are at risk to others and themselves. You must have control of your dogs at all times to protect everyone. For an animal control officer or Police officer please call Cheshire County Dispatch at 355-2000.

Respectfully submitted,
David Vaillancourt, Police Chief

## STODDARD FIRE E RESCUE ANNUAL REPORT

The Stoddard Fire \& Rescue Department call volume for the period beginning January $1^{\text {st }}$ through December 31st 2017 was: 77 fire/service calls and 39 medical/EMS calls for a total of 116 calls. Included in this total were 14 motor vehicle accidents. One of our calls was for a cardiac arrest at 4:15 in the morning and due to hard work and dedication, that individual was brought back to life and commendations are being awarded to those involved. We continue to be very appreciative for the mutual aid given from neighboring departments when needed. Stoddard Fire \& Rescue also responded to several mutual aid calls to surrounding departments.

In 2017, the Stoddard Fire \& Rescue Department was one of the few small towns who held a food and clothing drive for the Texas victims of Hurricane Harvey. It was a great success thanks to the kindness of our residents.

This past year we had the pleasure to add two new members, Donald J. Holland and Jennifer Rumrill. Both of these new members came to us from the Explorer program. The Explorer program is vital in educating and training interested young people in the area of fire and ems services. Currently, the Explorer program is seeking volunteers to help with various projects. We are sorry to see two of our members leave the department due to moves out of the area, but wish them the best in their future endeavors.

Our in-house training continues with great participation and success. Our EMS staff has continued their medical education and training. Currently we have on staff, one paramedic, five EMT's and one first responder. Firefighters have continued their training alone and with the medical personnel.

The Knox Box system has continued to be a success and welcomed by our residents. This system, initiated by Chief Stephen J. McGerty is invaluable in protecting those who need it most. Residents who have had a Knox Box installed need not worry that the Fire and Rescue Department might not have access to them in the case of an emergency. With Knox boxes, the Fire Department can gain access to the home and resident by opening the strong box containing a key to the building. These boxes are extremely secure and continue to gain popularity with commercial establishments and private residences. A resident can request one and installation will be executed by the Stoddard Fire and Rescue Department. The resident will only need to pay a one-time fee of \$100 toward the total cost of the box and Stoddard pays the balance.

Our side by side ATV is now equipped with a medical transport unit. With the ATV, we can reach people lost or hurt in areas where a regular vehicle cannot access as well as bringing equipment and people closer to wild fires. We sincerely thank the residents of Stoddard for making this possible.

Next fiscal year, the Stoddard Fire and Rescue Department will be looking into purchasing a new boat. Much needed renovations have been made to the meeting room at the Fire Station including new walls, insulation and sheet rock and a propane heater. With these improvements for the period of November $17^{\text {th }}$ to February $18^{\text {th }}$ we saved over a $\$ 1000$ in utility bills. Much of the work
was done by our members which resulted in a lower overall cost thereby saving the Town money. Thanks to all the members who volunteered their time and efforts to complete the project.

In the coming year, we are looking into implementing a CPR course which will be available to the residents of Stoddard.

The Stoddard Fire and Rescue Department would like to thank the residents of Stoddard, the Mill Village Store, Mike Hayes, the Monadnock Boat Store, Old School Painting, Robert Blair, the Selectboard and Mr. Mike's. In addition, a special thanks to Barbara Rockwell and the Fellowship of Ladies for the blankets. All of you have been extremely generous with your support and assistance.

Lastly, we would like to remind all residents that in case of emergency, please dial 9-1-1 for the quickest response. While calling friends or relatives may be your first instinct, it delays getting you the help you might need. If you are unsure of whether your situation is an emergency, go ahead and call 9-1-1. The 9-1-1 call taker can determine if you need emergency assistance and can route the proper agency to your location. Please be sure that your house number is clearly visible from the street to avoid any delays. Posting your 9-1-1 address at the driveway entrance and on your home will alleviate any confusion as to whether emergency responders have the correct location. Try using something reflective or illuminated so that it can be seen in the evening as well as during the day.

Respectfully submitted,
Chief Stephen J. McGerty

## FOREST FIRE WARDEN'S REPORT

First, I would like to take a moment to introduce myself to those of you that do not know me. My name is Randy Weaver and I was born and raised in this town. My grandfather and father both were fire chiefs and deputy fire wardens at one time. I have been on the Stoddard Fire Department for the past 18 years and I'm currently serving as Deputy Fire Chief. I served as Deputy Fire Warden for 11 years before being appointed to Fire Warden last year. I know that I have some big shoes to fill but I'm up to the task and hope to serve this town well just as the past wardens have.

With that being said, last year we did a total of 142 burn permits compared to the 84 we did the year before. We had three small grass fires and four illegal burns as well. Remember that you are required to have a burn permit for any open fire and, with the exception of a cooking grill, you need to be a minimum of 25 feet from any structure.

Be on the looking for signage and brochures around town giving the community more information about how to prevent forest fires and acquiring a burn permit. There will be yellow signs as well as informative brochures at the Town Hall, Mill Village Store and the Town Offices.

If you have any questions, feel free to call myself or one of my deputies and we would be happy to answer any questions you may have.

Thank you and have a safe and wonderful summer!
Respectfully submitted,
Randy Weaver

## STODDARD COMPLIANCE OFFICER REPORT

The Compliance Officer works for the Board of Selectmen, submitting Building Permits and keeps the Selectmen up to date on any violations in zoning or state law. I either approve or reject a Building Permit, which is given to the Board for their disposition. I can, however, approve the Building Permit to proceed prior to the Selectmen's signature, should circumstances necessitate an immediate start-up of the project.

There have been several projects started without a Building Permit and, after my contact with the individual, a Building Permit was obtained and the fine of $\$ 275$ per day was not imposed as the individuals were not up to speed on state law or zoning.

You do not need a permit for maintenance or repair of your structure and no permit is needed for a replacement septic or replacement potable water supply. However, a new septic or a new well requires a Building permit. All sheds, garages and pole barns require a permit and a 15 -foot setback for 100 sq . ft . or less and a 25 -foot setback over that footage. The setback is from your lot line as well as from any right of way documented.

If you are purchasing or planning to convert a property from seasonal to a year-round property ~ and there is no Approval for Operation of a State Approved septic system on file at the Selectmen's office or at the New Hampshire Department of Environmental Services, before year-round occupancy can occur, you must have an Approval for Operation.

Once you have decided to move forward with your project, feel free to call e with any questions you might have. I can always be reached at my office 446-7778.

Thank you all for your co-operation!
Harry R. Power
Stoddard Compliance Officer

## DAVIS PUBLIC LIBRARY REPORT

2017-18 was an exciting year for the library. Due to the foresight of the addition team, the space retained its cozy and welcoming charm, and the results have paid off. Despite the ever-growing use of personal devices and technology in the home, it's clear that our library and the community's needs for it are still growing. Forty-nine new registered borrowers were added, and overall circulation and visits (up 800+ over last year) continue on an upward trend. The ongoing support of the library board, The Friends of the Library, the library staff, our select board members, our JFES partners, and most importantly the community at large have each played a major role in making the library important to our community. Their advocacy continues to improve our outreach and services to the community year after year.

Last year our focus was on restoring the outside of our building. This year it was focused on adding new services. We increased our winter public hours by 4 each week on Friday as requested by the community. Our goal was to provide more adult programming, and it has been a success. Our paved parking lot and lawn have provided new opportunities to accommodate larger groups than could be supported before. Our programming has grown again this year with 48 more programs being added. Many of these programs were led by our community members. Edible Plants, Harp Music, Essential Oils Introduction, Yoga, Advanced Care Planning, an Illusionist and an Adult Summer Reading Challenge supplemented our well attended Book Club led by Leigh Fosberry. Residents of Stoddard, Peterborough and Hancock attended our NH Humanities NH on Skis presentation which was fascinating and allowed us all to meet some of our neighbors. The Board also amended policies this year to allow members of the community to reserve the library for adult group meetings. This has been well received.

For children's activities, the Summer Reading Program continues to draw a large number of the community's families. Sixty-two children attended this year. This program included an author talk by Sandra and Rich Wallace, stories and crafts, book giveaways, a Harris Center presentation and an end of summer party. The children really look forward to the program and prizes. The Stymest family donated a bicycle to this program which served as a great motivator. The 1,000 Books B4 Kindergarten Program saw its first Stoddard family completion this year, and many more families signed up. Friday movies, pumpkin painting, trick or treat, weekly crafts, robot time and maker space activities continue to be in demand.

The Friends of the Library sponsored activities, Fred Marple, Sy Montgomery, and Tracking from Africa to Stoddard had great turnouts, and we look forward to the selected and wonderful programs each year. We are especially grateful for their programming support which includes materials, snacks, books and prizes for programs. Despite inclement weather, this year's book sale still drew many loyal volunteers and readers and was a success. The new shed helped to make the sorting process much easier, and this year is expected to greatly ease the past years' storage and moving challenges. The addition of several new DVDs and museum passes was also made possible through donations by the Friends of the Library.

A special thanks goes to our Director Lauren Rettig who has completed the last of purchases made possible through the USDA grant funds. New shelving in the existing closet is helping us to use available space more efficiently. The new color printer is getting a lot of use as are the 5 general use computers. Public Wi-Fi access has been extended to the gazebo and higher speeds are now
available. We will continue to work on improvements in the technology arena over the next year. Our staff has also been working on much needed inventorying of our collection, and we all look forward to being able to access the catalog online upon its completion.

The Book Pal Program coordinated by Angel Nicoletti pairs JFES students with a Stoddard adult who then read a common book, write letters to each other about it, and end with a joint activity. The library assists in acquiring the books for this effort, and it is always looked forward to by participating teachers, adults and children.

With regard to property improvements, we have been very happy with the property maintenance work that has been taken over by Bob Curnutte. Bob's freshly mown grass and the beautiful new window boxes installed by David Lesser have made passing from winter to spring a reason to celebrate. Our new fence which had been delayed due to weather, was finally installed and provides a more functional and safe area for planned children's activities and a garden. The Children's Garden hardscape design is complete and the installation of that is under contract for late spring. The garden itself will be developed once that work is completed. We are all very excited about an anonymous donation made to the Friends of the Library for a mural to be painted on the side of the shed facing the Children's Garden. Some planning has already been done, and we are hoping that this sure-to-be-delightful work will begin in the spring.

Other lawn areas impacted by construction will undergo small landscaping improvements as well, and additional grant funding sources will be pursued as needed. Ongoing tree maintenance activities will be implemented to ensure safety of vehicles and patrons in the parking lot and on the grounds. Plans are also underway to install a handicap railing on our entrance ramp and lighting for the gazebo. To prevent additional damage and to complete building renovation activities, we hope to scrape, paint and replace any rotted siding as needed on the last part of the original building near the John Barrett Memorial Garden this spring. If you haven't stopped to meditate or read in this lovely area, please visit.

After about four years as Board Chair, I will be leaving the Board at the end of my term in May. I am very grateful for having been able to serve the community as part of a strong support team and that we have been able to accomplish so much in that short time. I look forward to the continued growth of this wonderful institution.

Geri Bailey
Chair, Board of Trustees

## FRIENDS OF THE DAVIS PUBLIC LIBRARY

Report to the Town 2017-18
The Friends of the Davis Public Library exist to augment and enhance the activities and offerings of the Library. It is made up of residents of Stoddard, year-round and seasonal, who make a financial contribution to the Friends'... efforts. All residents are welcomed and encouraged to become Friends... so that our Library can continue to be and do more than town support can afford.

There are several notable and noticeable Friends'... sponsored activities over the course of the year. The offerings of speakers is, perhaps, one of the most noticeable. The humorist, Fred Marple, local (Hancock) author and naturalist Sy Montgomery (The Soul of an Octopus), and local Conservation Commission member and tracker Scott Semmens were featured speakers during the course of the year. Fred kept us laughing, even at ourselves and our New England quirks. Sy's presentation was inspirational and made our Friends... Annual Meeting a big hit. Scott spoke of his tracking in Africa with students from two local high schools as well as his local activity taking stock of animals in our own backyard.

Also, especially notable is the Friends'... sponsorship of the Book Pal program. Friends... Pastpresident, Angel Nicoletti, now a Trustee, spearheaded the effort which this year involved a twopart program, one with older and one with younger JFES students. Local residents are paired with students, each reading the same book. They exchange mail about their reading, giving students letter writing experience. At the conclusion of the program all meet together around an activity that picks up the theme of the reading. This is an awaited program each year by students, teachers, and adult Book Pals. Friends of the Library purchase books for the students and Lauren Rettig, our Library Director, arranges interlibrary loans so adult readers can do their reading.

The Friends... are also involved in several other less noticeable ways, supporting and enhancing Library programming and offering. We purchase DVDs for circulation. We provide passes for library patrons and their families to local museums and activities. Montshire Museum and ice skating at the center in Keene have been especially popular. We also provide materials, snacks, and prizes for Library sponsored activities, supporting the creative programming Lauren develops.

Another most noticeable Friends... activity is the Annual Book Sale during Stoddard Old Home Days. Accepting book donations beginning in April, collected in the Friends... donated shed on Library property, the book sale provides several benefits. Of course, it is a significant fundraiser for the Friends... It also allows folks to cull their personal libraries. People can purchase books, donating what they believe is fair, enhancing their own reading experience. Finally, and a wonderful bi-product of the activity, volunteers help to make the day a great success financially as well as focus for comradery and community. Even last year's mid-day downpours didn't lessen enthusiasm for the activity and the financial result was among the better efforts in recent years.

Watch for this coming year's activity and join in 'making more' of our local Library to the benefit of all of us.

The Rev'd Dr. David Ferner, President

## ANNUAL REPORT OF THE CONSERVATION COMMISSION

## Community Outreach Programs:

JEFS: After a two-year hiatus, on June 20, 2017 the JFES and Conservation Commission conducted a joint outing to Stoddard Rocks and Pioneer Lake for 85 students, K through 5th grade. This is a wonderful opportunity for the students and teachers to reconnect with town owned land and afford a continued understanding and appreciation for the conservation lands that make up 65\% of this town. It is also a nice way for the Conservation Commission to remain lightly tethered to the school and the younger generation.

Olde Home Days: The annual conservation forum was postponed this year, due to scheduling conflicts. It was rescheduled and co-sponsored by the Davis Library and held on Friday, November 17th. Approximately 40 people attended to hear Conservation Commission member, Scott Semmens give a presentation entitled "Tracking Animals from South Africa to North America." In recent past, Scott has travelled to Africa several times with high school and college students. During his travels in South Africa and Botswana, his group has tracked elephants, lions, leopards and rhinos. In North America, Scott has tracked many small and large mammals including moose, bear and bobcat. His slide show presentation and stories demonstrated the perspective of the intelligence and behavior of wild animals and their conservation.

## Intervenor for Proposed Wind Farm on Tuttle Hill, Antrim

As mentioned in last year's town report, on Dec.19, 2016 the Site Evaluation Committee voted, 51 in favor of issuing a permit for Antrim Wind Energy LLC to construct 9 five hundred foot wind towers on Tuttle Hill in northwestern Antrim. A group of local landowners (abutting and nonabutting), The Wind Action Group, "Five Meteorologists", the NH Attorney General's Office (which serves as counsel for the public during the SEC proceedings) and the Stoddard Conservation Commission (represented by Geoffrey Jones) filed a motion for a rehearing to appeal this decision. The basis for the appeal was rooted in substantial questions of law. Specifically, "the Appellants assert that the SEC did not apply its own rules; made factual determinations that were devoid of evidentiary support, and misapplied New Hampshire law."

This effort resulted in hiring of attorney Eric Maher of the law firm Donahue, Tucker, \& Ciandella, PLLC, Exeter, NH. An appeal was made and accepted (in August, 2017) by the NH Supreme Court. The case was heard on Thursday, January 25th, 2018. A decision should be made sometime in the spring of 2018. For more information, feel free to contact Commission chair Geoff Jones.

## Stewardship Activities on the Town Forest:

On June 10th, a volunteer trail crew consisting of Paul Crosby, Jill Fish, Ken Henninger, Scott and Helen Tam Semmens, Sabine Duran, Mark \& Gerry Bailey, and Geoff Jones, spent 6 hours touching up the trail to Stoddard Rocks and maintaining the vegetation along the dam, the latter, as required by DES Dam Bureau. Their work set the stage for a nice hike ten days later by the students from JFES. Thank you for your time and interest.

Volunteers will be sought to help with trail maintenance this spring and summer. Work days will be advertised on the town website and at public places around town. If you are interested in being part of the trail crew, contact Geoffrey Jones at geoffreytjones@gmail.com

## Looking for new Conservation Commission members:

After 1 three-year term, Brenda Bryer is not seeking a second term, as she plans to travel and spend more time with her family. We thank her for her valuable time and input.

If anyone in the community is interested in serving on the Stoddard Conservation Commission, the main credential we look for is interest and enthusiasm.........and if you have natural resource expertise, all the better. Please contact chair Geoff Jones by e-mail: geoffreytjones@gmail.com

Monthly Meeting: The Conservation Commission meets on the FOURTH Wednesday of the month, 7:30 pm at the town hall. The public is always welcome.

Respectfully submitted,
Geoff Jones, chair
Scott Semmens, vice chair
Brenda Bryer, secretary
Helen Tam-Semmens, treasurer

## ZONING BOARD REPORT

The Zoning Board of Adjustment (ZBA) is charged with the responsibility of making decisions in the following 4 types of appeals:

VARIANCES- Under special circumstances, an applicant may apply to be granted relief from application of the strict terms of the Community Planning Ordinance (CPO). To grant this relief, it must be established that all five of the following conditions are met:

1. The proposed use would not diminish surrounding property values.
2. Granting the variance would not be contrary to the public interest.
3. Denial of the variance would result in unnecessary hardship to the owner.
"Unnecessary Hardship" is defined in RSA 674:33, I as "owing to special conditions of the property that distinguish it from other properties in the area: (i) No fair and substantial relationship exists between the general public purposes of the ordinance provision and the specific application of that provision to the property: and (ii) The proposed use is a reasonable one. If this standard is not satisfied, Unnecessary hardship can also be deemed to exist if, and only if, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance and a variance is therefore necessary to enable a reasonable use of it.
4. Granting the variance would do substantial justice.
5. The proposed use is not contrary to the spirit of the ordinance.

APPEAL FROM AN ADMINISTRATIVE DECISION- If an applicant has been denied a building permit or is affected by some other decision regarding the administration of the CPO, and believes the decision was made in error under the provisions of the ordinance, the applicant may appeal the decision to the ZBA. The appeal will be granted if it is shown that the decision was indeed made in error.

SPECIAL EXCEPTION- Certain sections of the CPO provide that a particular use of property in a particular zone, will be permitted by special exception if specified conditions are met. The necessary conditions for each special exception are given in the ordinance. The appeal for a special exception will be granted if you can show that the conditions stated in the ordinance are met.

EQUITABLE WAIVER OF DIMENSIONAL REQUIREMENTS-If an applicant discovers an existing dimensional nonconformity after the structure was substantially completed or after a vacant lot in violation had been transferred to a bona fide purchaser AND the nonconformity was caused by a good faith error in measurement or calculation, the applicant may appeal to the ZBA. If it is determined the nonconformity does not constitute a public or private nuisance nor diminish the value or interfere with future uses of other property in the area AND the cost of correction would far outweigh any public benefit to be gained, the ZBA may grant the waiver.
*Please note: Appeals information (above) was taken from several sources and rephrased for purposes of it fitting the purpose of inclusion in this annual report. For this reason, what is stated is not the actual or complete wording in any zoning ordinance-THE ACTUAL ZONING ORDINANCE IS WHAT WILL BE USED IN ANY APPEAL.

2017 was a year of change for the Stoddard ZBA. We thank former Chairman Paul Krampfert, David Costin, Dean Huber, and Ed Saleski for their longstanding time on the ZBA, and wish them well in their future endeavors.

Franz Haase and I (Jason Kovarik) joined after Town Meeting last year. As a board with two new members and down a Chairman, our first order of business was to have an election for Chairman. Franz piped up with his very first motion, stating that I should be nominated for the position. The motion carried, and the rest is history. Doug Summerton joined us in June, which gave us five regular board members and three alternates. As of today we are down from three to only one alternate. We will be looking to fill those ranks so if you know anyone interested please let us know.

We thank Angel Nicoletti, Vice Chair Curt Taylor, alternate Richard Scofield and our secretary Kathy Ellis for sticking around and sharing their knowledge and expertise with us new members. From April through December we held five regularly scheduled meetings and then two extra meetings in December. During that time we conducted three site visits and three hearings. We are looking forward to the Spring 2018 Planning and Zoning Conference. There we hope to increase our collective knowledge of procedures and best practices from around the state.

Respectfully submitted,
Jason Kovarik
Chairman Stoddard ZBA

## STODDARD CEMETERY COMMISSION ANNUAL REPORT

The Stoddard Cemetery Commission is sorry to announce that Ed Saleski has retired from our commission and is now a Florida resident. Ed was always ready with help, suggestions and action. You will be missed Ed. However, we are pleased to welcome Karen Bell to the commission. Karen understands our goals and concerns for well-kept cemeteries.

Also, we wish to thank our caretakers: James "Bob" Curnette, who cares for 4 of the cemeteries which include, New Dow, New Town, Robb and Stevens. All are always well mowed and cared for. Our new caretaker is Mike Shawver who cares for Old Dow. This is a most difficult cemetery, full of uneven surfaces, rocks and a large overgrown area in the center. These gentlemen do a wonderful and through job dealing with the weather and mowing. We plan to complete the tree work in New Dow this year. Thanks to Frank Stuckey for your excellent treework. We also plan to cut and control one overgrown area in Old Dow in 2019.

## Cemetery updates

New Town Cemetery is very fortunate to have had a $\$ 50,000$ donation who's interest is to be used to clean and repair headstones. This work has not been done for the past 10 yrs but now these finances are available and this work is being done. Thank you Trustee of the Trust fund. Also our thanks to Patty Marotta who started cleaning the headstones in New Town Cemetery in July 2018. She has made and will continue to make such an improvement. Thank you, Good job Patty!

Robb Cemetery has had its lower tree limbs trimmed up, brush removed and a mole problem stopped. Steven Cemetery. This little cemetery has no problems at the present time.

Our goal is to make all 5 Stoddard Cemeteries well cared for, dignified, peaceful and beautiful final resting places for our loved ones.

Please notify us of any concerns, complaints or suggestions you may have.
Respectfully,
Stoddard Cemetery Commission
Karen Bell
Amy Rokoszak
MaryLou Stymest - Chair

## CONTOOCOOK AND NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE ANNUAL REPORT

The Contoocook \& North Branch Rivers Advisory Committee (CNBRLAC) completed a very productive year in 2017 with a full slate of meetings, events, monitoring activities, and public programs for the Contoocook and North Branch Rivers communities.

Established in 1988, the CNBRLAC represents the fourteen communities of Antrim, Bennington, Boscawen, Concord, Deering, Greenfield, Hancock, Henniker, Hillsborough, Hopkinton, Jaffrey, Peterborough, Rindge, and Stoddard through its statutory duties including permit review and management plan coordination. The CNBRLAC provides a voice for the Contoocook and North Branch River towns and cities through the river's designation in the New Hampshire Rivers Management and protection Program. The CNBRLAC updates the Contooocook and North Branch Rivers Corridor Management Plan (CNBRCMP).
(http://www.des.nh.gov/ortganization/divisions/water/wmb/rivers/documents/ctc), and coordinates the activities in it.

The CNBRLAC reviewed and provided comments on several local projects plans and proposals in the Contoocook and North Branch Rivers, including shoreland construction projects, Bridge and Roadway improvement projects in Peterborough, review and comments of a 10,000 s.f. Performing Arts facility in Henniker, a sewer pumping station in Hillsborough, and review of drainage issues in Jaffrey, to name a few.

Non-statutory or discretionary programs include a variety of studies, planning activities, and programs related to the Contoocook and North Branch Rivers and its watershed.

The VRAP Monitorinhg Program marked its nineteenth year in 2017. The CNBRCMP depends on the high-quality work of many volunteers who each year monitor river and stream health in the Contoocook and North Branch watershed, a total of 67 miles from Rindge to Concord. During the summer, volunteers collect river water samples. The resulting data are used to assess the water quality in the rivers. That information is shared with municipalities and local officials for their use, as well as the State of New Hampshire, and the United States Congress.

At the annual meeting in November the CNBRLAC elected Matt Lundsted as Chair, and Marco Philippon as Secretary. We bid farewell to Janet Renaud who had served as Chair for many years, and thanked her for her leadership. Paul Krampfert, from Stoddard, had also tendered his resignation earlier in 2017. Both will be missed.

The work of the CNBRLAC would not be possible without the financial support of the fourteen "river towns" Thank you all! Special thanks to the Monadnock Paper Mills which has provided the committee with a monthly meeting place.

This year the NH Rivers Management celebrates 30 years caring for, and protecting our rivers. Special events will be held throughout the State during this year.

The CNBRLAC meets on the third Monday, at 7 pm , at the Monadnock Mills in Bennington. All meetings are open to the public. For further information, please contact Matt Lundsted, Chair via telephone 603-424-8444, or email: mlundsted@ceiengineers.com, or your town representative below.

Ruth Ward
Stoddard Rep. To CNBRLAC

## HEALTHCARE, HOSPICE AND COMMUNITY SERVICES

Report to the Town of
STODDARD
2017/18
Annual Report

During the fiscal year 2017/18, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Stoddard. The following information represents activities in Stoddard during the past twelve months.

## Service Report

## Services Offered

Nursing
Physical Therapy
Occupational Therapy ................................................................ 69 Visits
Medical Social Work
Home Health Aide ..................................................................... 177 Visits
Chronic Care................................................................................ 228 Hours
Health Promotion Clinic $\qquad$

Healthy Starts prenatal and well child care, hospice services and regularly scheduled "Nurse Is In" clinics, including foot care, are available to residents. Town funding partially supports these services.

HCS also offers the Age In Motion (AIM) program in Stoddard with sessions in the spring and fall. AIM is an exercise program designed primarily for older adults. AIM promotes exercise for balance, flexibility, and to build strength, preventing falls and enhancing older residents' ability to stay independent.

## Financial Report

The actual cost of all services provided in your fiscal year 2017/18 with all funding sources is $\$ 138,426.00$. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services not covered by other funding have been supported by the town's appropriation.

For fiscal year 2018/19, we request an appropriation of $\$ 800.00$ to be available for home care services and $\$ 1,200.00$ for the Age In Motion program in Stoddard.

## SOUTHWESTERN COMMUNITY SERVICES, INC. REPORT

Southwestern Community Services, Inc. (SCS) would like to take this opportunity to thank the residents of the Town of Stoddard for their continued support. Our combined efforts to serve the needs of local communities, such as Stoddard, count on the support provided by local citizens and the town in which they live.

During the past year, SCS delivered a myriad of social and human services to 88 Stoddard households. The total value of these services exceeded $\$ 76,534$. Detailed information regarding this assistance has been sent to the town's Board of Selectmen. It is available to anyone interested by logging onto SCS' website, www.scshelps.org, then clicking on the "SCS News" tab and the "Economic Impact Report" line. Detailed town-by-town reports are available there.

Major SCS programs that assisted Stoddard residents during the past year included Head Start, the Women, Infants and Children Nutrition (WIC), Heating Fuel \& Electric Assistance, Housing Stabilization Services and Substance Abuse Prevention among others. Additional program information can be obtained by contacting SCS at 352-7512; stopping by our offices located at 63 Community Way in Keene or by visiting our web site www.scshelps.org.

Local support is a vital component of SCS' entire set of programs and services. The local support provided by the Town of Stoddard enable us to continue effective outreach efforts throughout our rural areas. SCS welcomes comments and inquiries about our many programs designed to assist the less fortunate of our area.

## Thank you once again for your generous support.

Sincerely,
Keith F. Thibault
Keith F. Thibault, chief development officer
Southwestern Community Services, Inc.

## LAKE HOST PROGRAM AT GRANITE LAKE

The New Hampshire Lakes Association, Lake Host Program, at Granite Lake continues to inspect boats and educate boaters about the spread of aquatic invasive species for another successful season. Thanks to the generosity of both the towns of Stoddard and Nelson. Our Granite Lake ramp coverage ran from May 20 through September 15. The ramp was staffed with 22 Volunteers and 7 paid Lake Host inspectors. We added two new volunteers and trained three new young paid lake hosts. I continued with the Friday afternoon shift from 3-6pm but only during July and August our busiest time at the ramp. The boat ramp showed a steep decline in boat inspections from 1,019 in 2016 to 792 in 2017. Our rainy and cool summer seemed to limit the number of boats utilizing the lake. We are noticing however a steady and growing use of the lake by canoe, kayaks and paddleboards. Our volunteer coverage remains very consistent from season to season, 539 hours 2016 to 523 hours in 2017. One of our volunteers logged 66 hours at the ramp, an outstanding commitment, I think you will agree. Our young paid lake host inspectors including myself as point person logged about 420 hours of ramp coverage and supervision. This figure is similar to last year's season. We mailed for inspection two weed samples which luckily turned out to be noninvasive.

At the state level The New Hampshire Lakes Association reported 22 saves on lakes across the state. The new state law is now in effect and highlights the states concern about the transportation of aquatic invasive species. We find at Granite Lake, a very high awareness of this issue by our boaters which is demonstrating I believe the importance of educating and reminding boaters of the need to be vigilant.

[^0]Anita Flanagan

## ISLAND POND LAKE PROGRAM

Under the auspices of the New Hampshire Lakes Association the three Stoddard lakes participate in the lake host program. The program is run by a combination of paid hosts and volunteers with the purpose of checking boats coming in and out of the lakes for invasive plants or animals. Boater awareness and education about the problem is also a goal of the program.

The 2017 Island Pond lake host program was managed by David Lesser. There is only one public access to our lake, the ramp/beach area on Route 123. Over the late spring/summer we covered weekends, holidays, and fishing derby days, using a paid lake host or volunteer. A total of 408 paid staff hours and 60 volunteer hours were recorded at Island Pond. The number of inspected boats was 824 , an increase from last year. We remained invasive plant and animal free as of the end of the season.

Special thanks to our point people: Anna Hubbard, Francie Huntley, and Alan Carlyle. A big thanks also goes to the 8 local volunteers who assisted the program. Island Pond Association plays a key role in that their membership in the NH Lakes Association allows us to have a lake host program. We are also very appreciative of the financial support allotted to us by the Stoddard voters. Even though we are NH Lakes grant based, we do not get enough money this way to support our complete program. So thanks Stoddard residents-Island Pond can remain an invasive species free, favorite boating and swimming spot for many in the area because of your financial assistance.

Island Pond is also very fortunate to have an active weed watcher program. These 11 participants, all volunteers, regularly inspect our lake for any signs of invasive plants or animals. The combination of a lake host and weed watching program has proven to be very effective statewide in keeping lakes free of invasive species. Thanks to all of these volunteers and their coordinator, Charlotte Lesser.

Respectfully submitted,
David Lesser

## Town of Stoddard

## 2017 Town Meeting Minutes

# TOWN OF STODDARD, NH <br> TOWN MEETING <br> MAY 9, 2017 

To the inhabitants of the Town of Stoddard in the County of Cheshire in the State of New Hampshire, qualified to vote in Town affairs: You are hereby notified to meet at the Stoddard Town Hall, 1450 Route 123 North in said Stoddard on Tuesday, the ninth (9th) day of May 2017, next at eleven of the clock in the forenoon (11:00 AM) to act upon the following articles:
The Polls will be open from 11:00 AM to 7:00 PM. For Articles 1 and 2.
Article 1: To choose by ballot all necessary Town Officers for the ensuing year.
Article 2: Shall the Town vote to adopt the changes to the Community Planning Ordinance relating to Accessory Dwelling Units as approved and recommended by the Planning Board.
Majority vote required.
FURTHER; you are hereby notified to meet at the James Faulkner Elementary School, Lucy B. Hill Community Room, in said Stoddard on Tuesday, the sixteenth (16th) day of May 2017, next at seven of the clock in the evening (7:00 PM) to act upon articles 3 through 28.

The meeting began at 7:00 PM. Call to order by Moderator Daniel Eaton. He requested the Pledge of Allegiance to be lead by any and all veterans present. There was then a moment of silence for all those we have lost in the past year.

Article 2: A motion was made by Dian Mathews, seconded by Alison Hutchinson to table this article. Passed by unanimous vote.

Article 3: To see if the Town will vote to raise and appropriate the sum of $\$ 414,781$ for general municipal operations. This article does not include special or individual articles addressed. Majority vote required. Recommended by the Board of Selectmen.

Article 3: Motion was made by Steve McGerty, seconded by Chris Madden to accept as written. Motion passed by unanimous vote.

Article 4: To see if the Town will vote to raise and appropriate the sum of $\$ 6,950$ for the operating budget of the Stoddard Planning Board. Majority vote required. Recommended by the Board of Selectmen.

Article 4: Motion was made by Dian Mathews, seconded by Chris Madden to accept as written. Motion passed.

Article 5: To see if the Town will vote to raise and appropriate the sum of $\$ 6,550$ for the operating budget of the Stoddard Zoning Board of Adjustment. Majority vote required.
Recommended by the Board of Selectmen.

Article 5: Motion was made by Angel Nicoletti, seconded by Ed Saleski to accept as written. Motion passed.

Article 6: To see if the Town will vote to raise and appropriate the sum of $\$ 55,820$ for the operating budget of the Stoddard Police Department. Majority vote required.
Recommended by the Board of Selectmen.
Article 6: Motion was made by David Vaillancourt, seconded by Joanne Vaillancourt to accept as written.Curtis Taylor asked if this request included all salaries and equipment, answered yes by David. Motion passed.

Article 7: To see if the Town will vote to raise and appropriate the sum of $\$ 8,000$ for the Antrim ambulance service and other appropriate services. Majority vote required.

## Recommended by the Board of Selectmen.

Article 7: Motion was made by Steve Rockwell, seconded by Don Holland to accept as written. Motion passed by unanimous vote.

Article 8: To see if the Town will vote to raise and appropriate the sum of $\$ 100,800$ for the operating budget of the Stoddard Fire \& Rescue Department. Majority vote required.
Recommended by the Board of Selectmen.
Article 8: Motion was made by Don Holland, seconded by Steve Rockwell to accept as written. Questions asked by Joe Sarcione with some discussion following. Motion made by Joe to reduce the budget amount to $\$ 82,550$. No second was forthcoming and motion was denied. Question was called and carried as written. Motion passed.

Article 9: To see if the Town will vote to raise and appropriate the sum of $\$ 1,800$ for the operating budget of the Stoddard Emergency Management. Majority vote required.
Recommended by the Board of Selectmen.
Article 9: Motion was made by Steve Rockwell, seconded by Steve McGerty to accept as written. Motion passed.

At this time there was a special thanks given to the 20 volunteers who helped with the trash pick up, up Route 123N from Route 9 to Route 10, a total of 69 bags removed, and all who participated in the day.

Article 10: To see if the Town will vote to raise and appropriate the sum of $\$ 14,000$ for the Lay Monitoring, Lake Host Programs and water testing. Majority vote required.
Recommended by the Board of Selectmen.

Majority vote required.
Recommended by the Board of Selectmen.
Article 22: Motion was made by Steven Raymond, seconded by Brian Michaudto accept the article as written. Curtis Taylor asked how do we know the amount of Stoddard Residents are given assistance? Response by Jim Coffey is a ration of persons by town population. A lot of the assistance money comes by grants and matching grants. Curtis then asked if it could be specified dollars for the town and was answered yes. Motion passed.

Article 23: To see if the Town will vote to raise and appropriate the sum of $\$ 10,000$ to be placed in the Building Capital Reserve Fund, established in 2013. Majority vote. required.
Recommended by the Board of Selectmen.
Article 23: Motion was made by Chris Madden, seconded by Margo Santoro to accept the article as written. Motion passed.

Article 24: To see if the Town will vote to raise and appropriate the sum of $\$ 10,000$ to be placed into the Bridge and Roadway Capital Reserve Fund, previously established. Majority vote required.
Recommended by the Board of Selectmen.
Article 24: Motion was made by Chris Madden, seconded by Steve McGerty to accept the article as written. Harry Power asked that the money to be taken out of the fund be approved by the people before it can be spent. Motion passed.

Article 25: Shall the Town vote to adopt the provisions of RSA 72:28-b, All Veterans' Tax Credit? If adopted the credit will be available to any resident, or the spouse of any resident, who served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from services and who is not eligible for or receiving a credit under RSA 72:28 or RSA 72:35. If adopted, the credit granted will be $\$ 250$, the same amount as the optional veterans' tax credit voted by the Town of Stoddard under RSA 72:38. Majority vote required.

## Recommended by the Board of Selectmen.

Article 25: Motion was made by Harry Power, seconded by Margo Santoro to accept the article as written. Some discussion occurred, then the vote was called. Motion passed.

Article 26: In all Public Hearings in the Town of Stoddard, conducted by Stoddard Land Use Boards, ALL residents of Stoddard will be permitted to speak and participate fully, regardless of so-called "standing" or other rules. Submitted by Petition. Majority vote required. Not Recommended by the Board of Selectmen.

Article 25: Motion was made by George Davenport, seconded by Fred Ward to indefinitely postpone the article. Questions, Charlotte Lesser asked what the vote would mean, a vote yes would kill the petition, a vote no, would leave it to be voted on. Motion passed to indefinitely postpone the article.

At this time Alfreda England was recognized and she wanted to thank John Halter for his many years of service as town selectman.

Steven Rockwell made an announcement regarding the upcoming schedule for the Stoddard Old Home Days, 7/8/17, tickets available, parade, BBQ.

# INDEPENDENT AUDITORS' REPORT 

To the Board of Selectmen<br>Town of Stoddard, New Hampshire

## Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Stoddard, New Hampshire, as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the Table of Contents.

## Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and
fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our (1) adverse audit opinion on the governmental activities, and (2) unmodified audit opinions on the major fund and aggregate remaining fund information.

## Basis for Adverse Opinion on Governmental Activities

Management has not included any of the Town's capital assets acquired, nor the accumulated depreciation and depreciation expense related to those assets in the governmental activities. Accounting principles generally accepted in the United States of America require that those capital assets be capitalized and depreciated, which would increase the assets, net position, and expenses of the governmental activities. The amount by which this departure would affect the assets, net position, and expenses of the governmental activities has not been determined.

## Adverse Opinion on Governmental Activities

In our opinion, because of the effects of the matter described in the Basis for Adverse Opinion on Governmental Activities paragraph, the financial statements referred to above do not present fairly, in all material respects, the respective financial position of the governmental activities of the Town of Stoddard, New Hampshire, as of June 30, 2017, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Opinion on Major Fund and Aggregate Remaining Fund Information

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major fund and the aggregate remaining fund information of the Town of Stoddard, New Hampshire, as of June 30, 2017, and the respective changes in financial position and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matters

Required Supplementary Information
Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

Melanson Heath
January 18, 2018
*Copies of the full Audit can be picked up at the Town Office.

[^0]:    New Law
    Under this new law, it is illegal to transport (on trailer, boat, or vehicle) or introduce any Aquatic invasive species in New Hampshire. When leaving State waters, a person shall drain their boat and other water related equipment that holds water, including live wells and bilges. Failure to meet these requirements will result in a fine of $\$ 50.00$ to $\$ 250.00$.
    All boaters are urged to follow the simple practice of "Clean, Drain, and Dry!"
    CLEAN off mud, plants, animals, and algae from boats, motors, trailers, vehicles, and equipment.
    DRAIN your boat, live wells, ballast tanks, and equipment away from the waterbody.
    $\underline{\text { DRY }}$ anything that comes in contact with the water.
