## INTRODUCING THE STODDARD PASSPORT

Many different types of events for Stoddard 250 are happening all over town, throughout the year. Hikes, history presentations, concerts and dances, active activities for families and children—we've developed a lineup for all different interests. And we hope to get lots of people out, to different parts of town, to meet our neighbors and enjoy different things.

The Stoddard Passport encourages this. With designs by the talented local artist, Denise Bernier, symbolizing various activities, attending one gets you a stamp in your passport. The more events you go to, the greater your chances of winning a cash prize at the end of our anniversary year. At the last event of the year, there will be drawings held for those who had their passports stamped: 12 events could win \$300, 9 events \$200, 6 events \$100.

Plus the Stoddard Passport makes a wonderful keepsake of a very special year. Pick one up (it's free) at any of the Celebrate Stoddard 250 events. And thank you Denise Bernier and Carol Clark for designing this.

## UPCOMING EVENTS

Save the date for a party at Davis Library! Join us March 16th from 10am to noon for a celebration of Stoddard's 250th year since its 1774 incorporation.

There will be cake and refreshments, courtesy of Friends of Davis Public Library, with a special storytime and craft to kick things off!
