

CELEBRATE STODDARD 250 NEWSLETTER

www.celebratestoddard250.org

December 8, 2023

Welcome! Thank you for signing up for the Celebrate Stoddard 250 newsletter. A group of volunteers have organized many activities, happening throughout the year, to commemorate the town's founding 250 years ago. You'll be receiving this newsletter periodically throughout the year, with information on events happening, historical tidbits, pictures, and other interesting features.

Our town is very spread out geographically, with many individual owners' associations and other groups with limited connections. (Well, except when we all connect at the transfer station.) We don't always know our neighbors. We have a great opportunity to use this anniversary year to meet and appreciate the other residents, permanent and summer, in our town. We want to attract all ages and backgrounds to come to events, get involved and feel proud of our town. We hope to build community.

We will use all the communication channels we can: email, social media, town website, flyers, signs, word of mouth—to spread the word. So please pass this on!

UPCOMING EVENTS

Come to the kickoff January 8th

Join with your fellow settlers in petitioning The Authorities to establish a new town, to be called Stoddard. We will meet at Town Hall on **Monday, Jan 8 at 7 pm**, with period appropriate refreshments afterwards.

Wear your best knee britches and tri-corn hats, or cloak and bonnet, to kick off our year-long celebration.

FOLLOW US ON SOCIAL MEDIA for updates and to share your own photos! Tag us @celebratestoddard250 or #stoddard250.
