Dear Full and Part Time Stoddard Residents:

The Planning Board of Stoddard is working on updating the Master Plan. The board has worked on a **survey** enclosed for the residents to fill out. We as a board feel that the more input from the community of Stoddard will only sharpen the focus of the updates for the Master Plan, as we proceed. To help the board clarify the needs and concerns of its residents as we move forward to the future shaping how we want the Stoddard Community to look.

This will help us to form discussions at the Public Meetings we will schedule to discuss with the public input on their thoughts into the Master Plan update. The more input from the public and the more **surveys** we receive the better prepared the Planning Board will be with your wants and needs for the Town of Stoddard as we move into the future.

So please take the time to fill out the enclosed **survey** and return to the Planning Board of Stoddard by June 5, 2023 at the following address:

Town of Stoddard
Planning Board
1450 Route 123 North
Stoddard, New Hampshire 03464

We will also have the survey on the town website stoddardnh.org under the Planning Board Section. You can scan it in and email to Planningsecretary@stoddardnh.org if you prefer.

We thank you in advance for participating and returning the enclosed **survey** to the Stoddard Planning Board.

Thank you

Vickie Williams
Planning Board Secretary
