Unfinished Business:

Master plan: There was a working meeting directly following the planning board meeting. The Master Plan committee decide to follow the pattern set forth in the 1990 Master Plan by having all the GOALS in the first section of the Master Plan. We decided to write two goals for each section in the Master Plan. We wrote goals for the Economic Development, Transportation, Land Use and Telecommunications sections. Next meeting we will continue and complete the goals section. We intend to hold a work session after each Planning Board meeting when the time allows.

New Business:

Planning Board records in the basement – Dian & Vickie went over to look through them. There are about 4 boxes and 1 file cabinet draw to go through. Vickie took 2 boxes home to go through.

Businesses in Stoddard – What can the planning board to encourage growth and new business?

Meeting adjourned 7:37 PM
