PUBLIC QUESTIONS & COMMENTS:

1. Charlie Fosberry reported that the School Budget Hearing is scheduled for February 10, a Selectmen's regular meeting date. The board decided to hold their meeting on February 3.

OLD BUSINESS:

1. Set date for public hearing for receipt of unanticipated funds, $17,654.20 from State of NH. The hearing will be held during the regularly scheduled Selectmen's meeting on February 3.

2. Discuss E911 communications from Kelly Tester, E9-1-1 Field Representative. They will be assigning building numbers for all of Merriewoode Village properties.

3. Request(s) from Ian Corey for an inspection by the Town Health Officer and for the Selectmen to request in writing the Fire Marshall's office perform a building code inspection at 980 Route 9.

4. Discuss with David Vaillancourt King's Highway weight limit issues from the State. David Vaillancourt will be posting the road for 10 Ton limit and the engineer is expediting the request for state approval. David feels the best correction is a 2 culverts system.

5. Health Officer's Report for 980 Route 9. Jim Coffey and Dr. Englund visited the property and discovered extensive mold and moisture. The renter is using a de-humidifier with little relief. Tiles were glued to the cement slab but were lifting. Dr. England's professional opinion is that is a health hazard to live there. Ian Corey, the renter, reported that the landlord is unwilling to correct the situation.

NEW BUSINESS:

1. Donation from Franz Haase the repair of the guardrails on Shedd Hill Road bridge. The Selectmen will write a letter of appreciation to Mr. Haase.

2. Complaint from “Concerned Citizens”. Jim Coffey discussed the problem with Karen Bell and she has the situation resolved – no more rentals of property, due to lack of State Approved Septic System.

3. Cyclical Re-Valuation Contract with M & N Assessing for 2020-2024 – Jim Coffey recommended continuing on with the M & N Assessing contract for the next 5 year cyclical system. The cost is $16,000 per year for the first 4 years and $36,000 in the last year. Charlie Fosberry moved and Bob Fee seconded to approve the contract, the board approved.

4. Request to proclaim January 26 – February 1, School Choice Week in Stoddard. Bob Fee moved and Charlie Fosberry seconded to deny the request, the board agreed.

5. Unemployment Insurance credit to cover current payment and a credit toward the 2021 payment. The balance of $629.91 CR will be included in next budget.
